

Contents

Foreword — V

Preface — IX

List of contributors — XIII

Nirjhar Saha, Asim Kumar, Soumili Biswas, Anirban Sarkar,
and Asit K. Chakraborti

Chapter 1

Construction of benzazoles in aqueous medium: a sustainable approach — 1

Dwaipayan Das, Moumita Saha, and Asish R. Das

Chapter 2

Catalyst-free synthesis of bioactive heterocycles in aqueous media — 59

Sabbasani Rajasekhara Reddy and Pooja Garg

Chapter 3

**Aqueous-mediated sustainable catalytic methods for the synthesis of
bioactive *N*-heterocycles — 85**

Asim Kumar, Nirjhar Saha, Soumili Biswas, and Asit K. Chakraborti

Chapter 4

**Catalyst-free synthesis of monocyclic heterocycles in aqueous medium: a
sustainable approach — 101**

Babita Tanwar, Asim Kumar, Nirjhar Saha, and Asit K. Chakraborti

Chapter 5

Water as benign reaction medium for the synthesis of quinoxalines — 151

Nirjhar Saha, Kshitij I. Patel, Antarlina Maulik, and Asit K. Chakraborti

Chapter 6

**Synthesis in water: a sustainable tool for the construction of quinoline
derivatives — 183**

Rajib Sarkar and Chhanda Mukhopadhyay

Chapter 7

Aqueous-mediated synthesis of bioactive *O*-heterocycles — 205

Yadavalli Venkata Durga Nageswar, Katla Ramesh, and Katla Rakhi

Chapter 8

Aqueous-mediated synthesis of bioactive 5-heterocycles — 227

Razia Noreen, Arruje Hameed, Tanzeela Khalid, Shaheera Batool,
and Tahir Farooq

Chapter 9

Aqueous-mediated synthesis of bioactive spirooxindoles — 255

Bubun Banerjee, Anu Priya, Aditi Sharma, Manmeet Kaur,
and Arvind Singh

Chapter 10

Sodium dodecyl sulfate in water: A valuable combination for the synthesis of various bioactive heterocycles — 283

Dripta De Joarder, Rajarshi Sarkar, and Dilip K. Maiti

Chapter 11

Synthesis of bioactive heterocycles involving heterogeneous catalysis in water — 307

Chebolu Naga Sesha Sai Pavan Kumar and Vaidya Jayathirtha Rao

Chapter 12

Microwave-assisted aqueous-mediated synthesis of bioactive heterocycles — 353

Seema Kothari, Khushbu Sharma, Rakshit Ameta,
and Suresh C. Ameta

Chapter 13

Ultrasound-assisted aqueous-mediated synthesis of bioactive heterocycles — 385

Index — 415
