I Technische Voraussetzungen

II Standardebenen

1 Schulter 6

 Position 1 a: ventral diagonal, Neutralstellung..... 6

 Position 1 b: ventral diagonal, Außenrotation..... 8

 Position 1 c: ventral diagonal, Innenrotation 10

 Position 2 a: ventral diagonal, Neutralstellung..... 12

 Position 2 b: ventral diagonal, Außenrotation..... 14

 Position 2 c: ventral diagonal, Innenrotation 16

 Position 3 a: ventral longitudinal 18

 Position 3 b: ventral transversal („Sulkusschnitt“) 20

 Position 4: ventral transversal („Glenoidschnitt“)..... 22

 Position 5: lateral longitudinal 24

 Position 6: kraniolateral 26

 Position 7 a: axillar („Rezessusschnitt“) 28

 Position 7 b: axillar („Glenoidschnitt“)..... 30

 Position 8: dorsal longitudinal 32

 Position 9: dorsal transversal 34

2 Ellenbogen 36

 Position 1: ventral (radial) longitudinal..... 36

 Position 2: ventral (ulnar) longitudinal 38

 Position 3: ventral (proximal) transversal..... 40

 Position 4: ventral (distal) transversal 42

 Position 5: dorsal longitudinal 44

 Position 6: dorsal transversal 46

3 Hand 48

 Handgelenk..... 48

 Position 1: palmar longitudinal 48

 Position 2: palmar transversal 50

 Position 3: dorsal longitudinal 52

 Position 4: dorsal transversal 54

 Fingergelenke 56

 Position 5: dorsal longitudinal (MCP)..... 56

 Position 6: palmar longitudinal (MCP)..... 58

4 Hüfte..... 60

 Position 1: ventral diagonal 60

 Position 2: ventral transversal 62

 Position 3 a: lateral (proximal) longitudinal 64

 Position 3 b: lateral (distal longitudinal) 66

 Position 4: dorsal longitudinal 68

5 Knie	70
Position 1: suprapatellar longitudinal	70
Position 2: suprapatellar transversal	72
Position 3: suprapatellar transversal, tangential	74
Position 4: infrapatellar longitudinal	76
Position 5: infrapatellar transversal	78
Position 6a: popliteal zentral longitudinal	80
Position 6b: popliteal medial longitudinal	82
Position 6c: popliteal lateral longitudinal	84
Position 7a: popliteal transversal proximal	86
Position 7b: popliteal transversal distal	88
Position 8: lateral longitudinal	90
Position 9: medial longitudinal	92
6 Achillessehne	94
Position 1: longitudinal	94
Position 2: transversal	96
7 Fuß	98
Sprunggelenk	98
Position 1: ventral longitudinal	98
Position 2: ventral transversal	100
Position 3: dorsal longitudinal (OSG/USG)	102
Position 4a: lateral diagonal (FTA)	104
Position 4b: lateral longitudinal (FC)	106
Zehengelenke	108
Position 5: dorsal longitudinal (Dig. I)	108
Position 6: dorsal longitudinal (Dig. III)	110
Position 7: plantar longitudinal (Dig. I)	112
Position 8: plantar longitudinal (Dig. III)	114
Fußsohle	116
Position 9: longitudinal	116
8 Spinalkanal	118
Position 1: ventrolumbal longitudinal	118
Position 2: ventrolumbal transversal	120
Position 3: dorsolumbal longitudinal	122
Position 4: dorsolumbal transversal	124
