

Content

Preface	7
Acknowledgements	8
Chapter I Introduction	11
Taekwondo Research	12
Oregon Taekwondo Research Project	12
Chapter II Systematic Training in Taekwondo	24
Recovery and Taper-Off	33
Overtraining	40
Chapter III Periodization in Taekwondo	46
Peaking	46
General Plan	50
Annual Plan	53
Macro-Cycle	56
Micro-Cycle	58
Designing an Annual Plan	63
Chapter IV Training Endurance in Taekwondo	72
Energy Deliverance to the Working Muscles	72
Testing Endurance	76
Pre-Season	78
In-Season	90
Off-Season	95
Chapter V Training Strength in Taekwondo	97
Muscular Contractions	99
Types of Strength Training	100
Testing Strength	103
Results from Taekwondo Research	104
Strength Training Principles	106
Needs Analysis	108
Pre-Season	110
In-Season	121
Off-Season	123
Chapter VI Technique Training for Taekwondo Competition	127
Learning Taekwondo Techniques	128
Mechanical Principles	131

Results from Taekwondo Research	139
Comparison with Other Athletes	142
Guidelines for Technique Training	143
Periodization of Technique Training	145
Offense and Defense	148
Chapter VII Psychological Training for Taekwondo Competition ..	151
Competition Anxiety	153
Results from Taekwondo Research	155
Comparison with Other Athletes	158
Recommendations	160
Mood Profile	161
Results from Taekwondo Research	163
Comparison with Other Athletes	166
Recommendations	168
Psychological Skills to Enhance Performance	170
Periodization of Psychological Training	174
Chapter VIII Tactical Training for Taekwondo Competition	181
Fighting Distance	182
Exercises to Practise the Optimal Striking Distance	183
Different Kick for Different Striking Distance	187
Steps	190
Offensive and Defensive Maneuvers	196
Examples of a Tactical Plan	201
Training Guidelines for Tactical Preparation	203
Periodization of Tactical Training	206
Chapter IX Anatomy of Joints	210
Shoulder Girdle/Joint	211
Elbow and Radio-Ulnar Joint	212
Wrist and Hand Joint	214
Hip Joint	216
Knee Joint	217
Ankle and Foot	219
Chapter X Injuries in Taekwondo	221
Types of Injuries	223
Injuries to Body Parts	228
Weight Loss, Dehydration	235
Alternative Training Program for Injured Athletes	236
Injury Prevention	239
