Preface XI

Head

1	Cranial Bones	
	Development of the Cranial Bones.....	2
	Skull: Lateral View.....	4
	Skull: Anterior View.....	6
	Skull: Posterior View & Cranial Sutures.....	8
	Calvaria.....	10
	Skull Base: External View.....	12
	Skull Base: Internal View.....	14
	Sphenoid Bone.....	16
	Temporal Bone.....	18
	Occipital Bone & Ethmoid Bones.....	20
	Mandible & Hyoid Bone.....	22
2	Muscles of the Skull & Face	
	Muscles of Facial Expression.....	24
	Muscles of Facial Expression: Calvaria, Ear & Eye.....	26
	Muscles of Facial Expression: Mouth.....	28
	Muscles of Mastication: Overview.....	30
	Muscles of Mastication: Deep Muscles.....	32
	Temporomandibular Joint (TMJ): Biomechanics.....	34
	Temporomandibular Joint (TMJ).....	36
	Muscles of the Head: Origins & Insertions.....	38
3	Arteries & Veins of the Head & Neck	
	Arteries of the Head: Overview.....	40
	External Carotid Artery: Anterior, Medial & Posterior Branches.....	42
	External Carotid Artery: Maxillary Artery.....	44
	External Carotid Artery: Terminal Branches.....	46
	Internal Carotid Artery.....	48
	Veins of the Head: Overview.....	50
	Veins of the Head: Deep Veins.....	52
4	Innervation of the Head & Neck	
	Organization of the Nervous System.....	54
	Sensory Pathways.....	56
	Motor Pathways.....	58
	Skeletal Muscle: Innervation & Embryonic Development....	60
	Autonomic Motor Pathways.....	62
	Peripheral Nerves & Nerve Lesions.....	64
	Cranial Nerves: Overview.....	66
	Cranial Nerve Nuclei.....	68
	CN I & II: Olfactory & Optic Nerves.....	70
	CN III, IV & VI: Oculomotor, Trochlear & Abducent Nerves.....	72
	CN V: Trigeminal Nerve, Nuclei & Divisions.....	74
	CN V ₁ : Trigeminal Nerve, Ophthalmic Division.....	76
	CN V ₂ : Trigeminal Nerve, Maxillary Division.....	78
	CN V ₃ : Trigeminal Nerve, Mandibular Division.....	80
	CN VII: Facial Nerve, Nuclei & Internal Branches.....	82
	CN VII: Facial Nerve, External Branches & Ganglia.....	84
	CN VIII: Vestibulocochlear Nerve.....	86
	CN IX: Glossopharyngeal Nerve.....	88
	CN X: Vagus Nerve.....	90
	CN XI & XII: Accessory Spinal & Hypoglossal Nerves.....	92
	Neurovascular Pathways through the Skull Base.....	94
5	Neurovascular Topography of the Head	
	Anterior Face.....	96
	Lateral Head: Superficial Layer.....	98
	Lateral Head: Intermediate Layer.....	100
	Infratemporal Fossa: Contents.....	102
	Pterygopalatine Fossa.....	104

Regions of the Head

6 Orbit & Eye

Bones of the Orbit	108
Communications of the Orbit	110
Extraocular Muscles	112
Cranial Nerves of the Extraocular Muscles:	
Oculomotor (CN III), Trochlear (CN IV) &	
Abducent (CN VI)	114
Neurovasculature of the Orbit	116
Topography of the Orbit (I)	118
Topography of the Orbit (II)	120
Lacrimal Apparatus	122
Eyeball	124
Eye: Blood Supply	126
Eye: Lens & Cornea	128
Eye: Iris & Ocular Chambers	130
Eye: Retina	132
Visual System (I): Overview &	
Geniculate Part.	134
Visual System (II): Lesions &	
Nongeniculate Part	136
Visual System (III): Reflexes	138
Visual System (IV): Coordination of	
Eye Movement	140

7 Nose & Nasal Cavity

Nose: Nasal Skeleton	142
Nose: Paranasal Sinuses	144
Nasal Cavity	146
Nasal Cavity: Neurovascular Supply	148
Nose & Paranasal Sinuses: Histology &	
Clinical Anatomy	150
Olfactory System (Smell)	152

