### Maze 29

A rectangular maze with a start circle at the top-left and an end circle at the bottom-right. The maze is composed of black lines forming a complex path. The path starts at the top-left circle and ends at the bottom-right circle. The maze is a single continuous path with no dead ends.

### Maze 30

A rectangular maze with a start circle at the top-left and an end circle at the bottom-right. The maze is composed of black lines forming a complex path. The maze is 20 units wide and 20 units high. The start circle is at (1, 1) and the end circle is at (19, 19). The maze is a single continuous path with no dead ends.
