

Inhaltsverzeichnis / Table of Contents

[Vorwort / Preface](#)

K. Fischer Ausserer

[The Virtual Reconstruction of Persepolis](#)

K. Afhami / W. Gambke / S. Vasseghi

[Urban Archaeological Issues and Resources in Izmir Historic City Centre: An Exploratory Case Study](#)

B. Belge

[Aramus 2006: an international archaeological expedition completely supported by Free and Open Source Software](#)

A. Bezzi / L. Bezzi / R. Gietl

[Why Was the Roman Watch Tower in Konstanz scanned?](#)

D. I. Bibby

[Digital vs. historical cartography for studying archaeological sites: a case study from Corsica](#)

C. Corsi / F. Vermeulen

[iosa.it : an online resource for archaeology and free software](#)

S. Costa

[Surveying and Virtual Reconstruction of the Castle Ruin Hohenburg](#)

E. Dutescu / C. Flügel / O. Heunecke

[Interactive web-based application for potteries capacity computing](#)

L. Engels / P. Dunham / N. Warzée

[Virtual Forum Carnuntum](#)

P. Ferschin / S. Swoboda / A. Jonas

[Somatic Knowledge and Simulated Spaces](#)

B. Flynn

[The “Grand Compromise”: A Hybrid Approach to Solving the Problem of Looted Art](#)

B. Frischer

[Integrated technologies for the reconstructive study of Mesopotamian cultural heritage: The cases of Ur, Uruk and Nimrud](#)

F. Gabellone / G. Scardozzi

[The UNESCO Convention of 1970 – an Austrian criminological perspective](#)

A. Gach

[Breakbeat Heritage – Heritage on 135 BPM – Starogradska ElectroFied](#)

H. Gamper

[Documentation of traditional Architecture on Nias Island before and after the Disasters](#)

P. Gruber / U. Herbig

[Role of the international and national non-governmental Organizations to protect Cultural Heritage](#)

S. Guner / J. Velibeyoglu

[The AHICE project – an alternative in the international promotion of the institutions of cultural heritage](#)

Z. Gyalókay

[Knowing is not enough](#)

R. Hecht

[Expose your content via BRICKS!](#)

R. Hecht

[Testing GIS Methods by Means of Simulation Detecting and Describing Find Spot Densities](#)

I. Herzog

[Estimation of prehistoric population densities with GIS supported methods](#)

J. Hilpert / K. P. Wendt / A. Zimmermann

[Plans of a new Visitor Centre at the Archaeological Park in Százhalombatta, Hungary. The latest multipurpose project for presenting Cultural Heritage](#)

E. Jerem

[Panoramic photography and its applications at excavation sites](#)

A. Jonas / P. Ferschin / I. Kulitz

[Anmerkungen zur Wahrnehmungstheorie — oder warum wir Dinge deshalb visualisieren, damit sie niemand wahrnimmt](#)

W. Knoll / W. Zöller

[4D Visualization Methods in Archaeology](#)

I. Kulitz / P. Ferschin / P. Matejowski

[The role of culture in the profiles of cities and regions](#)

F. G. Kurzhals

[Intra-Site Analysis using 3D-GIS – I](#)

U. Lieberwirth

[Intra-Site Analysis using 3D-GIS – II](#)

U. Lieberwirth

[The range of application for Scanners and Processing](#)

S. Linsinger

[The development of specially designed hardware and software for the recording of fragile objects and large scale heritage sites in two and three dimensions](#)

A. Lowe

[What's the difference?](#)

K. Lund

[Legislation and Art Dealing following the Ratification of the 1970 UNESCO Convention: The Situation in Switzerland and Great-Britain](#)

A. Maget

[Kirchliche Kunst in Kärnten: bewahren, retten](#)

E. Mahlke

[EU Culture Program](#)

T. Mastrominas

[Project of the Government of the Republic of Croatia and the Council of Europe Development Bank "Research, Reconstruction and Revitalization of the Cultural Heritage of Ilok-Vukovar-Vučedol" - from 2005 to 2008](#)

J. Mesic

[From drawing to vision: the use of Mesopotamian architecture through the construction of its image](#)

M. G. Micale

[The OWINBO \(Old Wine In New BOTTles\) project](#)

V. Mom

[Laundering Antiquities of Illegal Origin: Germany's Struggle against Ratifying the UNESCO Convention of 1970](#)

M. Müller-Karpe

[Two predictive Models for the areas of Brandenburg and Nordrhein–Westfalen \(Germany\)](#)

U. Münch

[Nimrud Citadel Project and the Virtual Site Museum](#)

S. M. Paley

[Saving Antiquities for Everyone \(SAFE\): an American non-profit organization](#)

S. M. Paley / C. Ho

[Kirchliche Kulturgüter zwischen musealem Wert und lebendiger Liturgie und Spiritualität](#)

G. Pirich

[GIS as a Tool in Landscape Archaeology. The Case Study of Early Celtic "Princely Sites" in Middle Europe](#)

A. Posluschny

[New Vision University Museums as the centre of Cultural Heritage in the Era of New Technology](#)

N. Rashid

[From the Project Idea To Project Funding – Hints to make money from EU budget](#)

S. Russegger

[Kirchlicher Kulturgüterschutz in der Diözese Feldkirch](#)

E. Schallert

[Kirchliche Kunst in der Erzdiözese Wien](#)

H. Schreiber

[Looted, Stolen and Destroyed. The World Heritage of Mesopotamia in a historical perspective](#)

G. J. Selz

[Project of the Government of the Republic of Croatia and the Council of Europe Development Bank "Research, Reconstruction and Revitalization of the Cultural Heritage of Ilok-Vukovar-Vučedol" - from 2005 to 2008](#)

B. Šulc

[The UNESCO-Convention of 1970: An Austrian Archaeological Perspective](#)

H. D. Szemethy

[An improved stratigraphy based on laserscan survey](#)

G. Verdiani / S. Di Tondo

[Archaeology 2.0. New possibilities for on-line archaeological communication](#)

T. Vereenoghe / B. Lauwers / J. Claeys / J. Decorte / N. van Kemseke / J. Vermeersch

[Funding scenery for cultural heritage and cultural affairs](#)

W. Vevera

[Spirit of the city – Belgrade](#)

M. Vukanovic

[Thoughts in an effective workflow for digitised documentation](#)

D. Westermann / T.-J. Müller

[Impact of new Cultural Property Transfer Act \(CPTA\) in Switzerland](#)

B. Widmer

[Time is money – Archaeology goes High-Tech](#)

C. Wollmann / D. Fichtmüller

[Beyond the GIS: a place for ideas](#)

E. Zanini / S. Costa

[Kulturgüterschutz in der Katholischen Kirche in Österreich](#)

Ä. J. Zsifkovics

[Autorenverzeichnis / Index of authors](#)

[Impressum / Imprint](#)
