Abstract	5
Preamble	7
Material and methods	9
Acknowledgments	12
The genus <i>Marchantia</i> L.	13
Historical account	14
Variation and taxonomically distinctive characters	15
Level of reliability of structural characters	16
Subdivision of the genus and relationships among taxa	38
Conspectus of Asiatic and Oceanic taxa of <i>Marchantia</i>	40
Sex ratio and vegetative reproduction	41
Habitat	43
Geographical ranges	44
Keys to plants with archegoniophores and cupules	51
to subgenera and sections	51
to species of subg. <i>Marchantia</i>	52
to species of sect. <i>Chlamidium</i>	53
to species of sect. <i>Papillatae</i>	55
to species of sect. <i>Protomarchantia</i>	55
to species of sect. <i>Paleaceae</i> and sect. <i>Subgeminatae</i>	58
to sterile or male plants (direct to species)	58
to plants with cupules (direct to species)	65
Taxonomy	
Subg. <i>Marchantia</i>	73
Subg. <i>Chlamidium</i>	89
Sect. <i>Paleaceae</i>	90
Sect. <i>Chlamidium</i>	110
Sect. <i>Papillatae</i>	180
Subg. <i>Protomarchantia</i>	217
Sect. <i>Subgeminatae</i>	219
Sect. <i>Protomarchantia</i>	226
Excludenda, Dubia	295
