Introduction	13
The Structure	
1.0 Past Passive Participles Functioning as Participles and Adjectives	21
1.1 Participial Forms with Deriving Perfective Verbs	22
1.11 The Deriving Verbs for the Participial Forms	22
1.12 Prefixation/Suffixation of the Deriving Verbs	22
1.13 Peculiarities in the Formation of the Participial Forms	24
1.14 The Stress	26
1.15 Features of Differentiation	28
1.2 Participial Forms with Deriving Biaspectual Verbs	29
1.21 The Deriving Verbs for the Participial Forms	29
1.22 Prefixation/Suffixation of the Deriving Verbs	29
1.23 Formation of the Participial Forms	30
1.24 The Stress	30
1.3 Participial Forms with Deriving Imperfective Verbs	31
1.31 The Deriving Verbs for the Participial Forms	31
1.32 Prefixation/Suffixation of the Deriving Verbs	31
1.33 Peculiarities in the Formation of the Participial Forms	32
1.34 The Stress	32
1.4 Conclusions	33
2.0 Adjectives with a Differentiated Correlative Past Passive Participle	36
2.1 Adjectives with a Correlative Participle Differing in the Position of Stress	37
2.2 Adjectives with a Correlative Participle Differing in the Type of Suffixal Vowel and the Position of Stress	38
2.3 Adjectives with a Correlative Participle Differing in Suffixal Consonant	39
2.31 The Stress Pattern	40
2.32 Adjectives with a Correlative Participle Differing in the Position of Stress and Suffixal Vowel/Consonant	40
2.4 Conclusions	41
3.0 Adjectives Lacking a Correlative Past Passive Participle	44
3.1 Simple Adjectives with the Suffixes <u>-n-</u> , <u>-en-</u> and <u>-en-</u>	45
3.2 Simple Adjectives with the Suffixes <u>-nn-</u> , <u>-enn-</u> , <u>-enn-</u> , and <u>-t-</u>	46
3.3 Compound Adjectives with the Suffixes <u>-n-</u> , <u>-en-</u> and <u>-en-</u>	49
3.31 Compound Adjectives with an Adverb or a Morphologically Bound Element as the First Component	49
3.32 Compound Adjectives with the prefix <u>ne-</u> as the First Component	50
3.4 Compound Adjectives with the Suffixes <u>-nn-</u> , <u>-enn-</u> , <u>-enn-</u> , and <u>-t-</u>	51

3.41	Type I: Compound Adjectives with a Noun as the First Component	51
3.42	Type II: Compound Adjectives with an Adverb as the First Component	52
3.43	Type III: Compound Adjectives with a Determinative Pronoun as the First Component	53
3.44	Type IV: Compound Adjectives with a Preposition as the First Component	53
3.45	Type V: Compound Adjectives with an Ordinal Numeral as the First Component	54
3.46	Type VI: Compound Adjectives with the Prefix <u>ne-</u> as the First Component	54
3.47	Type VII: Compound Adjectives with a Morphologically Bound Form as the First Component	56
3.48	Combination of the Two Components in Compound Adjectives	57
3.49	The Stress Pattern for Compound Adjectives	57
3.5	Conclusions	58
The Lexical Properties		
4.0	The Lexical Properties of Past Passive Participles Functioning as Participles and Adjectives	61
4.1	Introduction	61
4.11	Adjectives with a Basic/Literal Meaning, Basic/Literal and Specific Meaning, Basic/Literal and Generalized Meaning, and a Correlative Past Passive Participle with a Basic/Literal Meaning	66
4.12	Adjectives with a Basic/Literal Meaning, Basic/Literal and Specific Meaning or Generalized Meaning and a Correlative Past Passive Participle with a Basic/Literal and Figurative Meaning	75
4.13	Adjectives with a Basic/Literal and Figurative Meaning or Basic/Literal, Figurative and Specific Meaning and a Correlative Past Passive Participle with a Basic/ Literal Meaning	78
4.14	Adjectives with a Basic/Literal and Figurative Meaning or Basic/Literal, Figurative and Specific Meaning and a Correlative Past Passive Participle with a Basic/ Literal and Figurative Meaning	80
4.15	Adjectives with a Figurative Meaning, Figurative and Specific Meaning, Figurative and Generalized Figurative Meaning, and a Correlative Past Passive Participle with a Basic/Literal Meaning or Basic/Literal and Figurative Meaning	85
4.16	Adjectives with a Specific Meaning and a Correlative Past Passive Participle with a Basic/Literal Meaning or Basic/ Literal and Figurative Meaning	90

