2 Attitude	54
3 Communication and Co-operation Abilities	55
4 Self-acting and Self-sufficiency	56
5 We-feeling	56

III. Instructional Aspects	58
1 Instructors in Gymnastics	58
1.1 Spotting and Securing through Children	58
1.2 Care and Supervision Duties	59
2 Method – Learning Paths for Qualified Spotting, Accompanying and Securing: Explanations	61
2.1 First Level: Fundamentals and Prerequisites	63
Long-term Fundamental Work	63
Creating Prerequisites before Start of the Lesson	63
2.2 Second Level: Learning of Simple Spotting	64
2.3 Third and Fourth Level: Spotter Grips and Actions	65
Introduction to Spotter Grips	65
Application of the Learned	65
Learning how to Execute Complex Spotter Actions	66
2.4 Fifth Level: Executing Movement Accompaniment	66
2.5 Sixth Level: Ability to Secure	68
B PRACTICE ... for Consultation	69
I. Teaching and Learning	69
1 First Step: Creation of Basics and Prerequisites	69
1.1 More than 100 Games and Exercise Forms for the With-each-other	71
Age Sections and Game Forms	71
Getting to Know Each Other and Contact Games	71
Eye Contact	74
Body Contact	75
Adaptation to the Partner	80
Adapting to Movements	82
Getting Acquainted with the Body Weight	85
Responsibility and Trust	89
Exercises with Eyes Closed	90
Carry Exercises	91
Communication and Co-operation	93
Co-operative Catching Games	97
Learn to Listen	98
1.2 Reaction Games and Games to Awaken Attentiveness	99
1.3 Partner and Group Acrobatics	104
Fundamentals	104
Basic "Bench" Position	106

	Double Bench Pyramids and More	107
	Bench Positions with Kneeling Upper Person	111
	Bench Positions with Standing Upper Person	111
	Push-up Acrobatics	113
	Lying Bottom Position	115
	Climber onto the "Chair"	118
	Mounting onto the Thighs: Galleons Figure	119
	Mounting to Shoulder Sit and Standing above Each Other	119
2	Second Level: Simple Spotting	123
	Balance Apparatuses	123
	Hang- and Support Apparatuses	124
	Vaulting Apparatuses	125
	Floor and Gymnastics Skills	126
	Partner and Group Acrobatics	128
3	Third and Fourth Level:	
	Introduction to the Technique of Spotter Grips	131
3.1	With Regard to the Methodical Procedure	131
	General Methodical Course within a Lesson	131
3.2	Practical Lesson Examples for the Introduction of Spotter Grips	133
	First Example: From Handstand against the Wall	
	to Handstand Forward Roll in Movement Connection	134
	Second Example: Pull-over on the Bars	137
	Third Example: Support Grip for a Squat Vault over a Box	141
	Application in the Apparatus Circuit "Low Bar – Floor – Vault"	148
4	Securing	151
	Game Form	151
	Balance Apparatuses	152
	Different Apparatuses	153
II.	Spotter Grips and Conduct	155
1	Floor Exercise	157
	Straight Jump	157
	Cat Leap, Scissor-, Stride- and Split Leap	157
	Forward Roll	158
	Backward Roll	159
	Headstand	159
	Kick Up to Handstand	160
	Handstand Forward Roll	160
	Backward Roll to Handstand	162

