

Table of Contents

Preface to CyA Proceedings

R. Schindler 1

1. Autoimmunity and Ciclosporin (CyA)

Prevailing Theories in Autoimmune Disorders

I. M. Roitt 5

Genetic Role in Autoimmunity

J. R. Batchelor 16

The Mechanism of Action of Ciclosporin: A Continuing Puzzle

J. F. Borel, B. Ryffel 24

Contrasting Effects of Ciclosporin on Humoral and Cell-mediated Immunity in Patients with Autoimmune Diseases

J. F. Bach, G. Feutren 33

Pharmacokinetics and Interactions of Ciclosporin

P. A. Keown, C. R. Stiller, M. Stawecki, J. McMichael, and W. Howson 39

Side Effects and Safety of Sandimmun[®] in Long-term Treatment of Transplant Patients

P. Krupp, P. Timonen, A. Gülich ... 43

Ciclosporin-associated Nephropathy

M. J. Mihatsch, G. Thiel, B. Ryffel .. 50

Ciclosporin in Autoimmune Diseases – Side Effects (with Emphasis on Renal Dysfunction) and Recommendations for Use

B. von Graffenried, W. B. Harrison . 59

Clinical Effects and Renal Side Effects in Patients with Autoimmune Diseases Treated with Ciclosporin (CyA)

K. Svenson, S.-O. Bohman, R. Hällgren 74

2. Multiple Sclerosis – Myasthenia Gravis – Polymyositis

The Use of Ciclosporin (CyA) in Multiple Sclerosis – Trial Design and Tolerance

P. Rudge 83

The Effect of Ciclosporin versus Azathioprine on the Course of Multiple Sclerosis: Design of a Long-term Follow-up Study and Side Effects

U. Patzold, D. Dommasch, S. Poser, L. Kappos, J. Haas, J. P. Malin, P. Krauseneck 88

Ciclosporin in the Treatment of Myasthenia Gravis: Preliminary Results from a Pilot Study

R. Nyberg-Hansen, L. Gjerstad 96

Ciclosporin in Myasthenia Gravis

U. A. Besinger, W. Mraz, A. Fateh-Moghadam 100

Ciclosporin in the Treatment of Polymyositis/Idiopathic Cardiomyopathy

K. Bendtzen, N. Tvede, V. Andersen, S. A. Mortensen 110

3. Diabetes Mellitus Type I

Type I Diabetes Mellitus: Rationale for Immune Intervention

H. Kolb, J. Nerup 117

Effects of Ciclosporin on Insulin Secretion in Recent Onset Type I Diabetes Mellitus

J. Dupré, C. R. Stiller, M. Gent, M. Jenner, N. W. Rodger, B. M. Wolfe, B. von Graffenried, D. Heinrichs, C. Purdon, R. Martell 120

