INTRODUCTION

1 Adolescent gambling	03
<i>Jeffrey L. Derevensky, Daniel T. L. Shek, and Joav Merrick</i>	
2 Understanding the etiology of youth gambling problems	07
<i>Rina Gupta and Jeffrey L. Derevensky</i>	
2.1 Introduction	07
2.2 Biology	07
2.3 Individual factors	08
2.4 Life experiences	09
2.5 Environmental factors	10
2.6 Theoretical frameworks	10
2.6.1 General theory of addictions	11
2.6.2 Pathways model	12

PREVALENCE OF YOUTH GAMBLING AND PROBLEM GAMBLING

3 An international perspective on youth gambling prevalence studies	21
<i>Rachel A. Volberg, Rina Gupta, Mark D. Griffiths, Daniel T. Ólason, and Paul Delfabbro</i>	
3.1 Introduction	21
3.2 United States of America	22
3.2.1 Early period (1984–1989)	22
3.2.2 Middle period (1990–1999)	29
3.2.3 Present period (2000–2009)	31
3.3 Canada	33
3.3.1 Early investigations (1988–1995)	33
3.3.2 Recent period (1999–2009)	34
3.4 Europe	36
3.4.1 Baltic and Balkan states	37
3.4.2 Germany and Belgium	38
3.4.3 Latin Europe	38
3.4.4 Great Britain	39
3.4.5 Nordic countries	40

3.5	Australia and New Zealand	43
3.5.1	Survey studies in Australia and New Zealand	43
3.5.2	Variations in activity preferences and individual differences	44
3.5.3	Links between adolescent and adult gambling.....	45
3.6	Conclusions	45

CORRELATES, RISK, AND PROTECTIVE FACTORS ASSOCIATED WITH YOUTH GAMBLING

4	Youth problem gambling: Our current knowledge of risk and protective factors.....	59
	<i>N. Will Shead, Jeffrey L. Derevensky, and Rina Gupta</i>	
4.1	Introduction	59
4.2	Demographic factors.....	61
4.3	Gender.....	61
4.4	Racial and ethnic groups.....	61
4.5	Personality	62
4.6	Impulsivity	62
4.7	Risk behavior	63
4.8	Coping styles.....	63
4.9	Mental health factors.....	64
4.10	ADHD	65
4.11	Academic achievement.....	65
4.12	Substance abuse	66
4.13	Delinquency	67
4.14	Interpersonal relationships	67
4.15	Peers	68
4.16	Community.....	69
4.17	Marketing	70
4.18	Societal influences.....	71
4.19	Conclusions.....	72
5	Defining and assessing binge gambling	79
	<i>Rina Gupta and Jeffrey L. Derevensky</i>	
5.1	Introduction	79
5.2	Background.....	80
5.3	Context	83
5.4	Our pilot study.....	83
5.4.1	Instruments.....	83
5.4.2	Data collection procedure.....	84
5.5	Our findings.....	84
5.5.1	Gambling participation and classification.....	84
5.5.2	Part A: Analysis of usefulness of questions	85
5.5.3	Part A: Scale reliability.....	86
5.5.4	Part B: Qualitative descriptors of binge gambling.....	87
5.5.5	Reasons why binges end.....	88

5.5.6	Episode duration	88
5.5.7	Length of time between episodes.....	89
5.6	Prevalence of binge gambling	90
5.7	Relationship of binge gambling to binge drinking and heavy alcohol use.....	90
5.8	Toward building a construct of binge gambling	91
5.9	Discussion	91
Appendix A	Modified binge gambling screen for adolescents and young adults.....	97
Appendix B	Quick binge gambling screen.....	97
6	Positive youth development and intention to gamble	99
	<i>Daniel T. L. Shek and Cecilia M. S. Ma</i>	
6.1	Introduction	99
6.2	Our experience.....	101
6.3	Our findings.....	102
6.4	Discussion	106
7	Relationship between positive youth development and intention to gamble among Chinese adolescents in Hong Kong.....	113
	<i>Daniel T. L. Shek and Rachel C. F. Sun</i>	
7.1	Introduction	113
7.2	Our research design	115
7.3	Our findings.....	116
7.4	Discussion	120
TECHNOLOGICAL CHANGES IN YOUTH GAMBLING		
8	Remote gambling in adolescence	125
	<i>Mark D. Griffiths, Jonathan Parke, and Jeffrey L. Derevensky</i>	
8.1	Introduction	125
8.2	Background.....	125
8.3	Empirical studies on adolescent Internet gambling	126
8.4	Online gambling-like experiences among adolescents	133
	8.4.1 Adolescent gambling via social networking sites	134
	8.4.2 Adolescent gambling via online penny auction sites.....	135
8.5	Adolescent gambling via mobile phone.....	136
8.6	Conclusions	137
ASSESSMENT TOOLS		
9	A critical review of adolescent problem gambling assessment instruments...	147
	<i>Randy Stinchfield</i>	
9.1	Introduction	147
9.2	South Oaks Gambling Screen—Revised for Adolescents (SOGS-RA)	153

