Code of Ethics for Professional Accountants

End-of-Chapter Summary Problem

Chapter 2: Recording Business Transactions

Spotlight: Daimler AG

Explain what a Business Transaction is

Keep Track of Financial Statement Items

Assets

Liabilities

Equity

Analyze the Impact of Business Transactions on Accounts

Example: RedLotus Travel, Inc.

Transactions and Financial Statements

Mid-Chapter Summary Problem

Double-Entry Accounting

The T-Account

Increases and Decreases in the Accounts: The Rules of Debit and Credit

Additional Shareholders Equity Accounts: Income and Expenses

Record (Journalize and Post) Transactions in the Books

Copying Information (Posting) from the Journal to the Ledger

The Flow of Accounting Data

Accounts after Posting to the Ledger

Construct and Use a Trial Balance

Analyzing Accounts

Correcting Accounting Errors

Chart of Accounts

The Normal Balance of an Account

Account Formats

Analyzing Transactions Using Only T-Accounts

End-of-Chapter Summary Problem

Chapter 3: Accrual Accounting

Spotlight: Richemont

Table of Contents

Explain how Accrual Accounting Differs from Cash-Basis Accounting

Accrual Accounting and Cash Flows

The Time-Period Concept

Apply the Revenue and Expense Recognition Principles

The Revenue Recognition Principle

The Expense Recognition Principle

The Matching Concept

Ethics in Business and Accounting Decisions

Mid-Chapter Summary Problem

Adjust the Accounts

Which Accounts Need to Be Updated (Adjusted)?

Categories of Adjusting Entries

Prepaid Expenses

Unearned Revenues

Accrued Expenses

Accrued Revenues

Depreciation of Property, Plant and Equipment

Summary of the Adjusting Process

The Adjusted Trial Balance

Prepare Updated Financial Statements

Close the Books

End-of-Chapter Summary Problem

Chapter 4: Presentation of Financial Statements

Spotlight: BASF

Appreciate the Role of Annual Reports as a Communication Tool

Substance Over Style

Obtaining Annual Reports

Typical Structure of an Annual Report

Corporate Information

Analysis and Commentaries

Other Statements and Disclosures

Financial Statements

Know the General Presentation Requirements of Financial Statements

Complete Set of Financial Statements

Fair Presentation and Compliance with IFRS

Going Concern

Table of Contents

Accrual Basis of Accounting

Materiality and Aggregation

Offsetting

Frequency of Reporting

Comparative Information

Consistency of Presentation

Notes to the Accounts

Mid-Chapter Summary Problem

Understand the Presentation Requirements for Statement of Financial Position

Understand Presentation Requirements for Statement of Comprehensive Income

Understand Presentation Requirements for Statement of Changes in Equity

Evaluate a Company's Short-Term Liquidity

Current Ratio

End-of-Chapter Summary Problem

Chapter 5: Internal Control, Cash, and Receivables

Spotlight: LEGO

Understand the Role of Internal Controls and Corporate Governance

Fraud and Its Impact

Ethics in Business and Accounting Decisions

Internal Control

The Sarbanes-Oxley Act (SOX)

Internal Control Procedures

The Limitations of Internal Control Costs and Benefits

Apply Internal Controls over Cash Receipts and Cash Payments

Internal Control Over Cash Receipts

Internal Control Over Cash Payments

Prepare and Use a Bank Reconciliation

Preparing the Bank Reconciliation

Online Banking

Using a Budget to Manage Cash

Reporting Cash on the Balance Sheet

Mid-Chapter Summary Problem

Account for Receivables and its Potential Impairment

Types of Receivables

Internal Controls over Cash Collections on Account

How Do We Manage the Risk of Not Collecting?

Table of Contents

Accounting for Uncollectible Receivables

Allowance Method

Direct Write-Off Method

Computing Cash Collections from Customers

Accounting for Notes Receivable

How to Speed Up Cash Flow

Evaluate a Companies Ability to Collect Receivables

End-of-Chapter Summary Problem

Chapter 6: Inventory and Merchandising Operations

Spotlight: Fast Retailing

Understand the Nature of Inventory and Retailing Operations

Sale Price vs. Cost of Inventory

Basic Inventory Relationship

Record Inventory-Related Transactions

Inventory Systems

Recording Transactions in the Perpetual System

Understand and Apply Different Inventory Cost Assumptions

Effects of FIFO, LIFO, and Average Cost on Cost of Goods Sold, Gross Profit, and Ending Inventory

Comparison of the Inventory Methods

Mid-Chapter Summary Problem

Other Inventory Issues

Analyze Effects of Inventory Errors

Evaluate a Companies Retailing Operations

Analyzing Financial Statements

End-of-Chapter Summary Problem

Chapter 7: PPE and Intangibles

Spotlight: Airbus Group

Understand the Different Types of Long-Term Assets

Property, Plant and Equipment (PPE)

Intangible Assets

Other Non-Current Assets

Determine the Cost of PPE on Initial Recognition

Recognition of PPE and Intangible Assets

Measurement of PPE on Initial Recognition

Table of Contents

Land and Land Improvements

Buildings, Machinery, and Equipment

Lump-Sum (or Basket) Purchases of Assets

Understand when to Capitalize or Expense Subsequent Costs

Subsequent Costs

Measure and Record Depreciation

How to Allocate Depreciation

Depreciation Methods

Comparing Depreciation Methods

Choosing a Depreciation Method

Mid-Chapter Summary Problem

Prepare Cash Flows from Operating Activities Using the Direct Method

Compute Operating Cash Flows by the Direct Method

Evaluate a Company's Ability to Generate Cash Flows

Free Cash Flow

Cash Realization Ratio

Examining Cash Flow Patterns

End-of-Chapter Summary Problem

Chapter 12: Financial Statement Analysis

Spotlight: Nestlé

It Starts with the Big Picture

Perform Basic (Horizontal and Vertical) Analysis on Financial Statements

Horizontal Analysis

Trend Analysis

Vertical Analysis

Prepare Common-Size Financial Statements

Benchmarking

Mid-Chapter Summary Problem

Perform Financial Ratio Analysis to Make Business Decisions

Table of Contents

Efficiency Ratios

Financial Strength Ratios

Profitability Ratios

Investment Ratios

Putting It All Together

Using the Statement of Cash Flows

Use Other Information to Make Investment Decisions

Economic Value Added (EVA®)

Other Issues in Financial Statement Analysis

Limitations of Ratio Analysis

Red Flags in Financial Statement Analysis

End-of-Chapter Summary Problem

Glindex

Company Index
