From Martin and Gary:

This book is dedicated to our families—to our wives, Julie and Gloria, and to our kids, Sophie, Livvie and Cece, and Ari, Dan, Sara, Billy, Elise and Jonah.

Without their love, support, and understanding, we could never take on projects like this one.

From Marziah:

This book is dedicated to my husband, Harold, the best stay-at-home dad our kids could ever have, and to our kids, Pari and Kiyan. Their support makes it possible, and their praise makes it worthwhile.
