

229 Meeting the Current Challenges of Governing Biobanks Responsibly

Dabrock, P. (Erlangen)

232 Consent and Research Governance in Biobanks: Evidence from Focus Groups with Medical Researchers

Whitley, E.A. (London); Kanellopoulou, N.; Kaye, J. (Oxford)

243 Securing the Data Economy: Translating Privacy and Enacting Security in the Development of DataSHIELD

Murtagh, M.J.; Demir, I.; Jenkins, K.N.; Wallace, S.E.; Murtagh, B. (Leicester); Boniol, M.; Bota, M. (Lyon); Laflamme, P. (Montreal, Que.); Boffetta, P. (Lyon/New York, N.Y.); Ferretti, V. (Toronto, Ont.); Burton, P.R. (Leicester)

254 IT Solutions for Privacy Protection in Biobanking

Eder, J. (Klagenfurt); Gottweis, H. (Vienna/Seoul); Zatloukal, K. (Graz)

263 The Necessity of Broad Consent and Complementary Regulations for the Protection of Personal Data in Biobanks: What Can We Learn from the German Case?

Taupitz, J.; Weigel, J. (Mannheim)

272 The Privacy-Reciprocity Connection in Biobanking: Comparing German with UK Strategies

Hobbs, A. (York); Starkbaum, J.; Gottweis, U. (Vienna); Wichmann, H.E. (Neuherberg); Gottweis, H. (Vienna/Seoul)

285 Differentiating and Evaluating Common Good and Public Good: Making Implicit Assumptions Explicit in the Contexts of Consent and Duty to Participate

Bialobrzeski, A.; Ried, J.; Dabrock, P. (Erlangen)

293 From Protection of Privacy to Control of Data Streams: A Focus Group Study on Biobanks in the Information Society

Snell, K. (Helsinki); Starkbaum, J. (Vienna); Lauß, G.; Vermeer, A. (Erlangen); Helén, I. (Helsinki)

303 Using Genomic Data to Make Indirect (and Unauthorized) Estimates of Disease Risk

Nyholt, D.R. (Brisbane, Qld.)

312 Author and Subject Index
