PUGGY'S love for Ice Cream

G. K. Stark

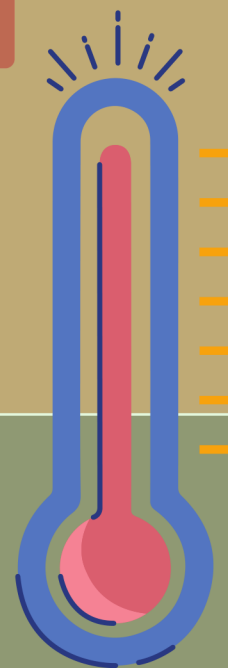

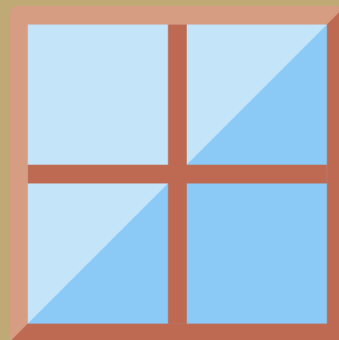

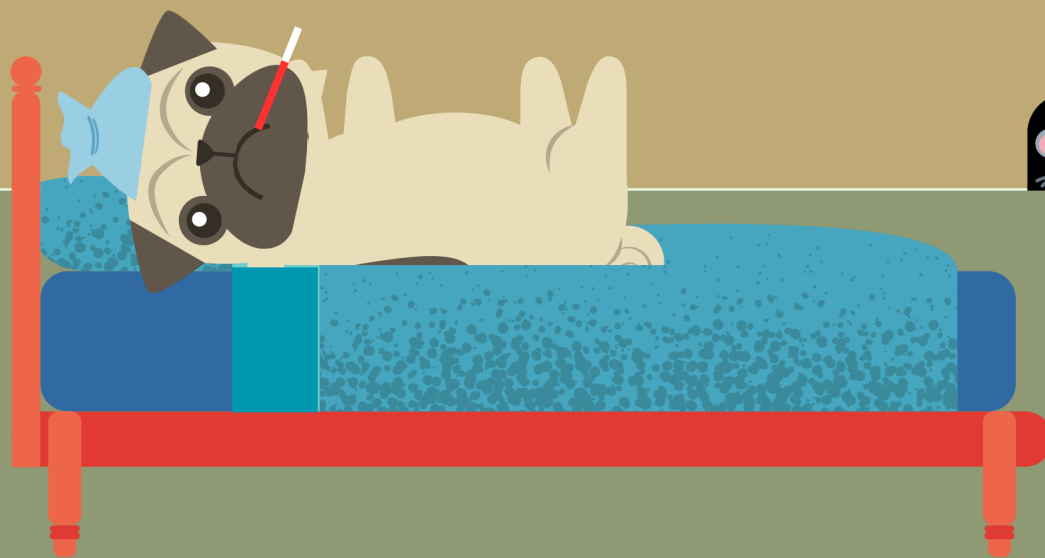

In a cozy little house, near the woods, so green.
Lived a little pug named Puggy, the cutest you've seen.
He loved to play, run, and jump around.
And when he saw ice cream, his tail would pound!

