Short Summary of the Informal Meeting Preceding the Adriamycin Symposium. M. GHIONE	1
Proceedings of the Symposium	
<i>Part I. Chemistry of Adriamycin</i>	
Structure and Physicochemical Properties of Adriamycin (Doxorubicin). F. ARCAMONE, G. CASSINELLI, G. FRANCESCHI, S. PENCO, C. POL, S. REDAELLI, and A. SELVA	9
<i>Part II. Activity at Cell Level</i>	
Effect of Adriamycin on the Cell Kinetic of Human Bone Marrow in vitro. I. T. M. BOLL	23
Ultrastructural Alterations Induced in Hepatic Cell Nucleoli by Adriamycin. G. LAMBERTENGHI-DELILIERI	26
Effects of Adriamycin on Blastogenesis and Chromosomes of Blood Lymphocytes: "in vitro" and "in vivo" Studies. L. MASSIMO, F. DAGNA-BRICARELLI, and M. G. CHERCHI	35
Action of Adriamycin on HeLa Cells. Evidence of a G_2 Inhibition. D. N. WHEATLEY	47
<i>Part III. Activity against Experimental Tumors</i>	
Adriamycin: The Therapeutic Activity on Experimental Tumors. A. DI MARCO	53
Some Factors Influencing the Chemotherapeutic Effectiveness of Adriamycin. A. GOLDIN	64
Antitumor Effects of Adriamycin on Yoshida Rat Sarcoma and L 1210 Mouse Leukemia — Cross-resistance and Combination Chemotherapy. A. HOSHINO, T. KATO, H. AMO, and K. OTA	75
Cross-resistance between Adriamycin, Daunomycin and Vincristine in Ehrlich Ascites Tumor <i>in vivo</i> . K. DANØ	90
<i>Part IV. Pharmacology and Pharmacokinetics</i>	
Influence of Pharmacokinetic Variations on the Pharmacological Properties of Adriamycin. E. ARENA, N. D'ALESSANDRO, L. DUSONCHET, N. GEBBIA, F. GERBASI, R. SANGUEDOLCE, and L. RAUSA	96
Pharmacokinetics and Metabolism of Adriamycin and Daunomycin. D. W. YESAIR, M. A. ASBELL, R. BRUNI, F. J. BULLOCK, and E. SCHWARTZBACH.	117
Blood Levels, Tissue Distribution and Clinical Effects of Adriamycin. K. KIMURA, H. FUJITA, and Y. SAKAI	124

Part V. Clinical Activity and Side Effects

Adriamycin in the Treatment of Acute Leukemia. H. BEGEMANN and G. WERNEKKE	135
Clinical Trials with Adriamycin. Results of a Three-Years Study. G. BONADONNA, S. MONFARDINI, M. DE LENA, F. FOSSATI-BELLANI, and G. BERETTA	139
Clinical Trials of Adriamycin. E. FREI, III, J. K. LUCE, and E. MIDDLEMAN	153
Preliminary Results of a Clinical Trial with Intermittent Doses of Adriamycin in Lung Cancer. Y. KENIS and J. MICHEL	161
Adriamycin in Adults with Neoplastic Diseases. I. H. KRAKOFF	165
Adriamycin in the Treatment of Acute Leukemias. G. MATHÉ, J. L. AMIEL, M. HAYAT, F. DE VASSAL, L. SCHWARZENBERG, M. SCHNEIDER, C. JASMIN, and C. ROSENFELD	168
Cooperative Clinical Study on Adriamycin in Advanced Lung Tumors. C. PRAGA	173
Adriamycin and Daunomycin in the Treatment of Vesical and Prostatic Neoplasias. Preliminary Results. M. PAVONE-MACALUSO and G. CARAMIA	180
Clinical Trial of Adriamycin. C. ROZMAN, E. SIMÓ CAMPS, M. RIBAS MUNDÓ, F. SOLSONA, J. DANTART, A. RAICHS, and M. GIRALT	188
The Effect of Adriamycin on Solid Tumors and Acute Leukemia of Adults and Children. L. F. SINKS, E. CORTES, J. J. WANG, and J. F. HOLLAND	195
Adriamycin in Children with Acute Leukemia and Other Neoplastic Diseases. C. TAN, E. ETCUBANAS, N. WOLLNER, G. ROSEN, M. L. MURPHY, and I. H. KRAKOFF	204
Adriamycin in the Treatment of Acute Leukemia. J. M. A. WHITEHOUSE, D. CROWTHER, and J. S. MALPAS	213

Part VI. Short Communications

Adriamycin in Mesenchymal Tumors and Leukemias — Results of Two Years' Research. G. BILE, R. DE BIASI, and G. BERARDI	217
Preliminary Clinical Observations on the Antitumor Effect of Adriamycin. G. CARDINALI	220
Preliminary Clinical Trial of Adriamycin in Acute Leukemia and Solid Tumors of Children. A. O. ÇAVDAR, Ü. TOPUZ, E. BABACAN, A. ARCASOY, and S. GÖZDAŞOĞLU	224
Combined Chemotherapy of Acute Leukemias. H. GERHARTZ	226
Clinical Trial of Adriamycin on Malignant Diseases. Y. HARA and Y. KURITA	229
Adriamycin in the Chemotherapy of 21 Solid Tumors. Preliminary Results. P. LOVISETTO and G. POCHETTINO	231
Adriamycin Use in Solid Tumors and in Lymphoblastic Leukemia of Children. E. MADON, P. G. BARONCELLI, A. SACERDOTE, and P. L. ROBERI	234
Preliminary Data on the Treatment of Hemoblastoses with Adriamycin. G. MARINONE, E. MAIOLINI, and E. SPADACCI	236
Clinical Trials with Adriamycin. K. OTA	244
Adriamycin, Vincristine and Prednisone in the Treatment of Malignant Tumors Resistant to Conventional Chemotherapy. H. J. SENN, W. F. JUNG, A. C. Mayr, and G. A. NAGEL	248