4.17	Adjectives with a Basic/Literal Meaning and a Qualitative Meaning with Positive Overtone and a Correlative Past Passive Participle with a Basic/Literal Meaning or Basic/Literal and Figurative Meaning	92
4.18	Adjectives with a Qualitative Meaning with Positive Overtone and a Correlative Past Passive Participle with a Basic/Literal Meaning or Basic/Literal and Figurative Meaning	94
4.19	Adjectives with a Specific and Figurative Meaning and a Qualitative Meaning with Positive Overtone	94
4.2	Adjectives with the Qualitative Meaning of <u>vyražajúšči</u> čtó-n.	95
4.3	Adjectives with a Qualitative Meaning Varying in Terms of Degree from the Correlative Participle's Qualitative Meaning	98
4.4	Adjectives Used in Phraseological Expressions	99
4.5	Adjectives and Their Synonyms/Descriptive Phrases	101
4.6	The Adjectives' Scope of Lexical Meaning	103
4.7	Conclusions	106
5.0	Restrictions to the Usage of Adjectives Correlative with Past Passive Participles	108
5.1	Restrictions Applicable to Both the Adjective and Its Correlative Participle	108
5.2	Restrictions Applicable to the Adjective Only	110
5.3	Restrictions Different for the Adjective and Its Correlative Participle	112
5.4	Conclusions	112
6.0	The Lexical Properties of Adjectives with a Differentiated Correlative Past Passive Participle	113
6.1	Introduction	113
6.11	Adjectives with a Basic/Literal Meaning, Basic/Literal and Specific Meaning, Basic/Literal and Generalized Meaning, Basic/Literal, Specific and Generalized Meaning, and a Correlative Past Passive Participle with a Basic/Literal Meaning	116
6.12	Adjectives with a Basic/Literal Meaning or Basic/Literal and Specific Meaning and a Correlative Past Passive Participle with a Basic/Literal and Figurative Meaning	118
6.13	Adjectives with a Basic/Literal and Figurative Meaning, Basic/Literal, Figurative and Specific Meaning, Basic/Literal, Figurative and Generalized Meaning, and a Correlative Past Passive Participle Which has a Basic/Literal Meaning	119
6.14	Adjectives with a Basic/Literal and Figurative Meaning or Basic/Literal, Figurative and Specific Meaning and a Correlative Past Passive Participle with a Basic/Literal and Figurative Meaning	120
6.15	Adjectives with a Correlative Participle Both of Which Have a Figurative Meaning	121

6.16	Adjectives with a Specific Qualitative Meaning and a Correlative Participle with a Basic/Literal Meaning	122
6.17	Adjectives with a Basic/Literal Meaning and a Qualitative Meaning Implying Positive Appraisal	122
6.18	Adjectives with the Meaning of <u>vyražajuščij čtō-n.</u>	122
6.19	Adjectives with a Qualitative Meaning Varying in Degree From the Correlative Participle's Qualitative Meaning	123
6.2	Adjectives Used in Phraseological Expressions	123
6.3	Adjectives and Their Synonyms/Descriptive Phrases	124
6.4	The Adjectives' Scope of Lexical Meaning	125
6.5	Conclusions	126
7.0	Restrictions to the Usage of Adjectives with a Differentiated Correlative Past Passive Participle	126
7.1	Restrictions for Adjectives with Several Lexical Variants	126
7.2	Restrictions for One of the Adjective's Several Lexical Variants	127
7.3	Restrictions for Several of the Adjective's Lexical Variants	127
7.4	Conclusions	128
8.0	The Lexical Properties of Simple Adjectives Lacking a Correlative Past Passive Participle	128
8.1	Introduction	128
8.2	Adjectives with a Basic/Literal Meaning	129
8.3	Adjectives with a Basic/Literal and a Figurative Meaning	131
8.4	Adjectives with a Basic/Literal Meaning and the Qualitative Meaning of <u>vyražajuščij čtō-n.</u>	132
8.5	Adjectives Appearing in Phraseological Expressions	132
8.6	Synonyms and Descriptive Phrases for the Adjectives	133
8.7	Conclusions	133
9.0	Restrictions to the Usage of Simple Adjectives Lacking a Correlative Participle	133
9.1	Restrictive Usage of Adjectives with Several Lexical Variants	134
9.2	Restrictions for One or Several of the Adjective's Lexical Variants	134
9.3	Conclusions	134
10.0	The Lexical Properties of Compound Adjectives Lacking a Correlative Past Passive Participle	135
10.1	Introduction	135
10.2	Adjectives with a Noun, an Adverb, the Determinative Pronoun <u>sam</u> , a Preposition, an Ordinal Numeral, the Prefix <u>ne-</u> and a Morphologically Bound Element as the First Component	
10.21	Adjectives with a Noun as the First Component	135
10.22	Adjectives with an Adverb as the First Component	136
10.23	Adjectives with the Determinative Pronoun <u>sam</u> as the First Component	137
10.24	Adjectives with a Preposition as the First Component	138
10.25	Adjectives with an Ordinal Numeral as the First Component	138
10.26	Adjectives with the Prefix <u>ne-</u> as the First Component	139
10.27	Adjectives with a Morphologically Bound Element as the First Component	142

10.3	Adjectives with the Qualitative Meaning of <u>vyražajúščiĭ čto-n.</u>	143
10.4	Adjectives Employed in Phraseological Expressions	144
10.5	The Adjectives' Synonyms and Descriptive Phrases	144
10.6	Conclusions	145
11.0	Restrictions to the Usage of Compound Adjectives Lacking a Correlative Past Passive Participle	145
11.1	Restrictions for Adjectives with or without Lexical Variants	146
11.2	Restrictions for One of the Adjective's Several Lexical Variants	146
11.3	Conclusions	146
	The Grammatical Properties	
12.0	The Grammatical Properties of Adjectives Correlative with Past Passive Participles	147
12.1	The Morphological Features	147
12.2	The Syntactic Features	159
	Conclusions	161
