A photograph of a charming European street scene, likely in a Mediterranean or Italian setting. The image shows a narrow courtyard or street with a building on the left and a building on the right. The building on the left has a light-colored facade, a green lantern hanging from a bracket, and a window with green shutters and a red awning. In the foreground, there is outdoor seating with tables and chairs, some covered with white cloths. A green trash bin is visible near the entrance of the building on the right. The overall atmosphere is warm and inviting.

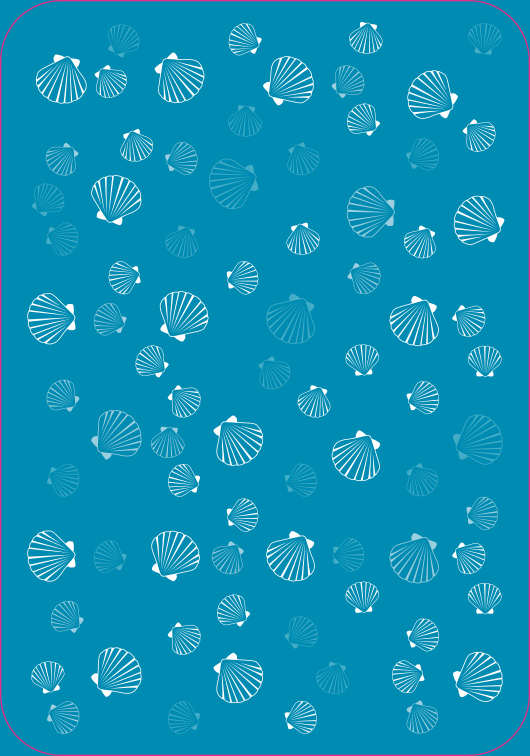

Mit jeder Reise
erfüllst du dir
einen Traum.

Die einzige Medizin,

Vitamin Sea

A vibrant, stylized illustration of a summer beach scene. At the top center is a large, light gray sun with radiating lines. Below it, a large blue coconut with a white drink and a blue straw is the central focus. To the left of the coconut is a red beach umbrella, and to the right is a blue beach umbrella. In the bottom left corner is a yellow cocktail glass with a straw and a lemon slice. In the bottom right corner is a red bottle. The background is white with scattered yellow and red stars. The entire scene is framed by a pink border.

Sommer, Sonne,

A person is swimming in clear, turquoise water. In the background, there is a steep, rocky cliff face. The scene is framed by a white circular area containing text.

Meermomente

Die *Wellen* und du,
mehr braucht es nicht.
