

Contents

1	Introduction	1
1.1	Some Introductory Thoughts	1
1.2	The Structure of This Book	3
2	The Basics of Corporate Real Estate Management	5
2.1	Basics	5
2.2	The Term “Corporate Real Estate”	6
2.3	Conceptual Delimitations	8
2.3.1	Essential Real Estate vs. Non-Essential Real Estate	8
2.3.2	Industrial Real Estate and Corporate Real Estate	8
2.4	The Specific Characteristics of an Industrial Property	9
2.5	Corporate and Real Estate Strategies	11
2.6	The Marketability of Corporate Real Estate	13
2.7	Time Availability of Corporate Real Estate	16
2.8	User Satisfaction and Productivity as Key Performance Indicators	17
2.9	The Goals of Corporate Real Estate Management	17
2.10	Corporates’ Real Estate Portfolios	19
2.10.1	The Size of Corporate Real Estate Portfolios	19
2.10.2	The Composition of Corporate Real Estate Portfolios	19
3	The Basics of Project Development	23
3.1	Project Development—Conceptual Definition and Delimitation	23
3.2	The Objective of Project Development	24
3.3	The Project developer’s Environment and Role	25
3.4	The Project Development Process	26
3.5	The Initial Phase	27
3.5.1	Basics	27
3.5.2	Possible Constellations of Project Triggers	28
3.5.3	The Time Factor	29

3.6	The Conceptualization Phase	30
3.6.1	Basics	30
3.6.2	Market and Competition Analysis	32
3.6.3	Site Analysis	33
3.6.4	Analysis of the Production Concept	34
3.6.5	Risk Analysis	38
3.6.6	Profitability Analysis	44
3.7	The Concretization Phase	45
3.7.1	Basics	45
3.7.2	Building and Operating Permits	46
3.7.3	Engineering Planning Steps	46
3.8	The Importance of Project Development in Industrial Companies	47
4	The Basics of Industrial Location Theory	51
4.1	The Term Location	51
4.2	The Development of Location Theories	51
4.3	Location Strategy Concepts	53
4.4	International Market Entry	55
4.4.1	Market Entry Approaches for Industrial Companies	55
4.4.2	Case Study: Market Entry in the People's Republic of China	56
4.5	Site Favorability	57
4.6	Types of Location Factors	59
4.6.1	Basics	59
4.6.2	Objective and Subjective Location Factors	59
4.6.3	Once-Off and Continuously Acting Location Factors	60
4.6.4	The Operational and Functional Location Factors	60
4.6.5	Push and Pull Factors	64
4.6.6	The Quantitative and Qualitative Location Factors	65
4.6.7	Quantity-Related and Value-Related Location Factors	68
4.6.8	Macro-Location Factors and Micro-Location Factors	68
4.6.9	Case Study: Chemical Company BASF SE	70
5	The Location Criteria for Corporate Real Estate	75
5.1	Basics	75
5.2	Obtaining Information Relevant to the Analysis	76
5.2.1	Framework Conditions for Obtaining Information	76
5.2.2	Sources of Information	78
5.2.3	Case Study: Industrial Parks in the People's Republic of China	79
5.3	Key Manufacturing Location Factors	81

5.4	The Macro-Location Factors	81
5.4.1	Market Centrality	81
5.4.2	Location References	85
5.4.3	Political and Ethical Framework Conditions	87
5.4.4	The Legal System	89
5.4.5	The Financial, Tax and Customs System	90
5.4.6	The Socio-Economic Framework Conditions	91
5.4.7	The Socio-Cultural Framework Conditions	91
5.4.8	Climatic Conditions	92
5.4.9	Site-Critical Natural Events	93
5.5	Micro-Location Factors	94
5.5.1	The Location of the Site	94
5.5.2	Site References	95
5.5.3	Controlled Settlement Promotion	97
5.5.4	Potential Environmental Influences	99
5.5.5	Availability of Area	106
5.5.6	The Nature of the Property	110
5.5.7	Land Rights	113
5.5.8	Urban Land Use Planning and Building Legislation	123
5.5.9	Infrastructure Connections	128
5.5.10	External Development (Supra-Local Infrastructure Facilities)	131
5.5.11	Inner Development	135
5.5.12	Internal Infrastructure Distribution	141
5.5.13	Economic Aspects of a Property	141
5.5.14	The Land Price via the Residual Value	143
5.5.15	The Land Price via the Comparative Value	145
6	The Location Determination Methods for Corporate Real Estate	147
6.1	Basics	147
6.2	The Systematics of the Methods	148
6.3	Ordinal Values	149
6.4	The Qualitative Methods	150
6.4.1	Setting of Standards	150
6.4.2	The Checklist	151
6.4.3	The Pairwise Comparison	153
6.4.4	The Preference Matrix	154
6.4.5	The Classification Tree	158
6.5	The Quantitative Methods	162
6.5.1	Overview	162
6.5.2	The Utility Value Analysis	162
6.5.3	Rating as a Special Form of Utility Value Analysis	167

6.5.4	The Cost–benefit Analysis	171
6.5.5	The Cost-Effectiveness Analysis	175
6.6	Two Complementary Methods	179
6.6.1	The Sensitivity Analysis	179
6.6.2	The Scenario Analysis	180
7	The Site Assessment Process for Corporate Real Estate	185
7.1	Basics	185
7.2	The Time Factor of a Location Determination	186
7.3	The Process of Location Determination	188
7.4	The Phases of Location Determination	188
7.4.1	Subphase 1: Establishment of the Project Organization	188
7.4.2	Subphase 2: Basic Definition	190
7.4.3	Subphase 3: Regional Delimitation	193
7.4.4	Subphase 4: Regional Screening	194
7.4.5	Subphase 5: Long-Listing	195
7.4.6	Subphase 6: Shortlisting	196
7.4.7	Subphase 7: Site Visits	196
7.4.8	Subphase 8: Selection of Preference Sites	199
7.4.9	Subphase 9: Definition of the Preference Site	199
7.4.10	Subphase 10: Decision	200
7.5	Excursus: The Processes of Decision-Making	200
7.5.1	The Decision-Making Processes	200
7.5.2	The Principles of Cooperation During the Project	202
7.6	Amalgamation of the Overall Process	203
8	Site Determination in Practice: A Case Study	205
8.1	Basics	205
8.2	The Initial Situation	205
8.3	The Location Determination Process	206
8.3.1	The Project Organization	206
8.3.2	The Basic Definition	207
8.3.3	Regional Delimitation	209
8.3.4	Regional Screening	210
8.3.5	Long-Listing	212
8.3.6	Shortlisting	212
8.3.7	Site Visits	226
8.3.8	Selection of Preferred Sites	226
8.3.9	Definition of the Preference Site	229
8.3.10	The Decision	232

9	Summary	233
9.1	Basics	233
9.2	Dealing with Site Factors and Methods	234
9.3	A Recommendation for Action	239
9.4	Conclusion	241
Appendix 1: Complete List of Macro-Site Factors		243
Appendix 2: Complete List of Micro-Site Factors		251
Appendix 3: Assessment Tables According Cost-Effectiveness Analysis		267
Assessment of Qualitative Site Criteria		269
Assessment of Qualitative Site Criteria		271
Assessment of Qualitative Site Criteria		273
Assessment of Qualitative Site Criteria		275
Assessment of Qualitative Site Criteria		277
Assessment of Qualitative Site Criteria		279
Assessment of Qualitative Site Criteria		281
Assessment of Qualitative Site Criteria		283
Assessment of Quantitative Site Criteria Und Overall Assessment		285
References		287
