This booklet is a must for every football coach. No matter in which league you and your team play. Whether youth football, men's football or women's football. Plan your next game thoroughly ahead.

Which players are available? Which line-up do you choose? How would you like to play? This manual is not only ideal for preparing for a game, but also for post-processing. Record the formation and tactics played to train more specifically and effectively. In stylish softcover design.

Because after the game is before the game!
