SECTION I: MICROANATOMY, PHYSIOLOGY AND METABOLISM OF THE FALLOPIAN TUBE

1 Fallopian Tube Anatomy, Microanatomy, Microcirculation and Counter-current Exchange <i>C.J. Verco</i>	3
2 In Vivo and In Vitro Behaviour of Human Tubal Epithelial Cells: Their Relevance to Assisted Reproduction <i>A. Bongso, C.-Y. Fong, S.-C. Ng and S. Ratnam</i>	17
3 Fallopian Tube Epithelial Cell Culture <i>O. Djahanbakhch, E. Kervancioglu, S.D. Maguiness and J.E. Martin</i>	37
4 Biochemistry of Tubal Secretions <i>H.J. Leese, I.A. Brewis, L.J. Edwards, S.M. Gray, L.S. Skiera and R.M.L. Winston</i>	53
5 Oviduct Proteins <i>S.D. Maguiness, K. Shrimanker, O. Djahanbakhch and J.G. Grudzinskas</i>	63
6 Gamete Transport and Fertilisation <i>C.L.R. Barratt, M. Williams and M.A. Warren</i>	77

SECTION II: TUBAL ENDOSCOPY

7 Transcervical Tubal Endoscopy: Falloposcopy <i>J.F. Kerin</i>	95
8 Transabdominal Tubal Endoscopy <i>O. Djahanbakhch and S.D. Maguiness</i>	111

9 Transabdominal Salpingoscopy: The Significance of Mucosal Lesions in Infertility <i>I.A. Brosens</i>	121
 SECTION III: DIAGNOSIS AND TREATMENT OF TUBAL DISEASE	
10 Proximal Tubal Disease: Diagnosis and Endoscopic Treatment <i>N. Gleicher</i>	133
11 Transcervical Tubal Cannulation in the Diagnosis and Treatment of Tubal Obstruction <i>A.S. Thurmond</i>	151
12 Laser Technology: Endometriosis and Tubal Surgery <i>C. Sutton</i>	157
 SECTION IV: PELVIC INFLAMMATORY DISEASE	
13 Pelvic Inflammatory Disease – An Overview <i>J.M. Pearce</i>	171
 SECTION V: SURGICAL TECHNIQUES FOR FEMALE STERILISATION	
14 Novel Techniques in Tubal Contraception <i>K. Wamsteker, S. de Blok, M.H. Emanuel and C.G.W.A. Stappers-de Kuijer</i>	183
15 The Consequences of Surgical Tubal Occlusion <i>G.M. Filshie and G. Robinson</i>	197
 SECTION VI: GAMETE AND EMBRYO TRANSFER INTO THE FALLOPIAN TUBE	
16 Transabdominal Gamete Intrafallopian Transfer <i>J. Yovich</i>	213
17 Transvaginal Gamete Intrafallopian Transfer <i>R.P.S. Jansen and J.C. Anderson</i>	229
 SECTION VII: DIAGNOSIS AND TREATMENT OF ECTOPIC PREGNANCY	
18 Early Diagnosis of Ectopic Pregnancy <i>B. Cacciatore, P. Ylöstalo and M. Seppälä</i>	241
19 Management of Tubal Pregnancy–Transabdominal <i>V. Gornel</i>	255

20 Non-surgical Approaches in Ectopic Pregnancy: Systemic Medical Treatment or Local Injection Therapy?

B. Lindblom 271

21 Transcervical Tubal Cannulation and Ectopic Pregnancy

F. Risquez, R. Forman and J.-R. Zorn 279

Subject Index 295
