Andreas Neef, Natasha Pauli and Bukola Salami

Introduction: Climate Mobilities and Climate Mobility Justice in the Anthropocene — 1

Part 1 The Climate-Migration Nexus: Concepts and Controversies

Louis Everuss

1 Shifting from Climate Migration to Climate (Im)mobilities: Studying the Intersections between Climate Change and Human Movement — 19

Calum T. M. Nicholson and Ian Kelman

2 Climate and Mobility: Challenges and Cautions for Research and Policy — 38

Aniseh Bro, Brandon Pludwinski and Luisa Veronis

3 The Decision to Stay: A Framework for Conceptualising Voluntary Immobilities — 52

Niklas Mayer

4 Climate Change, Development Interventions and Migration: Exploring New Conceptual Frameworks — 69

Part 2 Climate (Im)Mobility: Drivers and Decision-Making

Denise Busan, Natasha Pauli, Sochanny Hak, Vidushi Patel and Renata Varea

5 A Finer-Scale Perspective on Climate ‘Micro-mobility’: Short-Distance Movements of People and Communities in Response to Climate Change — 91

Jonas Bergmann, Pablo Escribano and Kira Vinke

6 Migrating, Adapting in Place or Missing Options? A Systematic Review of Climate Change-Migration Links in Peru — 114

Miriam Afi Kosi and Felix Ankomah Asante

7 Local Perceptions of Environmental Change Risks and Adaptation Strategies: A Case Study of Bortianor in the Greater Accra Region of Ghana — 147

Anita Latai-Niusulu

- 8 Pacific Island Mobility amid Climate Change and Other Environmental Challenges – The Case of Samoa — 175**

Part 3 Forced Displacement, Health Impacts of Im/mobility and Security Implications

Adam Fraser

- 9 The Bikini Atoll Community: A Case Study in Displacement, Climate Change Vulnerability and (Im)mobility — 191**

Celia McMichael and Merewalesi Yee

- 10 Health Consequences of Climate Change for Migrants and Immobile Populations — 216**

Lou Elena Bouey and Irit Katz

- 11 Spaces of Climate Mobilities: From the US-Mexico Border to Guatemala, and Back — 235**

Part 4 Representations of Climate Mobility in Media, Religion and Education

Sarah M. Munoz

- 12 Eliciting Fear of Climate Change and ‘Others’: Representations of ‘Climate Refugees’ and ‘Environmental Migrants’ in American Media — 255**

Lore Van Praag and Loubna Ou-Salah

- 13 Introducing Religious and Spiritual Beliefs, Discourses and Solidarity to the Study of Climate-Induced Mobility — 280**

James Oleson

- 14 State Crime and Climate Justice: Employing a Dystopian Climate Migration Scenario in Postgraduate Teaching — 298**

Part 5 Intersectionalities of Climate Mobilities

Laura Wilson and Andreas Neef

- 15 Women’s Experiences and Agency in the Gender and Climate Mobility Nexus — 321**

Sarah Walker and Elena Giacomelli

- 16 No Country for Young Women and Men? Youth Perspectives on the Climate Crisis and (Im)mobility in Senegal — 338**

Olivia E. T. Yates, Shiloh Groot, Sam Manuela and Andreas Neef

- 17 “Owning the Reality of Renting the Skies”: Youth Climate Activism and Neighbourliness in the Context of Pacific Climate Mobility — 362**

Part 6 Legal and Ethical Considerations on Planned Relocation in the Context of Climate Change

Rebecca Monson, Matthew Allen, Ruth Maetala, John Cox, David Oakeshott, Margaret Sandy and Kitchener Bird

- 18 Planning for Climate Mobility: Developing a Relational Approach to Planned Community Relocation in Solomon Islands — 385**

Vara Thuraisingham, Liam Moore and Andreas Neef

- 19 State-Led and Voluntary Climate-Related Relocations in Fiji: Policy, Practice and Protection Gaps — 407**

Justin See, Brooke Wilmsen and Emma Porio

- 20 Planned Relocation or In-Situ Management? Comparing the Justice Outcomes of Two State-Led Climate Change Adaptation Responses in the Philippines — 427**

Amber Tharakan and Andreas Neef

- 21 Rising Tides, Subsiding Land: Evaluating the Isle de Jean Charles Resettlement Programme in Louisiana against Arnall’s Principles of Resettlement as Climate Adaptation — 444**

Conclusion

Andreas Neef and Mimi Sheller

- 22 Towards Climate Mobility Justice: From Climate Debt to Climate Reparations and a Welcoming Culture for Climate Migrants — 465**
