Introduction	1
Needle Size Equivalents	2
Segmental Therapy	3
The Segments of the Body (Head's Zones)	4
Internal Organs and Their Related Pain and Reactive Segments	6
Summary of the Principal Injection Points in the Segmental Treatment of the Disorders of the:	9
Segmental Therapy in Cardiac Disorders	10
Segmental Therapy in Cardiac Disorders	11
Segmental Therapy in Disorders of the Lungs	12
Segmental Therapy in Disorders of the Lungs	13
Segmental Therapy in Disorders of the Liver and Gallbladder	14
Segmental Therapy in Disorders of the Liver and Gallbladder	15
Segmental Therapy in Gastric Disorders	16
Segmental Therapy in Gastric Disorders	17
Summary of the Principal Injection Points on the Head (Anterior Aspect)	18
Summary of the Principal Injection Points on the Head (Lateral Aspect)	20
Frequently Used Injection Points on the Back of the Head, on Neck and Shoulders ...	22
The Lightning Reaction and the Search for an Interference Field	25
Technique	27
List of Injections	28
Head, Neck	28
Chest, Back, Abdomen, Pelvis	28
Extremities: Arms, Legs	29
Head, Neck	30
Injection to and into the Temporal Artery	30
Injection to the Upper Cervical Ganglion and the Retrostyloid Region	32
Injection to the Ciliary Ganglion	34
Injection to the Mandibular Nerve Near the Gasserian Ganglion	36
Injection to the Sphenopalatine Ganglion and the Maxillary Nerve	38
Injection to the Stellate Ganglion	40
Injection to the Stellate Ganglion (According to Herget)	42
Injection to the Stellate Ganglion (According to Leriche and Fontaine, as Modified by P Dosch)	44
Injection to the Stellate Ganglion (According to Reischauer)	46
Injection under the Scalp	50
Injection to the Mastoid Process	52
Injection to the Glossopharyngeal Nerve	54
Injection to the Infraorbital Nerve	56
Injection to the Superior Laryngeal Nerve	58
Injection to the Mental Nerve	60
Injection to the Occipital Nerve	62
Injection to the Phrenic Nerve C3–C5	64

Injection to the Lateral Supraorbital Nerve	66
Injection to the Deep Cervical Plexus C2–C4	68
Injection to the Superficial Cervical Plexus	70
Injection into the Thyroid	72
Injection to the Palatine Tonsil	74
Injection into the Adenoids (Pharyngeal Tonsil) and the Pharyngeal Hypophysis ..	76
Test Injections to the Teeth	78
Chest, Back, Abdomen, Pelvis	80
Injection to the Intercostal Nerves	80
Epidural Anesthesia	82
Injection into the Posterior Sacral Foramina	86
Injection to the Abdominal Sympathetic Chain (According to Vishnevski)	90
Injection to the Lumbar Sympathetic Chain	94
Injection into the Region of the Root of the Sciatic Nerve L3–L5	98
Injection to and into the Sacral Plexus	102
Presacral Infiltration According to Pendl	106
Injection into the Sacroiliac Joint	108
Injection to Frankenhäuser's Ganglia (Uterovaginal Plexus)	110
Injection into the Pelvic Region	112
Injection into the Epigastrium	114
Injection to Vogler's Points	116
Injection to the Xiphoid	118
Injection to the Pudendal Nerve	120
Injection into the Prostate	124
Injection into the Prostate (Suprapubic Injection According to Hopfer)	126
Extremities: arms, legs	128
Injection to and into the Brachial Artery	128
Injection to the Subclavian Artery	130
Injection into the Elbow Joint	132
Injection into the Wrist Joint	134
Injection into the Shoulder Joint	136
Injection to the Median Nerve	138
Injection to the Radial Nerve	140
Injection to the Ulnar Nerve	144
Ring-block Anesthesia of Fingers and Toes	146
Injection to the Brachial Plexus C5–T1	148
Injection to and into the Femoral Artery	152
Injection to and into the Posterior Tibial Artery	154
Injections into the Hip Joint	156
Injection into the Knee Joint	160
Injection into the Ankle Joint	162
Injection into the Joints of Fingers and Toes	164
Injection to the Lateral Cutaneous Femoral Nerve	166
Injection to and into the Femoral Nerve	168
Injection to the Fibular Nerve	170
Injection to the Obturator Nerve	172
Injection to the Tibial Nerve	174
Injection to the Trochanter Major	176
Quaddle Therapy	178

Intramuscular Infiltration	179
Quaddles in the Region of the Knee Joint	180
Quaddles in the Sacroiliac Region	182
Quaddles in the Parasternal Region	184
Quaddles to the Pelvic Region	186
Intravenous Injection	188
Injections into Scars	190
 Interference Fields in the Teeth and Jaws	 193
 Index	 211