	Cartwheel	162
	Round-off	162
	Front Handspring Including Front Walk-over and Front Handspring Step-out	164
	Back Handspring: Flick-Flack and Back Handspring Step-out, Back Walk-over and Valdez	165
	Side Aerial	167
	Front Aerial	169
	Front Flip	169
	Back Flip	170
2	Vaulting Apparatuses for Supported Vaults	171
	Kneel On, Squat On, Squat Vault	171
	Straddle On, Straddle Vault and Pike Vault	173
	Tucked Wende onto and over the Box	173
	Fencer Vaults	174
	Neck Kip, Head Kip and Piked Front Handspring (Yamashita)	174
	Front Handspring	176
3	Mini-tramp	179
	Straight Jumps	179
	Jumps onto and over a Box (Panel Mats)	179
	Securing the Landing	179
	Front Flip	180
	Turn-over Forward Tucked and Turn Grip Forward	180
	Back Flip	184
	Turn-over Backward Tucked with Spotter Grip: Turn Grip Backward ..	184
4	Hang and Support Apparatuses	189
	(Including Climbing Poles and Ropes)	189
	Hanging and Swinging	189
	Chin-up on Hang Apparatuses	189
	Climbing Up the Rope	189
	Front Support	189
	Jump to Front Support	190
	Swinging in Front Support on Parallel Bars	190
	Kehre on Parallel Bars	190
	Wende on Parallel Bars	191
	Circular Tuck Wende on Parallel Bars	191
	Slide Down Forward from Front Support into Hang (-Stand)	191
	Turn-over Backward	191

Turn-over Backward on High Hang Apparatus (High Bar, Rings, Trapeze)	192
Turn-over Forward	192
Turn-over Forward from an Elevation into a (Brief)	
Piked, Inverted Kip Hang on Rings	192
Pull-over	192
Pull-over on the Trapeze	193
Long-hang Pull-over on High Bar and High Trapeze	193
Clear Hip Circle to Support, Hang and Handstand on a Bar at Head Height	195
Back Hip Circle	195
Front Hip Circle	195
Swinging in Knee Hang on a Bar	195
Seat Up-swing from a Knee Hang	196
Seat Circle	196
Front Stride Circle/ "Mill Circle"	197
Knee Up-swing	197
Knee Hang	198
Swinging in Knee Hang	198
Knee Hang Swing Dismount "Napoleon"	198
Knee Hang Swing Dismount off the Trapeze	199
Knee Hang Swing Dismount off the Low Bar on the Uneven Bars, with Grip on the High Bar	199
Under-swing from Standing Position, on the Uneven Bars over the Low Bar and from Front Support	199
Sole Circle Dismount	200
Leg Lift over the Bar to a Sit	201
One or Two Legged Stem Rise on Uneven Bars	201
Stem Rise from a Long Hang Sit on the Low Bar with Grip on the High Bar	201
Lowering Backward into Inverted Kip Hang and Reverse Kip to a Sit on Uneven Bars	202
Kip Up to Straddle Sit, Upper Arm Kip and Upper Arm Roll on Parallel Bars	202
Elgrip Kip	202
Kehre with 1/4 Turn from Inverted Hang	203
Kip from Inverted Hang or Drop Kip from Front Support back to Front Support	203

Suspension- and Long Hang Kip on Uneven Bars	203
Glide- and Long Hang Kip on High Bar, Uneven Bars and Parallel Bars	203
Upper Arm Stand on Parallel Bars	204
Back Swing to Handstand on Parallel Bars	204
Dislocate from an Inverted Piked Hang/Kip Hang to Long Hang on Swinging Rings	204
5 Balance Apparatuses	207
Gymnastics Elements on the Beam:	207
- Forward Roll	207
- Free Forward Roll	209
- Scissor Handstand and Handstand	209
- Cartwheel	209
Mounts from a Side Stand:	210
- Front Support and Lifting of One Leg over with a Turn to Cross Sit ..	210
- Tuck Wende onto the Beam	210
Mounts from Cross Stand:	210
- Squat On, Straddle On, Squat Through to Sit, One Legged Squat Through to Sit	210
- Squat On from Cross Stand at the End of the Beam	210
- Squat On from Cross Stand without Support of the Hands	211
- Run On from Cross Stand	211
Mounts from Diagonal Stand:	211
- Run On with Support of One Hand from Diagonal Stand	211
- Unsupported Run On from a Diagonal Stand	211
Dismounts:	213
- Jump Downs	213
- Round-off	213
- Front Handspring	213
- Front Flip	214
- Back Flip	214
- Side Aerial to Landing with Legs Together	214
- Front Aerial Off Beam	214
