### SPRACHE UND LITERATUR

(ALLGEMEINES ZUR LITERATUR DES 2. JAHRHUNDERTS  
UND EINZELNE AUTOREN DER TRAJANISCHEN  
UND FRÜHHADRIANISCHEN ZEIT [FORTS.] )

#### Band II. 33.5:

|                                                                                                         |             |
|---------------------------------------------------------------------------------------------------------|-------------|
| SHOTTER, D. C. A. (Lancaster)                                                                           |             |
| Tacitus' View of Emperors and the Principate . . . . .                                                  | 3263 – 3331 |
| BENARIO, H. W. (Atlanta, Ga.)                                                                           |             |
| Tacitus' View of the Empire and the Pax Romana . . . . .                                                | 3332 – 3353 |
| SCHOTTLAENDER, R. † (Berlin)                                                                            |             |
| Tacitus als Wegbereiter des Wiederaufstiegs . . . . .                                                   | 3354 – 3384 |
| SAGE, M. M. (Cincinnati, O.)                                                                            |             |
| The Treatment in Tacitus of Roman Republican History and<br>Antiquarian Matters . . . . .               | 3385 – 3419 |
| MORFORD, M. (Charlottesville, Va.)                                                                      |             |
| How Tacitus Defined Liberty . . . . .                                                                   | 3420 – 3450 |
| GASCOU, J. (Aix-en-Provence)                                                                            |             |
| Tacite et les provinces . . . . .                                                                       | 3451 – 3483 |
| SADDINGTON, D. B. (Johannesburg, South Africa)                                                          |             |
| Tacitus and the Roman Army . . . . .                                                                    | 3484 – 3555 |
| WALLACE, K. GILMARTIN (Houston, Tex.)                                                                   |             |
| Women in Tacitus 1903 – 1986 . . . . .                                                                  | 3556 – 3574 |
| <hr/>                                                                                                   |             |
| GALAND-HALLYN, P. (Valenciennes)                                                                        |             |
| Bibliographie suétonienne (Les "Vies des XII Césars")<br>1950 – 1988. Vers une réhabilitation . . . . . | 3576 – 3622 |

|                                                                                  |             |
|----------------------------------------------------------------------------------|-------------|
| LEWIS, R. G. (Edinburgh)                                                         |             |
| Suetonius' 'Caesares' and their Literary Antecedents . . . .                     | 3623 – 3674 |
| DE CONINCK, L. (Courtrai)                                                        |             |
| Les sources documentaires de Suétone, 'Les XII Césars':<br>1900 – 1990 . . . . . | 3675 – 3700 |
| BRADLEY, K. R. (Victoria, B. C., Canada)                                         |             |
| The Imperial Ideal in Suetonius' 'Caesares' . . . . .                            | 3701 – 3732 |
| GIUA, M. A. (Pisa)                                                               |             |
| Una lettura della biografia svetoniana di Tiberio . . . . .                      | 3733 – 3747 |
| LOUNSBURY, R. C. (Provo, Utah)                                                   |             |
| <i>Inter quos et Sporus erat: The Making of Suetonius' 'Nero'</i>                | 3748 – 3779 |
| MURPHY, J. P., S. J. (Chicago, Ill.)                                             |             |
| The Anecdote in Suetonius' Flavian 'Lives' . . . . .                             | 3780 – 3793 |
| SCHMIDT, P. L. (Konstanz)                                                        |             |
| Suetons 'Pratum' seit WESSNER (1917) . . . . .                                   | 3794 – 3825 |
| VILJAMAA, T. (Turku)                                                             |             |
