1 Pathological Anatomy, Diagnosis, and Treatment

1.1	Clinical Terms	2	L5 Syndrome	30
1.2	Pathoanatomic Terms	3	S1 Syndrome	30
1.3	Protrusion and Extrusion	6	S1 through S5 Syndrome	31
1.3.1	Pathology	6	Segment-Specific Syndromes	31
1.3.2	Therapy	9	L1 through L3	32
1.3.3	Prognosis	9	Segment L3–4	32
1.4	Classification of the Lumbar Motion Segments	10	Segment L4–5	32
1.4.1	Coronal View (A–P Projection)	10	Segment L5–S1	32
1.4.2	Zones	12	Syndromes Involving Two or More Segments	32
1.4.3	Coronal View with Nerve Roots	12	1.8 Synovial Cysts (Ganglia)	33
1.4.4	Lateral View	13	Pathogenesis	33
1.4.5	Axial View	14	Clinical Presentation	33
1.5	Variations in the Number of Vertebrae and Transitional Vertebrae	15	Treatment	33
1.6	Therapeutic Concepts	16	1.9 Spinal Stenosis	33
1.6.1	Introduction	16	Classification	33
1.6.2	Paravertebral Injections	16	Degenerative (Secondary) Spinal Stenosis	34
1.6.2.1	Definition	16	Pathoanatomy of Degenerative (Secondary) Spinal Stenosis and Surgical Strategy	34
1.6.2.2	Indikations	17	Pseudospondylolisthesis	35
1.6.2.3	Indications for the Use of Imaging Modalities	18	Clinical Presentation and Surgical Strategy	35
1.6.2.4	CT-Guided Perineural Injection Technique	18	1.10 Diagnostic Imaging Studies in Lumbar Disk Extrusion and Spinal Stenosis	36
1.6.3	Percutaneous Intradiskal Procedures	26	Plain Radiography of the Lumbar Spine .	36
1.6.4	Surgical Procedures	27	Myelography	37
1.7	Nerve Root Syndromes	29	Computed Tomography	37
	L1 and L2-Syndrome	29	Magnetic Resonance Imaging (MRI)	37
	L3 Syndrome	29	Evaluation	38
	L4 Syndrome	30		

2 Case Studies

Case Study 1: Normal Findings	42	Case Study 8: L5–S1, Extrusion at the Disk Level	56
Case Study 2: Monosegmental Degenerative Disk Disease	44	Case Study 9: L5–S1, Extrusion at the Disk Level	58
Case Study 3: Protrusions in Segmental Degenerative Disk Disease	46	Case Study 10: L5–S1, Extrusion with Supradiskal Extension	60
Case Study 4: L5–S1, Protrusion or Extrusion ..	48	Case Study 11: L5–S1, Extrusion with Supradiskal Extension Associated with Spondylolisthesis	62
Case Study 5: L5–S1, Protrusion and Extrusion .	50	Case Study 12: L5–S1, Extrusion with Infradiskal Extension	64
Case Study 6: L5–S1, Extrusion at the Disk Level	52		
Case Study 7: L5–S1, Extrusion at the Disk Level	54		

