

Table of Contents

Auriculotherapy in Medicine	2	Shoulder Pain	52
The Two Types of Ear Points	4	Geriatric Spinal Disorders	54
Points Linked Directly to the		Fibrocystic Breast Disease and	
Nervous System: Reflex Points	6	Mastodynia (Painful Breasts)	56
Neurohumoral-Type Points:		Migraines	58
the Neurovascular Complexes	8	Depressive Disorders	60
Anatomy of the Ear	10	First Rib Syndrome	62
Innervation of the Ear	12	Hypotension	64
Representation of the Organs		Food Allergies	66
on the Ear	14	Cerebral Laterality Disorders	70
Representation of the		Psoriasis	72
Vertebral Column	16	Trigeminal Neuralgia	74
Ear Locations	18	Acute Hemorrhoids	76
Mesodermic Tissues	19	Anguish and Anxiety	78
Endodermic Tissues	20	Pediatric Hyperactivity	80
Ectodermic Tissues	21	Chronic Progressive Polyarthritits	82
Other Locations	22	Asthma	84
Methods of Point Detection	24	Anatomy of the Posterior Ear	86
Pressure (Pain) Detection	24	Mesodermic Locations on the	
Electrodetection	26	Posterior Surface of the Ear	88
Point Treatment Methods	28	Endodermic Locations on the	
Indications for Auriculotherapy	30	Posterior Surface of the Ear	90
Tobacco Addiction Treatment		Ectodermic Locations on the	
Protocol	32	Posterior Surface of the Ear	92
Treatment of Toxic Scars	34	Important Points on the	
Obesity	36	Posterior Surface	96
Constipation	40	Geometric Relationships	98
Sciatica	42	Treatment of Aligned Points	100
Female Infertility	44	Prioritizing the Points	102
Spasmophilia (Latent Tetany)	46	Paul Nogier's Phase Theory	104
Shingles (Herpes Zoster)	48	A Contemporary Perspective on the	
Reflex Sympathetic Dystrophy		Phases and Their Clinical Use Today	106
(Shoulder-Hand Syndrome)	50	Phase 1	108

Phase 2	110	The Study of Ear Points by	
Phase 3	114	their Frequencies	144
The Auricular-Cardiac Reflex (ACR),		The Electromagnetic Signature	
Also Known as Vascular Autonomic		of a Lesion	146
Signal (VAS)	118	The Treatment of Peripheral	
How to Experience the Vascular		Neuropathies	148
Autonomic Signal	120	The Treatment of Fibromyalgia	150
Cutaneous Photoperception	122	The Treatment of Depressive	
Cutaneous Photoperception		Disorder	152
and Ear Points	124	Appendix	154
The Nogier Frequencies	126	About the Author	154
Frequency A	128	Auriculotherapy	155
Frequency B	130	Glossary	157
Frequency C	132	References for Glossary	166
Frequency D	134	Recommended Equipment	
Frequency E	136	and Supplies	166
Frequency F	138	References and Further Reading	168
Frequency G	140	References	168
How to Select Equipment for		Further Reading	168
Studying the Nogier Frequencies		Index	170
and Treating Ear Points	142