8 Temporal Bone & Ear

Temporal Bone	154
Ear: Overview & External Ear	156
External Ear	158

Middle Ear (I): Tympanic Cavity &	
Pharyngotympanic Tube	160
Middle Ear (II): Auditory Ossicles &	
Tympanic Cavity	162
Inner Ear	164
Arteries & Veins of the Ear	166
Vestibulocochlear Nerve (CN VIII)	168
Auditory Apparatus	170
Auditory Pathway	172
Vestibular Apparatus	174
Vestibular System	176

9 Oral Cavity & Perioral Regions

Oral Cavity: Overview	178
Permanent Teeth	180
Structure of the Teeth	182
Incisors, Canines & Premolars	184
Molars	186
Deciduous Teeth	188
Hard Palate	190
Mandible & Hyoid Bone	192
Temporomandibular Joint (TMJ)	194
Temporomandibular Joint (TMJ): Biomechanics	196
Muscles of Mastication: Overview	198
Muscles of Mastication: Deep Muscles	200
Suprahyoid Muscles	202
Lingual Muscles	204
Lingual Mucosa	206
Pharynx & Tonsils	208
Pharynx: Divisions & Contents	210
Muscles of the Soft Palate & Pharynx	212
Muscles of the Pharynx	214
Pharynx: Topography & Innervation	216
Salivary Glands	218
Neurovasculature of the Tongue	220
Gustatory System	222

Neck

10 Bones, Ligaments & Muscles of the Neck

Vertebral Column & Vertebrae	226
Ligaments of the Vertebral Column	228
Cervical Spine	230
Joints of the Cervical Spine	232
Ligaments of the Cervical Spine	234
Ligaments of the Craniovertebral Joints	236
Muscles of the Neck: Overview	238
Muscles of the Neck & Back (I)	240
Muscles of the Neck & Back (II)	242
Muscles of the Posterior Neck	244
Intrinsic Back Muscles (I): Erector Spinae & Interspinales	246
Intrinsic Back Muscles (II)	248
Intrinsic Back Muscles (III): Short Nuchal Muscles	250
Prevertebral & Scalene Muscles	252
Suprahyoid & Infrahyoid Muscles	254

11 Larynx

Larynx	256
Laryngeal Muscles	258
Larynx: Neurovasculature	260
Larynx: Topography	262
Thyroid & Parathyroid Glands	264

12 Neurovascular Topography of the Neck

Arteries & Veins of the Neck	266
Lymphatics of the Neck	268
Cervical Plexus	270
Cervical Regions (Triangles)	272
Cervical Fasciae	274
Posterior Neck	276
Lateral Neck	278
Anterior Neck	280
Deep Anterolateral Neck	282
Parapharyngeal Space (I)	284
Parapharyngeal Space (II)	286

Neuroanatomy

13 Neuroanatomy

Nervous System	290
Spinal Cord: Organization	292
Brain: Organization	294
Brain & Meninges	296
Spinal Cord & Meninges	298
Cerebrospinal Fluid (CSF) Spaces	300
Dural Sinuses	302
Arteries of the Brain	304
Neurons	306

Sectional Anatomy

14 Sectional Anatomy of the Head & Neck

Coronal Sections of the Head (I): Anterior	310
Coronal Sections of the Head (II): Posterior	312
Coronal MRIs of the Head	314
Coronal MRIs of the Neck (I): Anterior	316
Coronal MRIs of the Neck (II)	318
Coronal MRIs of the Neck (III): Posterior	320
Transverse Sections of the Head (I): Cranial	322
Transverse Sections of the Head (II)	324
Transverse Sections of the Head (III): Caudal	326
Transverse Sections of the Neck (I): Cranial	328
Transverse Sections of the Neck (II): Caudal	330
Transverse MRIs of the Head	332
Transverse MRIs of the Oral Cavity	334
Transverse MRIs of the Neck	336
Sagittal Sections of the Head (I): Medial	338
Sagittal Sections of the Head (II): Lateral	340
Sagittal MRIs of the Head	342
Sagittal MRIs of the Neck	344

Appendix