Case Study 13: L5–S1, Extrusion with Infradiskal Extension	66	Case Study 39: L4–5, Extrusion with Infradiskal Extension	118
Case Study 14: L5–S1, Extrusion with Infradiskal Extension	68	Case Study 40: L4–5, Extrusion with Infradiskal Extension	120
Case Study 15: L5–S1, Extrusion with Infradiskal Extension	70	Case Study 41: L4–5, Extrusion with Infradiskal Extension	122
Case Study 16: L5–S1, Extrusion with Infradiskal Extension	72	Case Study 42: L4–5, Extrusion with Infradiskal Extension	124
Case Study 17: L5–S1, Extrusion with Infradiskal Extension and Cauda Equina Syndrome	74	Case Study 43: L4–5, Extrusion with Infradiskal Extension	126
Case Study 18: L5–S1, Extrusion with Infradiskal Extension and Possible Intradural Migration	76	Case Study 44: L4–5, Extrusion with Infradiskal Extension	128
Case Study 19: L5–S1, after Previous Surgery ..	78	Case Study 45: L4–5, Extrusion with Infradiskal Extension	130
Case Study 20: L5–S1, after Previous Surgery ..	80	Case Study 46: L4–5, Extrusion with Infradiskal Extension and Secondary Spinal Stenosis	132
Case Study 21: L5–S1, after Previous Surgery ..	82	Case Study 47: L4–5, Extrusion with Infradiskal Extension	134
Case Study 22: L5–S1, after Previous Surgery ..	84	Case Study 48: L4–5, Lateral Extrusion	136
Case Study 23: L5–S1, Synovial Cyst	86	Case Study 49: L4–5, Lateral Extrusion	138
Case Study 24: L4–L5, Protrusion and Degenerative Disk Disease, Possibly Accompanied by Spondylodiskitis	88	Case Study 50: L4–5, Lateral Extrusion	140
Case Study 25: L4–5, Erosive Osteochondrosis ..	90	Case Study 51: 4–5, after Previous Surgery	142
Case Study 26: L4–5, Protrusion	92	Case Study 52: L4–5, after Previous Surgery ...	144
Case Study 27: L4–5, Protrusion and Annular Tear	94	Case Study 53: L4–5, after Previous Surgery ...	146
Case Study 28: L4–5, Protrusion and Annular Tear	96	Case Study 54: L4–5, Synovial Cyst	148
Case Study 29: L4–5, Protrusion and Extrusion ..	98	Case Study 55: L3–4, Extrusion at the Disk Level	150
Case Study 30: L4–5, Extrusion at the Disk Level with Secondary Spinal Stenosis	100	Case Study 56: L3–4, Extrusion with Supradiskal Extension	152
Case Study 31: L4–5, Extrusion at the Disk Level	102	Case Study 57: L3–4, Extrusion with Supradiskal Extension	154
Case Study 32: L4–5, Extrusion at the Disk Level with Intrathecal Compression of the S1 Nerve Root	104	Case Study 58: L3–4, Extrusion with Supradiskal Extension	156
Case Study 33: L4–5, Extrusion at the Disk Level	106	Case Study 59: L3–4, Extrusion with Supradiskal Extension	158
Case Study 34: L4–5, Extrusion with Supradiskal Extension	108	Case Study 60: L3–4, Extrusion with Supradiskal Extension	160
Case Study 35: L4–5, Extrusion with Supradiskal Extension	110	Case Study 61: L2–3, Protrusion or Extrusion ..	162
Case Study 36: L4–5, Extrusion with Supradiskal Extension and Possible Abscess ...	112	Case Study 62: L3–4, Extrusion with Supradiskal Extension	164
Case Study 37: L4–5, Extrusion with Supradiskal Extension	114	Case Study 63: L2–3, Extrusion with Supradiskal Extension	166
Case Study 38: L4–5, Extrusion with Supradiskal and Infradiskal Extension	116	Case Study 64: L2–3, Extrusion with Infradiskal Extension	168
		Case Study 65: L1–2, Protrusion	170
		Case Study 66: L1–2, Extrusion with Supradiskal Extension	172

Case Study 67: L1–2, Extrusion with Supradiskal and Infradiskal Extension	174	Case Study 73: Degenerative Spinal Stenosis ...	186
Case Study 68: L1–2, Extrusion with Infradiskal Extension	176	Case Study 74: Degenerative Spinal Stenosis ...	188
Case Study 69: T12–L1, Extrusion with Infradiskal Extension	178	Case Study 75: Degenerative Spinal Stenosis ...	190
Case Study 70: Degenerative Spinal Stenosis ...	180	Case Study 76: Degenerative Spinal Stenosis ...	192
Case Study 71: Degenerative Spinal Stenosis ...	182	Case Study 77: Degenerative Spinal Stenosis ...	194
Case Study 72: Degenerative Spinal Stenosis ...	184	Case Study 78: Degenerative Spinal Stenosis ...	196
