Danksagung.....	I
Contents	III
Abbreviations	III
Summary	1
Zusammenfassung	5
1 General Introduction.....	9
1.1 Composition of sweet whey from bovine milk	10
1.1.1 Major whey proteins	11
1.1.2 Lactose.....	16
1.1.3 Mineral salts	17
1.1.4 Microbiology of whey.....	18
1.2 Concentration of whey by means of membrane filtration	19
1.2.1 Reverse osmosis.....	20
1.2.2 Nanofiltration	22
1.2.3 Ultrafiltration	23
1.3 Preservation of dairy products	24
1.3.1 Design of different types of heat treatments for dairy processing.....	24
1.3.2 Reaction kinetics	26
1.3.3 Extended shelf life (ESL) technology.....	31
2 Motivation and objectives	35
3 Results	37
3.1 Spore inactivation in differently composed whey concentrates.....	37
3.1.1 Introduction	38
3.1.2 Materials and Methods	41
3.1.3 Results and Discussion	46
3.1.4 Conclusions.....	55
3.2 Thermal denaturation kinetics of whey proteins in reverse osmosis and nanofiltration sweet whey concentrates	57
3.2.1 Introduction	58

3.2.2	Materials and methods	61
3.2.3	Results and discussion	64
3.2.4	Conclusions	76
3.3	Manufacturing of reverse osmosis whey concentrates with extended shelf life and high protein nativity.....	77
3.3.1	Introduction.....	78
3.3.2	Materials and methods	81
3.3.3	Results and discussion	86
3.3.4	Conclusions	93
3.4	Manufacturing of demineralized whey concentrates with extended shelf life: Impact of the degree of demineralization on functional and microbial quality criteria	95
3.4.1	Introduction.....	96
3.4.2	Materials and methods	100
3.4.3	Results and discussion	104
3.4.4	Conclusions	116
4	Overall Discussion.....	119
4.1	Reaction kinetics in whey concentrates produced by membrane filtration	119
4.1.1	Thermal inactivation kinetics of spores.....	119
4.1.2	Thermal denaturation kinetics of whey proteins.....	122
4.2	Development of process options for the preservation of whey concentrates	126
5	Conclusion and Outlook.....	131
6	References	133
7	Appendix.....	145
7.1	Peer reviewed publications	145
7.2	Non reviewed publications	145
7.3	Oral presentations.....	146
7.4	Poster presentations	147
7.5	Curriculum Vitae.....	148
