

Contents

1 Introduction	1
1.1 Chapter Overview	1
1.2 The Family Enterprise	2
1.2.1 The Family in Family Enterprises	3
1.2.2 The Combination of Family and Enterprise	4
1.3 Family Enterprises entering the Public Market—how much Tension can a Family Enterprise take?	6
1.4 Introducing the Structure of the Dissertation	7
1.4.1 Part I—Focus on the Quantitative Analysis	8
1.4.2 Part II—Focus on the Narrative Analysis	8
References	9
2 From the Literature Review to the Research Question and the Relevant Definitions	11
2.1 Chapter Overview	11
2.2 Status Quo on Current Research	11
2.2.1 Status Quo on Family Enterprise Longevity	13
2.2.2 Status Quo on Stock-Listed Family Enterprise Longevity	20
2.3 Identifying the Research Gap and Formulating the Research Question	23
2.4 Definition of the Stock-Listed Family Enterprise	25
2.5 Development of Fundamental Assessment Criteria	26
2.5.1 The Dilution Process	26
2.5.2 The Concept of Crucial Change	28
2.5.3 The Concept of Active Ownership	29

References	31
3 Methodology	35
3.1 Chapter Overview	35
3.2 The Research Approach and Design of the Dissertation	36
3.2.1 The Inductive Research Approach	37
3.2.2 Particularities of an Exploratory Research Design	38
3.2.2.1 Exploratory Research Applied to this Study ...	38
3.2.2.2 Exploratory Research and the Present Research Question	39
3.2.3 The Research Objective of the Dissertation	40
3.3 Data Collection Process	41
3.3.1 Defining the Time Frame	41
3.3.2 Screening Multiple Data Sources	43
3.3.2.1 The Compilation of Stock Market Flotations 1950–1988	43
3.3.2.2 The Initial Filtering Process	51
3.3.2.3 Developing the Shareholder Structure at the Time of IPO—Firm Allocation	52
3.3.2.3.1 Definition of the Primary Source for the In-Depth Data Collection	53
3.3.2.3.2 Definition of Complementary Sources	53
3.3.3 Derivation of Final Sample Groups	54
3.3.3.1 Selection Criteria for the Sample of Family Enterprises	54
3.3.3.2 Selection Criteria for the Sample of Non-Family Enterprises	61
3.3.4 Developments along the Timeline	65
3.4 Data and Variables	66
3.4.1 The Research Samples of the Present Study	66
3.4.2 In-Depth Data Introduction	68
3.4.3 Definition of Variables for the Present Study	71
3.4.3.1 Variables Describing the Sample of Family Enterprises	71
3.4.3.2 Variables Describing the Sample of Non-Family Enterprises	74
3.4.3.3 Introduction into the Categorical Variables	76

3.5	Methods of Data Analysis	78
3.5.1	Approaching the Research Questions	78
3.5.2	The Quantitative Approach—Survival Analysis	79
3.5.3	The Narrative Approach—Clusters, Patterns and Success Factors	80
	References	80

Part I The Quantitative Analysis

4	Presenting the Results of the Quantitative Data Analysis	85
4.1	Chapter Overview	85
4.2	Overview of the Combined Samples	86
4.3	The Sample of Non-Family Enterprises	87
4.3.1	Descriptive Statistics	87
4.3.1.1	Categorical Variables	87
4.3.1.2	Metrical and Binary Variables	89
4.3.1.3	Survival Variables	90
4.3.2	Survival Analysis	90
4.3.2.1	Testing for Correlation between Independent Variables	90
4.3.2.2	Log-Rank Tests	91
4.3.2.3	Cox Proportional Hazards Model	92
4.3.2.4	Kaplan-Meier Estimation	94
4.4	The Sample of Family Enterprises	95
4.4.1	Descriptive Statistics	95
4.4.1.1	Categorical Variables	96
4.4.1.2	Metrical and Binary Variables	97
4.4.1.3	Survival Variables	100
4.4.2	Survival Analysis	101
4.4.2.1	Testing for Correlation between Independent Variables	101
4.4.2.2	Log-Rank Tests	105
4.4.2.3	Cox Proportional Hazards Model	106
4.4.2.4	Kaplan-Meier Survival Estimation	109
4.4.2.4.1	Survival Time until first Reduction (ST1)	109
4.4.2.4.2	Survival Time until Crucial Change (ST2)	112

4.4.2.4.3	Survival Time until Death as Family Firm (ST6)	113
4.4.3	Tests of Significance	116
4.4.3.1	Chi ² Tests of Independence	116
4.4.3.2	T-Tests	122
4.5	Comparing Results of both Samples	125
4.5.1	Comparing the Descriptive Statistics	125
4.5.2	Comparing the Results of the Survival Analysis	128
4.5.2.1	Comparing the Results of the Cox PH Models	129
4.5.2.2	Kaplan-Meier Estimation	130
4.6	Sensitivity and Robustness Test	132
4.6.1	Survival Time until Crucial Change	133
4.6.2	Survival Time until Death as Family Firm	137
4.6.3	Drawing Conclusions from the Sensitivity and Robustness Check	142
4.7	Summary of Significant Findings	142
	References	144

Part II The Narrative Analysis

5	The Narrative Depiction of the Samples	147
5.1	Chapter Overview	147
5.2	Introducing the Non-Family Enterprises	148
5.2.1	Overview of the Sample	148
5.2.1.1	Interplay between IPO Distribution and Economic Milestones	148
5.2.1.2	Interplay between IPO Distribution and Longevity	150
5.2.2	Possible Influence Factors	153
5.2.2.1	Does the Age at IPO influence Longevity?	153
5.2.2.2	What about the Size at IPO?	154
5.2.3	Overview of the Crucial Changes	157
5.2.4	The Influence of being a former Family Enterprise	158
5.2.5	Clusters, Patterns and Influence Factors	159
5.3	Introducing the Family Enterprises	159
5.3.1	Overview of the Sample	160
5.3.1.1	Interplay between IPO Distribution and Economic Milestones	160

5.3.1.2	Interplay between IPO Distribution and Longevity	162
5.3.2	Possible Influence Factors	165
5.3.2.1	Does the Age at IPO influence Longevity?	165
5.3.2.2	What about the Size at IPO?	168
5.3.3	The Depiction of Family Involvement—from the Beginning to the End	170
5.3.3.1	Number of Families Involved	170
5.3.3.2	Shareholder Structure at IPO	170
5.3.3.3	Active Ownership	172
5.3.4	The Dilution Process of Family Influence	174
5.3.4.1	Total Number of Reductions	174
5.3.4.2	Time Frame of Reductions	178
5.3.5	Overview of Crucial Changes	182
5.3.6	What makes Survivors Survivors?	185
5.3.7	Long-term Survival vs. short-term Failure	188
5.3.8	Clusters, Patterns and Success Factors	192
5.4	Samples in Comparison	193
	References	195
6	Conclusion	197
6.1	Chapter Overview	197
6.2	Limits of the Study	198
6.3	Combining the Findings	200
6.3.1	Success Factors—Survivors vs. Failures	200
6.3.2	Success Factors—weak vs. strong Survivors	202
6.3.3	Success Factors—Strong Survivors vs. Failures	205
6.4	Answering the Research Questions	206
6.4.1	Survival Durations of Stock-Listed Family Enterprises	207
6.4.2	Development of Family Influence	207
6.4.3	Forms of Crucial Change	208
6.4.4	Success Factors for Longevity	209
6.5	Model Development	209
6.6	Practical Implications	210
	References	214
	Complete List of References	215
