DEDICATION	
PREFACE	i
ACKNOWLEDGEMENTS	iv
TABLE OF CONTENTS	vi
CHAPTER I : INTRODUCTION	1
1.1 Problem definition.....	1
1.2 Purpose of study	7
1.3 Rationale.....	7
CHAPTER II : CONCEPTUAL FRAMEWORK.....	13
2.1 Breastfeeding.....	13
2.1.1 Medical and health perspectives	13
2.1.2 Socio-cultural perspective of breastfeeding	15
2.1.2.1 Close proximity	16
2.1.2.2 Nature of dwellings or housing	16
2.1.2.3 Perception of the breast	17
2.1.2.4 Type of family	17
2.1.2.5 Maternal workload.....	18
2.1.2.6 Education	18
2.1.2.7 Social support system.....	19
2.1.3 Ethnotheories about breastfeeding	20
2.1.3.1 Nso ethnotheories and consequences on child development.....	23
2.1.3.2 Fulani ethnotheories and consequences on child development.....	24
2.2 Universal interactional propensities.....	25
2.2.1 Primary care system	26
2.2.2 Visual gaze or eye contact in a face-to-face.....	30
2.2.3 Body contact.....	33
2.2.4 Body stimulation	38
2.2.5 Object stimulation	43
2.3 Interactional mechanisms.....	44

2.3.1 Exclusive dyadic attention	44
2.3.2 Shared or divided attention	45
2.3.3 Contingency.....	49
2.3.4 Warmth	52
2.4 Inter-individual differences in mother-child interaction.....	61
2.4.1 Characteristics of the mother.....	61
2.4.1.1 Socio-economic status	61
2.4.1.2 Age and parity of mother.....	62
2.4.1.3 Health (personality)	64
2.4.2 Characteristics of the child.....	65
2.4.2.1 Physical conditions	65
2.4.2.2 Nutritional status.....	65
2.4.2.3 Gender status	66
2.4.2.4 Temperament	66
2.5 Global and indigenous conceptions of human development	67
2.6 The West African model of human development.....	70
2.6.1 The spiritual stage	71
2.6.2 The social stage	71
2.6.3 The ancestral stage	74
2.7 The Nso human development lifespan.....	75
2.7.1 The spiritual period	76
2.7.2 The wán or infancy period.....	77
2.7.2.1 Child psychology concerning the wán period	80
2.7.2.2 Categories of children in Nso tradition	81
2.7.2.3 Child cure.....	83
2.7.2.4 Naming	84
2.7.2.5 Active infancy.....	85
2.7.3 The wánlè or childhood period.....	87
2.7.4 The wánlè nsùm/ngòn (wà`bìn) stage - adolescence period.....	89
2.7.5 The lumèn or wíyí (ntìntìn wir) stage – manhood / womanhood (adult age) stage.....	91
2.7.6 The taàtá/yaàyá –ngáywir stage (old age stage).....	92
2.7.7 The aṅkfə stage (ancestral stage).....	92
2.8 Identification of Nso socialization and developmental goals	92
2.9 The Fulani human development lifespan.....	94
2.9.1 Rēdūjo (pregnancy).....	94

2.9.2 Bingel pētel stage (early infancy)	95
2.9.2.1 Naming	97
2.9.3 The bingel pamārel sub-stage (late infancy)	98
2.9.4 The bingel gaiyajo (childhood).....	99
2.9.5 The debbo and gorko for girl and boy respectively (adolescence).....	100
2.9.6 The debbo gēkejo (girl) and gorko gēkejo (boy).....	101
2.9.7 The kaabo debbo (female) and kaabo gorko (male) stage (one child stage)	102
2.9.8 The dada (womanhood) and nyako (manhood) or neddaku stage.....	102
2.9.9 The nayejo or naiwa stage (old age).....	102
2.10 Identification of the Fulani socialization and developmental goals.....	103
2.11 Assumptions.....	109
2.11.1 Assumption 1.....	109
2.11.2 Assumption 2.....	109
2.11.3 Assumption 3.....	109
CHAPTER III: METHODOLOGY	111
3.1 Geographical location	111
3.1.1 Economic Activities	114
3.1.2 Education.....	115
3.1.3 Religion	115
3.1.4 Health facilities.....	116
3.2 Time of study	117
3.3 Limitation of the study	117
3.4 Sample frame (3-6 months of age).....	118
3.5 Data collection	118
3.5.1 Participants.....	118
3.5.2 Instruments of the study	120
3.5.2.1 Interview	120
3.5.2.2 Videotaping	120
3.5.2.3 Questionnaire.....	121
3.5.2.4 Anthropometrical measurements	121
3.6 Description of the sub-samples	123
3.6.1 Socio-demographic variables describing the sub-samples.....	123
3.6.2 Socio-biological characteristics of the mother	125
3.6.3 Ethnographic description of the mothers of the sub- samples.....	127

3.6.4 Infant characteristics of the sub-samples	128
3.6.5 Characteristics of the household head.....	128
3.7 The coding system of mother-infant interaction.....	130
3.7.1 Inter-observer agreement / Reliability.....	132
3.8 Statistical Analysis.....	133

CHAPTER IV: PRESENTATION OF THE RESULTS 136

4.1 Similarities of breastfeeding practice among the Nso and the Fulani.....	136
4.2 Differences between the two groups in relation to breastfeeding.....	140
4.3 The interactional differences between literate and illiterate mothers.....	142

CHAPTER V: DISCUSSION 144

5.1 Purpose of the study.....	144
5.2 Discussion on the similarity of breastfeeding practices.....	144
5.3 Discussion on results on behavioral differences between the two groups..	148
5.4 Discussion of the results on differences of warmth between the two groups.....	149
5.5 Discussion of results on educational background or formal schooling	153
5.6 Problems encountered	154

CHAPTER VI: CONCLUSION AND RECOMMENDATIONS 156

6.1 Conclusion.....	156
6.2 Recommendations for intervention.....	157
6.2.1 Government.....	157
6.2.2 Maternal and child health.....	160
6.2.3 Further Research.....	161
Summary	163
Zusammenfassung.....	165
References	167
Appendices.....	198
I Questionnaire.....	199
II A manual to the assessment of breastfeeding and mother-infant Interaction.....	207
III An educational program on exclusive breastfeeding for Mbven sub division.....	212
IV Program of activities.....	214

V List of abbreviations.....	215
VI Glossary.....	216
Curriculum Vitae.....	218