Ciclosporin in Insulin-dependent Diabetes Mellitus: Design of Controlled Studies

B. von Graffenried 128

4. Uveitis and Behçet's Disease

Effectiveness of Ciclosporin on Sight-threatening Endogenous Uveitis

R. B. Nussenblatt 133

Treatment of Noninfectious Inflammatory Disorders of the Eye with Ciclosporin

P. Le Hoang, M. Fontaine 137

Ciclosporin (CyA) in the Treatment of Retinal Vasculitis

E. Graham, M. D. Sanders, A. Binder, A. M. Denman, W. Dinning 139

Ciclosporin Treatment of Autoimmune Inflammatory Disorders of the Eye <i>K. Bendtzen, C. Nissen, N. Tvede, U. Andersen</i>	143	Ciclosporin (CyA) in Primary Biliary Cirrhosis (PBC). A Multicentre, Double-blind, Placebo-controlled Long-term Therapeutic Study. The Study Design <i>N. Tygstrup, L. Ranek, E. Juhl, S. Keiding, E. Christensen, R. Williams, J. Neuberger, J. Rodes</i>	182
Treatment of Ocular Involvement in Behçet's Disease with Ciclosporin A (Preliminary Report) <i>Asuman Ü. Müftüoğlu, H. Pazarlı, S. Yurdakul, H. Yazıcı, B. Ülkü, Y. Tüzün, S. Serdaroğlu, Y. Özyazgan, E. Altuğ, H. Bahçecioglu</i>	147	Ciclosporin for Crohn's Disease <i>M. C. Allison, R. E. Pounder</i>	185
Preliminary Results of a Randomized Prospective Study on Treatment of Posterior Uveitis with Ciclosporin or Prednisolone <i>M. Wiederholt, C. Kämpfe, L. L. Hansen, G. Hövener</i>	152	Controlled Study of Ciclosporin versus Corticosteroids in Acute Crohn's Disease: Methodology and Early Findings <i>U. A. Marbet, K. Gyr, G. A. Stalder</i> ..	188
Ciclosporin in Idiopathic Posterior Uveitis: Interim Report of a Randomized Double-masked Study <i>J. de Vries, G. S. Baarsma, P. J. Kruit, T. N. Boen-Tan, A. Rothova, H. J. Buitenhuis, A. Kijlstra</i>	156	6. Sarcoidosis – Dermatology	
Ciclosporin (CyA) Versus Conventional Therapy in Behçet's Disease. Preliminary Observations of a Masked Study <i>D. Ben-Ezra, M. Brodsky, J. Peér, T. Hajek, S. Pizanti, E. Vertman, U. Sachs</i>	158	Ciclosporin (CyA) in the Treatment of Pulmonary Sarcoidosis <i>A. S. Rebutck, C. R. Stiller, A. C. Braude, A. Laupacis, R. D. Cochen, K. R. Chapman</i>	193
A Double-masked Study of Ciclosporin Treatment in Behçet's Disease <i>K. Masuda, A. Nakajima</i>	162	Ciclosporin (CyA) as an Alternative to Steroids in the Treatment of Sarcoidosis and Cryptogenic Interstitial Lung Diseases <i>J. R. Joubert, G. Burger</i>	197
5. Primary Biliary Cirrhosis – Crohn's Disease		Ciclosporin in the Treatment of Progressive Systemic Sclerosis <i>J. Knop, G. Bonsmann</i>	199
Primary Biliary Cirrhosis <i>Roger Williams, J. Neuberger, M. R. Lucey</i>	167	Ciclosporin Inhibits the Effector Function of the T Effector Cell of Delayed Type Hypersensitivity <i>M. Braidă, J. Knop</i>	201
Effect of Ciclosporin (CyA) on Suppressor Cell Function in Patients with Primary Biliary Cirrhosis <i>J. Neuberger, G. Alexander, M. N. Al-Aghbar, M. R. Lucey, Roger Williams</i>	171	Treatment of Pemphigus with Ciclosporin <i>G. Tappeiner, V. Groh</i>	205
Treatment of Primary Biliary Cirrhosis with Ciclosporin (CyA). Pilot Study <i>M. R. Lucey, J. M. Neuberger, G. J. M. Alexander, S. Robson, Roger Williams</i>	175	Treatment of Bullous Dermatoses with Ciclosporin (CyA) <i>B.-R. Balda, D. Rosenzweig</i>	209
Ciclosporin Therapy in Primary Biliary Cirrhosis (PBC): A Pilot Study in 10 Patients <i>R. Beukers, S. W. Schalm</i>	179	Ciclosporin (CyA) in Pemphigus and Bullous Pemphigoid <i>H. Barthélémy, J. Thivolet</i>	216
		7. Endocrine Ophthalmopathy	
		Endocrine Ophthalmopathy <i>R. Volpé</i>	223
		Ciclosporin in the Treatment of Graves' Ophthalmopathy <i>A. M. McGregor, M. Beck, A. P. Weetman, R. Hall</i>	229
		Treatment of Graves' Ophthalmopathy with Ciclosporin <i>R. Landgraf, A. Witte, A. Markl, K. P. Boergen, G. Hasenfratz, C. R. Pickardt</i>	235

