

Contents

Section I

Development and Maturation of the Craniofacial

- 1 General Human Development..... 2
James K. Avery and Nagat M. ElNesr
- 2 Development of the Pharyngeal Arches and Face..... 21
James K. Avery

Section II

Development of the Teeth and Supporting Structures

- 5 Development Of Teeth: Crown Formation..... 72
Nicholas P. Piesco and James K. Avery
- 6 Development of the Teeth: Root and Supporting Structures..... 108
Nagat M. ElNesr and James K. Avery

Section III

Structure and Function of the Teeth

- 9 Histology of Enamel..... 153
Nicholas P. Piesco and James Simmelink
- 10 Histology of Dentin..... 172
Nicholas P. Piesco

Section IV

Structure and Function of Supporting Tissues of the Teeth

- 13 Histology of the Periodontium: Alveolar Bone, Cementum, and Periodontal Ligament..... 226
James K. Avery
- 14 Histology of the Oral Mucosa and Tonsils..... 243
Donald S. Strachan and James K. Avery

Section V

Structure of the Glands of the Oral Cavity and Throat

- 17 Development, Structure, and Function of the Salivary Glands..... 292
Robert M. Klein

al Region

- 3 Development of Cartilage and Bones of the
Craniofacial Skeleton..... 44
James K. Avery
- 4 Postnatal Facial Growth, Birth through Postadolescence..... 61
Carla A. Evans

ctures

- 7 Tooth Eruption and Shedding..... 123
Nagat M. ElNesr and James K. Avery
- 8 Agents Affecting Tooth and Bone Development..... 141
James K. Avery
- 11 Histology of the Pulp..... 190
D. J. Chiego, Jr.
- 12 Comparison of Primary and Permanent Teeth..... 213
David C. Johnsen

F the Teeth

- 15 Histology of the Gingiva and Epithelial Attachment..... 263
James K. Avery
- 16 Innervation of Oral Tissues..... 274
*Daniel J. Chiego, Jr., Dennis F. Turner,
and Donald S. Strachan*

heir Products

- 18 Histology of Saliva, Pellicle, Plaque, and Calculus..... 331
James K. Avery

Section VI

Related Functional Tissues of the Oral and Para

19 Histology of the Nasal Mucosa and Paranasal Sinuses..... 341
 Geoffrey H. Sperber

20 Structure and Function of the Temporomandibular
 Joint..... 353
 James K. Avery and Sol Bernick

Glossary..... 410

Index..... 427

oral Areas

21 Histologic Changes during Tooth Movement.....	364
<i>Carla A. Evans</i>	
22 Histology of Endosseous Implants.....	375
<i>Robert B. O'Neal and Marion J. Edge</i>	
23 Wound Healing.....	390
<i>Francisco Rivera-Hidalgó</i>
