

Inhaltsverzeichnis

Introduction	1
<i>Christian Zinke-Wehlmann and Julia Friedrich</i>	
Resilient and Sustainable AI. Positioning paper on the relation of AI, resilience and sustainability	5
<i>Christian Zinke Wehlmann</i>	
Digital transformation of organizations or processes through AI	
Developing a Human-centred AI-based System to Assist Sorting Laundry	23
<i>Nico Rabethge and Franz Kummert</i>	
AI-Powered Knowledge and Expertise Mining in Healthcare from a Field Experiment	37
<i>Julia Kauper, Susanne Franke, Felix Franke and Steven Grieshammer</i>	
Iterative Development of a Process-Oriented Approach for the Selection of Platform-Based Digital Services	51
<i>Saskia Ramm, Pierre Grzona and Hagen Jung</i>	
Opportunities of AI for society	
Classification of Static Poses Based on Key Point Detection for Application of Incriminated Image Files	65
<i>Schönbrodt Antonia</i>	
Human Centered Implementation Process of AI in SMEs – Conditions for Success	83
<i>Carolin Böhme, Claudia Graf-Pfohl and Katrin Meusinger</i>	

AI supported knowledge management and learning

LLM-assisted Knowledge Graph Engineering: Experiments with ChatGPT 103
Lars-Peter Meyer, Claus Stadler, Johannes Frey, Norman Radtke, Kurt Junghanns, Roy Meissner, Gordian Dziwis, Kirill Bulert and Michael Martin

Foundations for the Development of an AI-based, Platformindependent cOmpanion-app [for] Lifelong Learning-Optimization (APOLLO) ... 117
Dominik B.O. Boesl, Teresa Achtenberg and Lisa Bergler

Viability of Knowledge Management Practices for a Successful Digital Transformation in Small- and Medium- Sized Enterprises 129
Oluwatomiwa Oni-Orisan

Manufacturing and factories of the future

Identification of Machine Learning Algorithms to Share Tacit Experimental Knowledge in Manual Production 143
Christian Prange, Amin Beikzadeh, Holger Dander and Nicole Ottersböck

An Application of AI for Online Estimation of the Impact of Imperfections in Additive Manufactured Components 153
Denise Holfeld, Franziska Theurich, André Rauschert, Gregor Neumann, Falk Hähnel and Johannes Markmiller