A Pilot Study of Ciclosporin in Endocrine Ophthalmopathy <i>F. A. Karlsson, P. A. Dahlberg, R. Jansson, P. Enoksson, E. Thorgeirsson, T. Töttermann</i>	242	Immunosuppression in Rheumatoid Arthritis Refractory to Treatment (6-Month Follow-Up) <i>Ch. Herzog, D. Gross</i>	289
Ciclosporin Treatment in Severe Graves' Ophthalmopathy <i>C. Utech, K. G. Wulle, H. Kiefer, N. Panitz</i>	247	Ciclosporin in Rheumatoid Arthritis – Preliminary Results <i>R. Madhok, H. A. Capell</i>	297
8. Hematology		Ciclosporin Treatment in Rheumatoid Arthritis: A Preliminary Report of a Multicentre Placebo-Controlled Double-Blind Study <i>A. W. A. M. van Rijthoven, B. A. C. Dijkmans, H. S. Goei The, Z. L. B. M. Moninor-Beckers, P. J. C. Jacobs, A. Cats</i>	299
Ciclosporin (CyA) as Primary Treatment for Severe Acute Aplastic Anaemia <i>P. Jacobs, L. Wood, R. W. Martell</i>	255	Ciclosporin versus Azathioprine in Rheumatoid Arthritis <i>Ø. Førre, F. Bjerkhoel, H. E. Rugstad, K. J. Berg, E. Kåss</i>	302
Ciclosporin for Therapy of Severe Aplastic Anemia (SAA) and Pure Red Cell Aplasia (PRCA) <i>L. Debusscher, P. Stryckmans</i>	258	Preliminary Observations from a Comparison of Ciclosporin and Azathioprine in Rheumatoid Arthritis <i>H. A. Bird</i>	307
Experience with Ciclosporin (CyA) in the Management of Pure Red-Cell Aplasia (PRCA) and Aplastic Anemia (AA) <i>T. H. Tötterman, A. Killander, A. Kreuger, G. Gustafsson, J. Nisell, N. Skage</i>	261	10. Glomerulonephritis and Systemic Lupus Erythematosus	
Ciclosporin in Idiopathic Thrombocytopenic Purpura and Other "Auto-Immune" Cytopenias <i>B. Coiffier</i>	266	Ciclosporin in Glomerulonephritis – A Pilot Study <i>D. C. Cattran, J. Dossetor, P. F. Halloran, C. Cardella, C. Stiller, P. Keown, W. F. Clark</i>	311
Ciclosporin (CyA) and Intravenous Immunoglobulin (i.V. IgG) in Chronic Immune Thrombocytopenic Purpura (ITP) in Childhood: A Clinical and Immunological Study (Progress Report) <i>P. Imbach, L. Luginbühl, P. Späth, A. Hirt, T. Huwyler, A. Morell, C. Mueller-Eckhardt, W. J. Pichler, H. P. Wagner</i>	268	Use of Ciclosporin in Idiopathic Corticosteroid-resistant or Corticoid-dependent Nephrotic Syndrome (Minimal Change Glomerulopathy and Focal-Segmental Hyalinosis) <i>A. Meyrier, P. Simon, G. Perret, M.-C. Condamine-Meyrier</i>	316
Ciclosporin (CyA) in the Treatment of Autoimmune Blood Disorders <i>P. A. Miescher, P. Beris</i>	270	Ciclosporin (CyA) in Steroid-insensitive Nephrotic Syndrome in Durban, South Africa <i>M. Adhikari</i>	323
9. Rheumatoid Arthritis		Ciclosporin Treatment of Idiopathic Nephrotic Syndrome in Children (Minimal Change Disease and Focal Segmental Glomerulosclerosis) <i>J. Brodehl, P. F. Hoyer</i>	329
Rheumatoid Arthritis <i>O. Førre</i>	279	What can NZB/W Mice Teach us about the Treatment of SLE with Ciclosporin? <i>H. C. Gunn, B. Ryffel, P. C. Hiestand, J. F. Borel</i>	334
Ciclosporin in Rheumatoid Arthritis. Open Trials with Different Dosages <i>B. Amor, M. Dougados</i>	283	Combined Ciclosporin-Steroid Treatment of Systemic Lupus Erythematosus <i>P. A. Miescher, A. Miescher</i>	337
A Pilot Study of CyA in Patients with Rheumatoid Arthritis (RA) <i>C. Bombardier, P. Tugwell, M. Gent, W. Buchanan, D. Ludwin, C. Stiller</i>	288		
Low Dose Ciclosporin A and Prednisone a Step in the Direction of Selective			

Ciclosporin (CyA) and Therapeutic Plasma Exchange in Steroid Resistant SLE <i>R. Bambauer, G. A. Jutzler, H. Pees, H. Daus, H. J. Schoenenberger, G. Biro, H. E. Keller</i>	346	The Effects of Ciclosporin in Twelve Patients with Severe Systemic Lupus <i>G. Feutren, S. Querin, L. Chatenoud, L. H. Noel, G. Beaurain, F. Tron, P. Lesavre, J. F. Bach</i>	366
Possible Beneficial Effect of Ciclosporin in Some Cases of Severe Systemic Lupus Erythematosus <i>P. F. Halloran, E. H. Cole, A. A. Bookman, M. B. Urowitz, W. T. W. Clarke</i>	356	Ciclosporin and Autoimmune Disease – an Overview <i>C. R. Stiller</i>	373
Open Therapeutic Trial of Ciclosporin in Systemic Lupus Erythematosus. Preliminary Results in 4 Patients <i>P. Deteix, N. Lefrançois, M. Laville, S. Colon, P. Zech, J. Traeger</i>	361	Concluding Impressions <i>J. R. Batchelor</i>	382
