

Garden and Terrace

6 *Planting ideas and green impulses*

A chapter filled with planted inspirations, whereby plants, poetic media for mood and atmosphere in any garden, display their unusually versatile and attractive design potentials.

50 *Garden elements with character*

These small architectures and other constructional components in garden dramaturgy demonstrate creative courage.

106 *Original eye catchers and accents*

The multi-faceted repertoire of large and small attractions is inspired by imagination. The elaborately staged singularities are aesthetic eye catchers in all directions of style.

Garden and Terrace

156 **Subtle play *with colors, forms and textures***

This chapter is dedicated to picturesque combinations of plants and materials, whereby it illustrates harmony as much as exciting dualism and contrasts.

216 **Sensual *caresses***

These original examples of garden designs shaped in combinations of colors, forms, fragrances, sounds and light, present concentrated sensuality and are the perfect gardens for the connoisseur.
