Alpha-2 agonists 56–57, 442–3
3-methyl indole toxicity, see Atypical Interstitial Pneumonia
Abomasal ulcer, in White-tailed deer 407
Abundance, Deer in the United Kingdom 91
Actinomyces bovis, see Lumpy Jaw
Adenoviral Haemorrhagic Disease 297–298, 397
Adenovirus, see Adenoviral haemorrhagic disease
Aladdin's Slippers, see Hoof overgrowth
Anaesthesia, General see Restraint, Chemical
 Local 61
 Local, de-antlering 66
Analgesia 60–61
Anaplasma phagocytophilum, see
 Tick-borne fever
Anthelmintics 83–85, 438–440
 in Reindeer 388–389
Antimicrobials 436–437
Anthrax 205
Antlers 123–135
 Antleroma, see Antleroma
 Growth and casting 123–127
 Factors affecting growth 127–128
 Perruque, see Perruque
 Reindeer 128–131, 385
 Removal 131–132
 Removal, in Velvet 65–66
Antleroma 127
Aphthovirus, see Foot and Mouth Disease
Apteragia 235
Arthritis, Septic, see Septic Arthritis
Artificial Insemination 142–144

Aspergillosis, see Fungal disease
Atypical Interstitial Pneumonia 301–302
Aujeszky's Disease 206
Axis axis, see Axis deer
Axis deer 6–7, 70
Axis porcinus, see Hog deer

b

Babesia, see Redwater fever
Bacillus anthracis, see Anthrax
Barasingha deer 7–9, 70
Bartonella 362–363
Benzodiazepines 57, 446
Biochemistry 168–170
 of Reindeer, see Reindeer, Biochemistry
 of Muntjac, see Muntjac, Biochemistry
Black's disease, see Clostridial Disease
Bluetongue, see 206, 298–299
Bluetongue virus, see Bluetongue
Body Condition Score 83, 170
 of Reindeer, see Reindeer, Body Condition
Borrelia, see Lyme Disease
Botulism 279–280
Bovicola, see Lice
Bovine papular stomatitis, see Parapox Virus
Bovine Parainfluenza Virus 296–297
Bovine Viral Diarrhoea Virus 99–100, 146
Breeding, see Reproduction
Bronchopneumonia, of White-tailed deer 395–396
Brucella ovis, see Brucellosis
Brucella suis, see Brucellosis
Brucellosis 207–208
Butyrophenones 58, 445

C

Calicophoron daubneyi, see Fluke, rumen

Calving environment 82–83

Capreolus capreolus, see Roe deer

Capture, Netting 60

Physical 59–60

Principles 51–53

Capture Myopathy 53

in White-tailed deer 410–411

Casting (antlers), see Antlers, casting

Castration 65

Effect on antler cycle 126–127

Cephenemyia

auribarbis, see Nasal Bots

jellisoni, see Nasal Bots

phobifera, see Nasal Bots

ulrichii, see Nasal Bots

stimulator, see Nasal Bots

trompe, see Nasal Bots

Cerebrocortical Necrosis, see

Polioencephalomalacia

Cerebrospinal Nematodiasis 279, 286–291, 299

in Reindeer 389

Cervid Herpesvirus 146, 295–6

in Reindeer 390

Cervidpox virus 311

Cervus elaphus, see Red deer

Cervus elaphus canadensis, see Wapiti

Cervus nippon, see Sika deer

Chemical Restraint, see Restraint, Chemical

Chinese water deer, see Water deer

Chorioptes

bovis, see Mites

sweatmani, see Mites

texanus, see Mites

Chronic Wasting Disease 177–182

Clinical Signs 178

In Europe 179–181

Genetic susceptibility 178

In White-tailed deer 412

Chrysops, see Tabanids

Cleaning (antlers), see Antlers, cleaning

Closantel toxicity 346

Clostridial Disease 245–247

Clinical signs 246

Diagnosis 246

Enterotoxaemia 402

Management 246–247

in Reindeer 389

Treatment 246–247

Clostridium

botulinum, see Botulism

chauvoei, see Clostridial Disease

perfringens, see Clostridial Disease

novyi, see Clostridial Disease

perfringens, see Clostridial Disease

septicum, see Clostridial Disease

sordellii, see Clostridial Disease

tetani, see Tetanus

Cobalt, Deficiency 168

Coccidiosis, in White-tailed deer 404

Colibacillosis, in White-tailed deer 399

Conjunctivitis 340

Cooperia oncophora 235

Copper, Deficiency 168, 273–274, see also

Enzootic Ataxia

in Reindeer 390–391

Cornea, see Ophthalmic Examination, Cornea

Coronavirus 299, see also SARS-CoV-2

in White-tailed deer 398

Crush, see Restraint, Manual

Cryopreservation of Semen 142

Cryptosporidiosis 83, 252–255

in Reindeer 389

in White-tailed deer 406

Cryptosporidium parvum, see Cryptosporidiosis

Culicoides pulicaris 310

Culling 39, 72–73

d

Dama dama, see Fallow deer

Damalinia, see Lice

Darting 55–56

De-antlering, see Antler, Removal

Deer adenovirus A, see Adenoviral

haemorrhagic disease

Deer Parks 69–78

Demodex, see Mites

Dermatology 307–319, 413

Diagnostic imaging 66–67
