Preface	IX
Contents	XI
Abstract	1
Acknowledgements	1
 1 INTRODUCTION	 3
1.1 Review of previous work in New Zealand.	3
1.1.1 Period I	3
1.1.2 Period II.	4
1.1.3 Period III: Twentieth century	5
 2 GENERAL SURVEY OF THE TAXONOMIC LITERATURE ON CHAETOPHORALES	 10
2.1 Systematics and distribution	10
2.1.1 Europe	10
2.1.2 North and Central America.	12
2.1.3 South America	14
2.1.4 Africa (including the islands of the Indian Ocean).	14
2.1.5 Asia	17
2.1.6 Australia	18
2.1.7 Oceania	19
2.1.8 Arctic and Sub-Arctic	20
2.1.9 Antarctic and Sub-Antarctic.	20
2.2 Monographic and revision work	21
 3 MATERIAL AND METHOD.	 25
3.1 Field collections	25
3.2 Laboratory procedure.	25
3.2.1 Microscopic examination, measurements and camera lucida drawings	25
3.2.2 Preparation of permanent slides and preservation	25
3.2.3 Photomicrography	26
3.3 Culture.	26
3.4 Scanning electron microscopy.	27
3.4.1 Preparation of specimens.	27
3.4.1.1 Fixation	29
3.4.1.2 Dehydration.	29
3.4.1.3 Improving conductivity: coating of the specimen.	29
3.4.2 Operation mode	29
3.4.2.1 Selection of accelerating voltage	29
3.4.2.2 Specimen current	30
3.4.2.3 Scanning speed and photography.	30
 4 SYSTEMATIC PART	 31
4.1 Classification.	31
Artificial key to the New Zealand families of Chaetophorales.	32
4.2 Taxonomy and the descriptions of the species occurring in New Zealand	32

5 GENERAL DISCUSSION AND CONCLUSION. 103

6 LITERATURE CITED 109

APPENDIX I LATIN DIAGNOSES OF THE NEW TAXA DESCRIBED .. 133

APPENDIX II LIST OF CHAETOPHORALEAN TAXA PREVIOUSLY RE-
CORDED FROM NEW ZEALAND BUT NOT ENCOUN-
TERED DURING THE PRESENT INVESTIGATION..... 135

Epilogue..... 136

INDEX TO PLANT NAMES 137

MAPS..... 147
