Practical Tips for the Diagnosis of Lymphoma	1
Basis of the Kiel Classification	5
1. Principles of the Classification	7
2. A Simplified Cellular Scheme as the Basis for the Kiel Classification	12
3. Statistical Data	15
4. Survival Data (Clinical Relevance)	19
Details of the Kiel Classification	23
I. Lymphomas of Low-Grade Malignancy	25
A. Malignant Lymphoma, Lymphocytic	25
1. Chronic Lymphocytic Leukaemia of B-Cell Type (B-CLL)	26
Addendum: Prolymphocytic Variant of B-CLL	31
2. Chronic Lymphocytic Leukaemia of T-Cell Type (T-CLL)	33
3. Hairy-Cell Leukaemia	35
4. Mycosis Fungoides	37
Addendum: Sézary's Syndrome	37
5. Lymphocytic Lymphoma of T-Zone Type (T-Zone Lymphoma)	41
B. Malignant Lymphoma, Lymphoplasmacytic/Lymphoplasmacytoid (LP Immunocytoma)	45
Addendum: Heavy-Chain Diseases	53
C. Malignant Lymphoma, Plasmacytic (Plasmacytoma)	54
D. Malignant Lymphoma, Centrocytic	57
E. Malignant Lymphoma, Centroblastic-Centrocytic	63
II. Lymphomas of High-Grade Malignancy	72
A. Malignant Lymphoma, Centroblastic	72
B. Malignant Lymphoma, Lymphoblastic	77
Subclassification According to Immunological, Morphological and Cytochemical Criteria	77
1. Lymphoblastic Lymphoma of B-Cell Type (Chiefly Burkitt Type)	77
2. Lymphoblastic Lymphoma of T-Cell Type (Chiefly Convuluted- Cell Type)	77
3. Unclassified Lymphoblastic Lymphoma (Chiefly "Common ALL")	78

Further Details on the Three Types of Lymphoblastic Lymphoma	80
To 1: B-Lymphoblastic Lymphoma (Chiefly Burkitt Type)	80
Lymphoblastic Lymphoma of Burkitt Type	80
To 2: T-Lymphoblastic Lymphoma (Chiefly Convolutd-Cell Type)	83
Lymphoblastic Lymphoma of Convolutd-Cell Type	83
To 3: Unclassified Lymphoblastic Lymphoma	89
C. Malignant Lymphoma, Immunoblastic	92
 Addendum: Epithelioid Cellular Lymphogranulomatosis= Lymphoepithelioid Lymphoma (So-called Lennert's Lymphoma)	103
 A Perspective of the Kiel Classification in Relation to Other Recent Classifications of Non-Hodgkin's Lymphoma, with Special Reference to the Working Formulation	112
 Methods for the Morphological Diagnosis of Lymphoma	119