9.3	DSM-IV-J and DSM-IV-MR-J (J = Juvenile) (MR = Multiple Response).....	157
9.4	Massachusetts Gambling Screen (MAGS)	159
9.5	Canadian Adolescent Gambling Inventory (CAGI)	160
9.6	Conclusions	161

TREATING YOUTH PROBLEM GAMBLERS

10	Treatment of adolescent gambling problems: More art than science?	167
	<i>Jeffrey L. Derevensky, Caroline Temcheff, and Rina Gupta</i>	
10.1	Introduction	167
10.2	Treating youth: The McGill treatment approach	170
10.3	Steps of treatment	172
10.3.1	Intake interviews	172
10.3.2	Therapy	174
10.3.3	Preparation for cessation of treatment and relapse prevention	180
10.4	Enhancing a social responsibility perspective	181
10.5	Concluding comments	182
11	Seeking help online: A new approach for youth-specific gambling interventions	187
	<i>Sally Gainsbury</i>	
11.1	Introduction	187
11.2	Internet use	188
11.3	Rationale for internet therapy and online interventions	189
11.4	Internet therapy and online interventions for adolescents	190
11.5	Internet therapy and online interventions for young adults	192
11.6	Internet therapy and online interventions for problem gambling.....	194
11.7	Conclusions	196
12	Adolescent problem gambling: Pharmacological treatment options	201
	<i>Jon E. Grant and Marc N. Potenza</i>	
12.1	Introduction	201
12.2	Pharmacotherapy	202
12.2.1	Opioid antagonists	202
12.2.2	Antidepressants	203
12.2.3	Glutamatergic agents	205
12.2.4	Mood stabilizers	206
12.2.5	Atypical antipsychotics	206
12.3	Conclusions	207

PREVENTION INITIATIVES

13	Youth gambling prevention initiatives: A decade of research	213
	<i>Jeffrey L. Derevensky and Rina Gupta</i>	
13.1	Introduction	213
13.2	Prevention programs	215

13.3	Abstinence versus harm reduction approach	216
13.4	Gambling as a socially acceptable activity	218
13.5	Harm-reduction prevention programs.....	218
13.6	Resilience	219
13.7	Current prevention programs.....	221
13.8	Commonalities and differences among programs	221
13.9	Gambling prevention programs	222
13.9.1	The Amazing Chateau (grades 4–7) and Hooked City (grades 7–12)	223
13.9.2	Youth Awareness and Prevention Workshops (Levels I & II)	223
13.9.3	Clean Break.....	223
13.9.4	Know Limits	223
13.10	Mental health.....	224
13.11	New directions	224
13.12	Prevention and social policy	225
14	Prevention of gambling problems in adolescents: The role of problem gambling assessment instruments and positive youth development programs.....	231
	<i>Daniel T. L. Shek and Rachel C. F. Sun</i>	
14.1	Introduction	231
14.2	Prevention of problem gambling in adolescents	232
14.2.1	Relevance of problem gambling assessment frameworks to adolescent problem gambling prevention	233
14.2.2	An alternative but complementary approach: Positive youth development.....	235
14.2.3	The development of positive youth development programs in Hong Kong.....	238
14.3	Discussion	239
ACKNOWLEDGEMENTS		
15	About the editors.....	247
16	The International Centre for Youth Gambling Problems and High-Risk Behaviors (Centre International d'étude sur le jeu et les comportements à risque chez les jeunes).....	249
	<i>Jeffrey L. Derevensky and Rina Gupta</i>	
16.1	Background.....	249
16.2	The context for the development of the International Centre for Youth Gambling Problems and High-Risk Behaviors	250
16.3	An international center.....	251
16.4	Research	252
16.5	Training and service	252
16.6	Treatment	253
16.7	Prevention and public awareness	253

16.8	Information dissemination.....	253
16.9	Policy development.....	254
17	About the Department of Applied Social Sciences, The Hong Kong Polytechnic University.....	255
18	About the National Institute of Child Health and Human Development in Israel	257
18.1	Mission	257
18.2	Service and academic activities.....	257
18.3	Research activities.....	257
18.4	National collaborations.....	258
18.5	International collaborations.....	258
18.6	Targets.....	259
