Preface . . . . .	v
Contributors . . . . .	xi

**Part 1 Theoretical Bases of  
Interactive Assessment**

1 The Development of Interactive-Dynamic Approaches to Assessment of Learning Potential . . . . .	3
<i>David Tzuriel and H. Carl Haywood</i>	
2 Psychoeducational Assessment from a Transactional Perspective . . . . .	38
<i>H. Carl Haywood, David Tzuriel, and Susan Vaught</i>	
3 The Learning Test Concept: Origins, State of the Art, and Trends . . . . .	64
<i>Jürgen Guthke and Sabine Wingefeld</i>	
4 Reflections on Remediation and Transfer: A Vygotskian Perspective . . . . .	94
<i>J. P. Das and Robert N. F. Conway</i>	

**Part 2 Research on Interactive Assessment  
and Related Issues**

5 Induction of Logic Structures in the Mentally Retarded: An Assessment and Intervention Instrument. . . . .	119
<i>Jean-Louis Paour</i>	

6	The Dynamic Assessment of Intelligence . . . . .	167
	<i>Jerry S. Carlson and Karl Heinz Wiedl</i>	
7	Dynamic Group Assessment for Prescriptive Teaching: Differential Effects of Treatments . . . . .	187
	<i>David Tzuriel and Reuven Feuerstein</i>	
8	Assessment of Attention, Simultaneous-Successive Coding, and Planning . . . . .	207
	<i>J. P. Das and Jack Naglieri</i>	
9	Assessing Cognitive Modifiability of Infants and Toddlers: Observations Based on Mediated Learning Experience. . . . .	233
	<i>Pinna S. Klein</i>	
10	Evaluating Preschool Programs: The Role of Dynamic Assessment . . . . .	251
	<i>Marilyn T. Samuels, Steve M. Killip, Heather MacKenzie, and Joel Fagan</i>	

### Part 3 Applications of Interactive Assessment

11	Dynamic Assessment of Adults with Learning Difficulties . . . .	275
	<i>Marilyn T. Samuels, Carol H. Lamb, and Lorna Oberholtzer</i>	
12	Cognitive Competence: Reality and Potential in the Deaf . . . .	300
	<i>Kevin J. Keane, Abraham J. Tannenbaum, and Gary F. Krapf</i>	
13	Improving the Quality of Instruction: Roles for Dynamic Assessment . . . . .	317
	<i>Victor R. Delclos, Nancy J. Vye, M. Susan Burns, John D. Bransford, and Ted S. Hasselbring</i>	
14	A Dynamic Assessment for Undergraduate Admission: The Inverse Relationship Between Modifiability and Predictability . . . . .	332
	<i>Ian M. Shochet</i>	
15	Assessing the Learning Potential of Penitentiary Inmates: An Application of Feuerstein's Learning Potential Assessment Device . . . . .	356
	<i>Harry Silverman and Mary Waksman</i>	

16	Process-Based Instruction: Integrating Assessment and Instruction. . . . .	375
	<i>Adrian F. Ashman</i>	

#### Part 4 Case Studies of Interactive Assessment

17	Mediated Learning Experience Approach in the Assessment and Treatment of Borderline Psychotic Adolescents. . . . .	399
	<i>Shlomo Kaniel and David Tzuriel</i>	
18	A Case Study in the Induction of Logic Structures . . . . .	419
	<i>Jean-Louis Paour and Guylaine Soavi</i>	

#### Part 5 Public Policy Issues in Psychoeducational Assessment

19	Policy Implications of Psychological Assessment of Minority Children. . . . .	445
	<i>Cheryl A. Utley, H. Carl Haywood, and John C. Masters</i>	
20	Larry P., PASE, and Social Science in the Courtroom: The Science and Politics of Identifying and Educating Very Slow Learners . . . . .	470
	<i>Rogers Elliott</i>	
	Epilogue: The Status and Future of Interactive Assessment . . .	504
	<i>H. Carl Haywood and David Tzuriel</i>	

Author Index. . . . .	509
Subject Index . . . . .	521
