Part I Diagnosis of Eating Disorders

1	Classification and Diagnosis: A Historical Perspective	3
	Tilmann Habermas	
1.1	A Truly Biopsychosocial Phenomenon	3
1.2	History of Obesity Diagnosis.	4
1.3	History of Anorexia Nervosa and its Diagnosis.	4
1.4	History of the Diagnosis of Binge Eating and Overeating	5
1.5	History of Bulimia Nervosa and its Diagnosis.	5
1.6	Influences of Medical Disease Concepts on Eating Disorders	6
1.7	Developments in Classification and Diagnosis	6
	References.	7
2	Dieting Behavior and Body Image in Societal Change	9
	Romuald Brunner and Franz Resch	
2.1	How Common are Body Image Problems and Dieting Behavior? And How are They Related?.	10
2.2	Do Body-Related Attitudes and Eating Behavior Change in the Transition from Adolescence to Young Adulthood?.	11
	References.	14
3	Eating Disorders in the ICD-11 and DSM-5.	15
	Gertraud Gradl-Dietsch, Manuel Föcker and Johannes Hebebrand	
3.1	Introduction	15
3.2	Anorexia Nervosa.	16
3.3	Bulimia Nervosa.	18
3.4	Binge Eating Disorder	20
3.5	Avoidant/Restrictive Food Intake Disorder (ARFID)	21
3.6	Pica.	21
3.7	Rumination and Regurgitation	22
3.8	“Other Specified Feeding or Eating Disorder” and “Unspecified Feeding or Eating Disorder”	22
	References.	24

4	Clinical Aspects of Anorexia Nervosa, Bulimia Nervosa, and Avoidant-Restrictive Food Intake Disorder in Adulthood. . . .	27
	Martin Teufel, Eva-Maria Skoda and Stephan Zipfel	
4.1	Classification of Anorexia Nervosa	27
4.2	Classification of Bulimia Nervosa	29
4.3	Avoidant-Restrictive Food Intake Disorder	30
4.4	Compensatory Behaviors	30
	References	31
5	Clinical Aspects of Binge-Eating Disorder	33
	Martina de Zwaan	
5.1	Diagnostic Criteria	33
5.2	Further Psychopathological Features	35
5.3	Epidemiology and Course	35
5.4	Comorbidities	35
	References	36
6	Atypical Eating Disorders and Eating Disorders Not Otherwise Specified	39
	Astrid Müller and Andrea Sabrina Hartmann	
6.1	Atypical, Subsyndromal Eating Disorders	40
6.2	Purging Disorder	40
6.3	Night Eating Syndrome	40
6.4	Pica	41
6.5	Rumination Disorder	42
6.6	Avoidant/Restrictive Food Intake Disorder (ARFID)	42
	References	42
7	Orthorexia Nervosa	45
	Reinhard Pietrowsky	
7.1	Concept and Definition	45
7.2	Symptomatology	45
7.3	Nosological Classification	46
7.4	Diagnosis and Epidemiology	47
7.5	Etiology	48
7.6	Relation to Other Eating Disorders	48
7.7	Treatment	49
	References	49
8	Body Image Disturbances	51
	Brunna Tuschen-Caffier and Jessica Werthmann
