Introduction	2
Basic Principles	4
Zones of Auricular Innervation and Embryological Assignment According to <i>Nogier</i>	6
Zones of Auricular Innervation According to <i>R.A. Durinjan</i>	8
More Recent Investigations into Auricular Innervation	10
Topographic Location of Reflex Zones on the Auricula	12
Projection of the Skeleton According to <i>Nogier</i>	14
Topography of Important Projection Zones According to <i>Nogier</i>	15
Topography of Auricular Acupuncture Points According to Chinese Nomenclature	16
Topography of Reflex Zones on the Auricula According to <i>R.A. Durinjan</i>	18
Anatomy of the Rear Side of the Auricula and Projection Zones	23
The Projection of the Spinal Column in the Region of the Auricula According to <i>Nogier</i>	24
Significance of Laterality	28
Rule for the Selection of Auricular Acupuncture Points	30
Point Searching, Pricking Technique, and Needle Material	33
 Points on the Lobule (1–11)	
According to Chinese Nomenclature	38
Points on the Lobule According to <i>Nogier</i>	40
Points on the Tragus (12–19) and Supratragic Notch (20 and 21)	
According to Chinese Nomenclature	42
Points on the Tragus and Supratragic Notch	
According to <i>Nogier</i>	44
Points on the Intertragic Notch (Points 22–24)	
According to Chinese Nomenclature	46
Points on the Intertragic Notch According to <i>Nogier</i>	48

Points on the Antitragus (Points 25–36)	50
According to Chinese Nomenclature	50
Points on the Antitragus According to <i>Nogier</i>	52
Projection Zones of the Cranial Bones and Sinuses	
According to <i>Nogier</i>	56
Points of the Anthelix (Points 37–45)	
According to Chinese Nomenclature	58
Projection Zones of the Spinal Column	
According to <i>Nogier</i> and <i>Bahr</i>	60
Points on the Superior and Inferior Antihelical Crura	
(Points 46–54) According to Chinese Nomenclature	62
Points in the Triangular Fossa (Points 55–61)	
According to Chinese Nomenclature	64
Projection Zones of the Lower Extremity	
According to <i>Nogier</i>	66
Points in the Region of the Superior	
and Inferior Anthelical Crura	
and in the Triangular Fossa According to <i>Nogier</i>	67
Points on the Scapha (Points 62–71)	
According to Chinese Nomenclature	70
Points on the Scapha According to <i>Nogier</i> ,	
Projection of the Upper Extremities	72
Points on the Scapha According to <i>Nogier</i>	74
Points on the Helical Rim (Points 72–78)	
According to Chinese Nomenclature and <i>Nogier</i>	76
Points on the Ascending Helix Branch (Points 79–83)	
According to Chinese Nomenclature	78
Points in the Region of the Ascending Helix Branch	
(Crus of Helix) According to <i>Nogier</i> , External	80
Covered Points in the Region of the Ascending Helix Branch	
(Crus of Helix) According to <i>Nogier</i>	82
Projection Zones of Internal Organs	
According to R.A. <i>Durinjan</i>	84
Projection Zones of Internal Organs	
According to Chinese Nomenclature	85
Points around the Helix Root (Points 84–91)	
According to Chinese Nomenclature	86

Points in the Superior Concha (Points 92–99)	
According to Chinese Nomenclature	88
Points in the Inferior Concha (Points 100–104)	
According to Chinese Nomenclature	90
Projection Zones in the Concha (Internal Organs)	
According to <i>Nogier</i>	92
Plexus Points and Important Points in the Concha	
According to <i>Nogier</i>	96
Points on the Reverse Side of the Auricula (Points 105–108)	
According to Chinese Nomenclature	98
Retropoints and Projection of the Spinal Column	
According to <i>Nogier</i>	99
Motor Points for Musculature and Joints on the Reverse	
Side of the Auricula According to <i>Nogier</i>	100
Motor Points for Thorax and Abdomen on the	
Left and Right Ear on the Reverse Side of the Auricula	
According to <i>Nogier</i>	101
Superordinate Points According to Chinese Nomenclature	102
Energy and Treatment Lines on the Auricula	
According to <i>Nogier</i>	104
Auxiliary Lines in Auricular Acupuncture (<i>B. Strittmatter</i>)	108
Tutorial: Comparison of the Most Important Auricular	
Acupuncture Points on the Left and Right Ear	113
Introduction	130