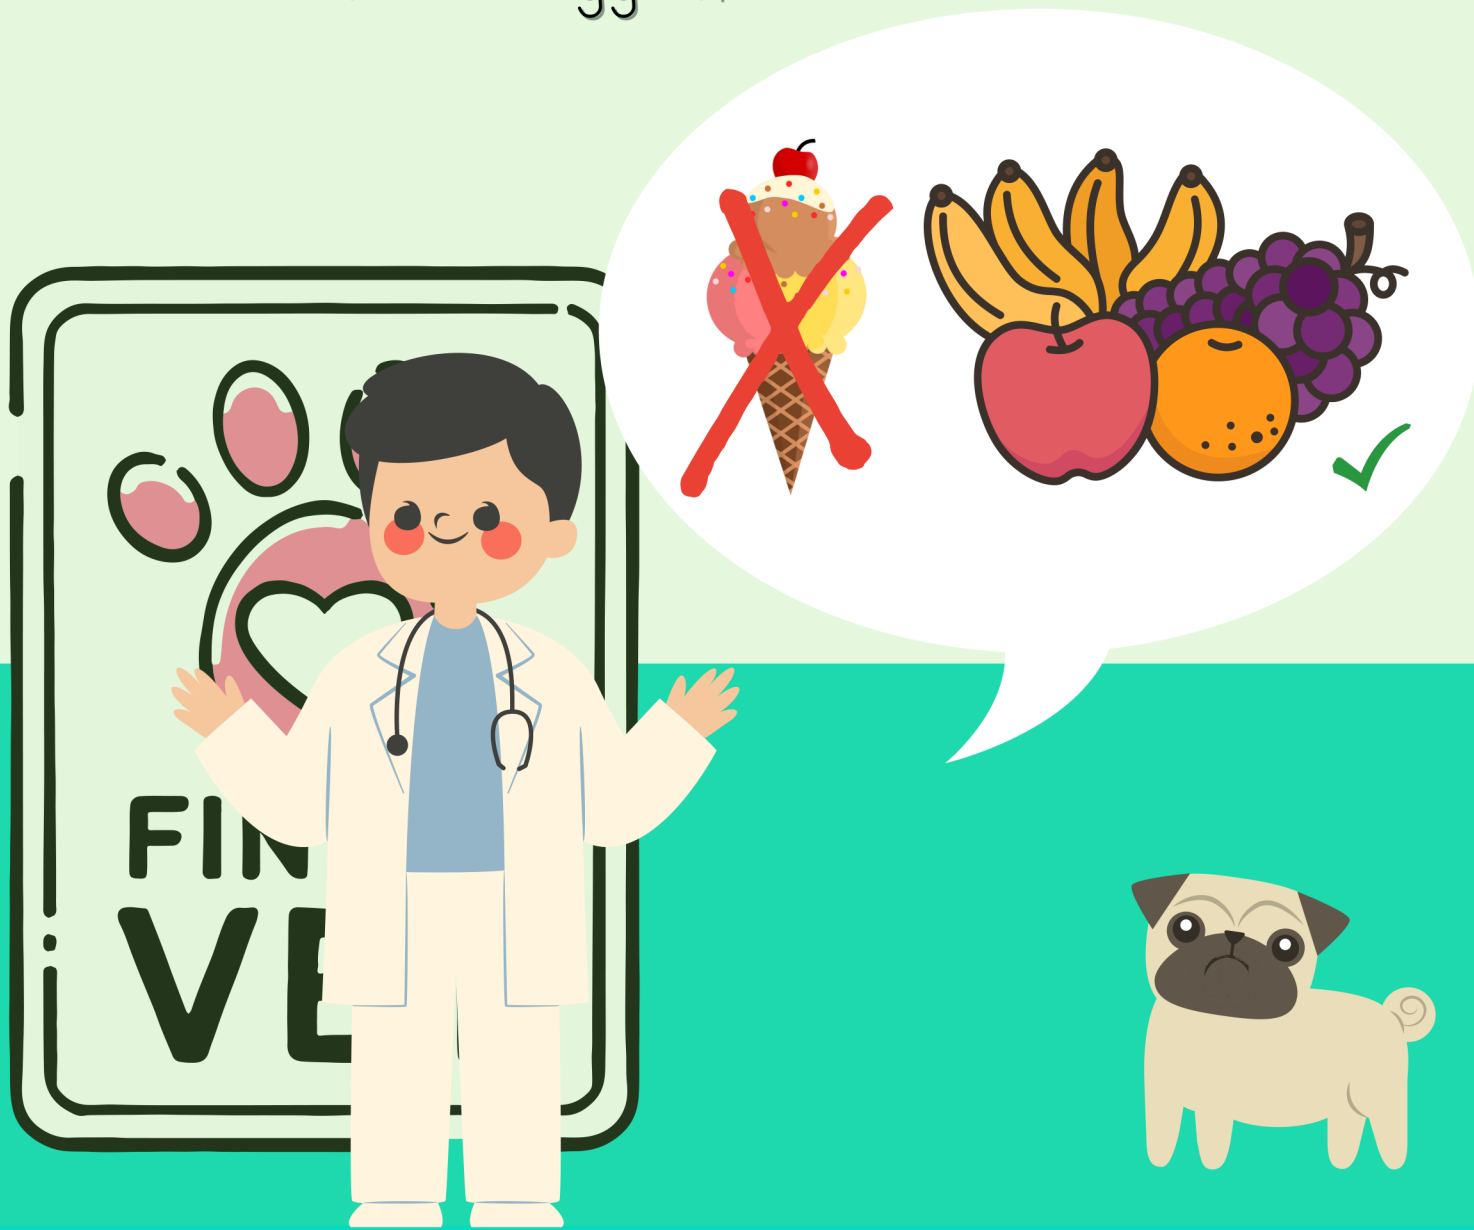

One day, he saw a boy with a cone so sweet.
He licked it up and it was quite a treat.
From that day on, Puggy loved ice cream.
He'd bark and wag and it was quite a scene!

But too much of a good thing can make you sick.
Puggy ate too much and his tummy felt thick.
He knew he had to take care of himself.
And see the vet, to put his health on the shelf.

The vet said, "Puggy, you must eat right.
Healthy foods will make you strong, day and night".
Puggy was sad, but he knew what he had to do.
He ate fruits and veggies, which made him feel anew!

He learned to love carrots, apples, and more,
And when he had ice cream, it wasn't like before.
He knew that treats were just a little bit,
And healthy food made him feel fit!

The end.
