

Table of contents

Preface	VII	Infraorder Yangochiroptera	69
Characterization	1	Superfamily Noctilionoidea	69
Appearance	1	Family Noctilionidae	69
Skin	1	Family Mormoopidae	70
Skull	3	Family Phyllostomidae	72
Dentition	5	Subfamily Phyllostominae	72
Post-cranial skeleton	6	Subfamily Lonchophyllinae	77
Muscular System	7	Subfamily Brachyphyllinae	78
Brain and Spinal Cord	7	Subfamily Phyllonycterinae	79
Sense Organs	7	Subfamily Glossophaginae	80
Digestive System	8	Subfamily Carolliinae	83
Circulatory System	8	Subfamily Stenodermatinae	85
Urinogenital System	8	Subfamily Desmodontinae	94
Ecology	9	Superfamily Vespertilionoidea	94
Distribution	12	Family Natalidae	95
Phylogeny	14	Family Furipteridae	96
Systematics	17	Family Thyropteridae	96
Suborder Megachiroptera	18	Family Myzopodidae	96
Family Pteropodidae	18	Family Vespertilionidae	97
Subfamily Pteropodinae	18	Subfamily Kerivoulinae	97
Suborder Macroglossinae	37	Subfamily Vespertilioninae	100
Suborder Microchiroptera	40	Subfamily Murinae	131
Suborder Yinochiroptera	40	Subfamily Miniopterinae	133
Superfamily Emballonuroidea	40	Subfamily Tomopeatinae	135
Family Rhinopomatidae	40	Family Mystacinidae	135
Family Craseonycteridae	41	Family Molossidae	135
Superfamily Rhinolophoidea	48	Skull photographs	147
Family Nycteridae	49	Table 1. Characters of Families	189
Family Megadermatidae	50	Table 2. Dental formulae of genera of bats	190
Family Rhinolophidae	52	Table 3. Forearm lengths for the genera of bats	190
Subfamily Rhinolophinae	52	Literature	192
Subfamily Hipposiderinae	60
