

The background illustration depicts a busy emergency scene. A red helicopter with a water bucket is flying above a yellow brick building that has smoke and fire coming from its windows. Three firefighters in blue and yellow uniforms are on the ground; one is using a hose to spray water on the building, another is carrying a small white rabbit and a brown teddy bear, and a third is near a blue and yellow police car. A police officer in a blue uniform is standing by the open door of the car, which has a license plate that reads 'P6L-11087'. A small orange and white traffic cone is on the ground near the center.
