Snow, the loyal friend

Ben and Anna were siblings and loved spending time at the playground
One day, while playing on the playground, they discovered
a small puppy that looked lonely and lost. The puppy was
black with white paws and a white bib that looked like snow.

Ben and Anna decided to take the puppy home. The little dog ran after the siblings and happily wagged his tail. When they got home, they hid the puppy from her parents. They named the puppy Snow.
