Preface V

Dr. Rashkind: The innovative pediatric cardiologist

Bill Rashkind's contribution to pediatric cardiology
Wagner, H. R. 1

The impact of Dr. Rashkind on the development of interventional cardiology
Vogel, M., K. Bühlmeier 5

Embryology and prenatal diagnosis of transposition of the great arteries

Prenatal pathogenesis of the transposition of great arteries
Pexieder, T., M. Pfizenmaier Rousseil, J. C. Prados-Frutos 11

Development of coronary arteries in transposition of the great arteries
Gittenberger-de Groot, A. C., R. E. Poelmann, R. Bökenkamp,
A. J. J. C. Bogers 29

Transposition of the great arteries: advantages and results of prospective fetal detection. Experience from 1983–1990
Fermont, L. 39

Medical treatment of transposition of the great arteries before surgery

The perinatal circulation and aortopulmonary transposition
Rudolph, A. M. 49

Balloon atrial septostomy: The Rashkind procedure (1954–1990) – historical and technical aspects
Paul, M. H. 59

Role of prostaglandin infusion prior to surgery in complete transposition of the great arteries	
Kachaner, J.	73
The natural history of transposition after balloon septostomy and before surgical repair	
Tynan, M., E. J. Baker, S. Qureshi, E. Rosenthal, A. Kakadeker	79
 Diagnosis of transposition of the great arteries	
The natural history of the patient with transposition of the great arteries before atrial septostomy	
Freedom, R. M.	83
The pulmonary circulation in transposition of the great arteries	
Haworth, S. G.	87
Cineangiographic diagnosis of coronary artery anatomy in transposition of the great arteries and double outlet right ventricle: Significance of aortic intramural coronary arteries	
Sauer, U.	97
 Surgical treatment of transposition of the great arteries	
Mustard operation for transposition: Historical aspects and results	
Trusler, G. A.	113
Long-term results after atrial repair for transposition of the great arteries	
Segesser von, L. K., M. Fry, A. Senning, M. I. Turina	119
The “rapid two-stage” arterial switch operation	
Castaneda, A. R.	125
Anatomic repair for complex transposition	
Lecompte, Y., F. Bourlon, K. Hisatomi, D. Di Carlo	129
Re-operations after surgery for transposition of the great arteries	
Stark, J.	137

**Follow up after surgical repair of transposition
of the great arteries**

**Systolic and diastolic function after atrial repair of simple transposition
of the great arteries**
Reich, O., C. Ruth, M. Šamánek 145

**P₃₁MR Spectroscopy of right-ventricular myocardium after atrial
repair for transposition of the great arteries**
Stern, H., G. Schröter, K. Bühlmeyer 151

**Supra pulmonary stenosis after arterial switch operation for transposition
of the great arteries**
Meijboom, E. J., J. Punt, R. P. Beekman, P. A. Hutter, W. J. L. Suijker,
H. J. C. M. van de Wal, E. Harinck 157

**The role of myocardial perfusion scintigraphy and echocardiographic
wall-motion analysis in the postoperative assessment of patients after
the arterial-switch operation**
Vogel, M., H. Meisner, J. F. Smallhorn, K. Bühlmeyer 163
