

Table of Contents

List of participants and contributors	III
Introduction	V
Preface	VII
Laursen, G.A. The Third International Symposium on Arcto-Alpine Mycology, Svalbard, Norway, August 10–19, 1988	VII
Miller, H. The Fourth International Symposium on Arcto-Alpine Mycology, Lanslebourg, France, August 24–September 4, 1992	VIII
Miller, H. ISAM–IV Business Meeting	X
Huhtinen, S. Paavo Kallio – In memoriam	1
Bendiksen, E., T.E. Brandrud, K. Bendiksen & H. Lindström A study of the <i>Cortinarius helobius</i> -complex, with special emphasis on arctic-alpine material	3
Dissing, H. Two new species of Discomycetes (order Pezizales) from Graubünden, Switzerland	17
Durrieu, G. & M.K. Adhikari Distribution of some groups of plant parasitic fungi in high mountains	23
Fellner, R. & J. Landa Some species of Cortinariaceae and Russulaceae in the alpine belt of the Belaer Tatras – I	33
Graf, F. & E. Horak Taxonomy and ecology of a new hypogeous Basidiomycete, <i>Hymehogaster saliciphilus</i> sp. nov., from the alpine zone of the Grisons (Switzerland)	39
Holm, K. & L. Holm Dryadicolous Ascomycetes from Svalbard	53
Horak, H. <i>Entoloma</i> in the alpine zone of the Alps: 1. Revision of the taxa described by J. Favre (1955) 2. New records from the Swiss National Park and other locations in the Alps	63
Huhtinen, S. New or less known hyaloscyphaceous fungi from the Canadian timberline	93
Jalink L.M. & M. Nauta The mycoflora of the Falkland Islands – I. Introduction and preliminary results	105
Kalamees, K. & M. Vaasma Mycobiota of alpine and subalpine sites of Kamchatka	121
Knudsen, H., N. Hallenberg & V. A. Mukhin A comparison of wood-inhabiting basidiomycetes from three valleys in Greenland	133

Knudsen, H. & D. Lamoure	
Notes on <i>Lactarius dryadophilus</i> Kühn. and <i>L. groenlandicus</i> Terkelsen	147
Lamoure, D.	
Nuclear behavior in some omphaloid fructifications of the Basidiolichens <i>Botrydina</i> and <i>Coriscium</i>	155
Miller, O.K.	
Observations on the genus <i>Cystoderma</i> in Alaska	161
Moser, M. & M. Rameseder	
An alpine <i>Collybia</i> species associated with <i>Loiseleuria procumbens</i> : <i>Collybia</i> <i>loiseleurietorum</i> spec. nov.	171
Ohenoja, E. & M. Ohenoja	
<i>Lactarii</i> of the Franklin and Keewatin Districts of the Northwest Territories, Arctic Canada	179
Petrini, L.E. & O. Petrini	
Xylariaceae of the Arctic and Alpine areas of Europe	193
Raitviir, A.	
List of alpine and subalpine Hyaloscyphaceae from Central Asia	201
Schumacher, T.K.	
Ecology and Distribution of the Genus <i>Scutellinia</i> in Norway	215
Senn-Irlet, B.	
The mycoflora of Alpine mire communities rich in <i>Salix</i>	235
Stephenson, S.L. & G.A. Laursen	
A preliminary report on the distribution and ecology of Myxomycetes in Alaskan tundra	251
Index to fungal genera	259
Index to fungal species	263
