Preface	III
Acknowledgments	v
Contributors	vii

SECTION I

Development and Maturation of the Craniofacial Area

Chapter 1. General Human Development	2
James K. Avery and Nagat M. ElNesr	
Chapter 2. Development of the Branchial Arches, Face, and Palate	20
James K. Avery	
Chapter 3. Development of Cartilages and Bones of the Facial Skeleton	42
James K. Avery	
Chapter 4. Postnatal Facial Growth, Birth through Postadolescence	58
Carla A. Evans	

SECTION II

Development of the Teeth and Supporting Structures

Chapter 5. Development of Teeth: Crown Formation	70
Nicholas P. Piesco and James K. Avery	
Chapter 6. Development of Teeth: Root and Supporting Structures	94
Nagat M. ElNesr and James K. Avery	
Chapter 7. Tooth Eruption and Shedding	110
Nagat M. ElNesr and James K. Avery	
Chapter 8. Agents Affecting Tooth and Bone Development	130
James K. Avery	

SECTION III

Structure of the Periodontium and the Temporomandibular Joint

Chapter 9. Histology of the Periodontium: Alveolar Bone, Cementum, and Periodontal Ligament	144
James K. Avery	
Chapter 10. Histology of Endosseous Implants	164
Robert B. O'Neal and Marion J. Edge	
Chapter 11. Histologic Changes during Tooth Movement	180
Carla A. Evans and James K. Avery	
Chapter 12. Wound Healing	192
Francisco Rivera-Hidalgó	
Chapter 13. Structure and Function of the Temporomandibular Joint	214
James K. Avery and Sol Bernick	

SECTION IV

Structure of the Teeth

Chapter 14. Histology of Enamel	228
James W. Simmelink	
Chapter 15. Histology of Dentin	242
Nicholas P. Piesco	
Chapter 16. Histology of Pulp	262
Daniel J. Chiego, Jr.	
Chapter 17. Comparison of Primary and Permanent Teeth	282
David C. Johnsen	

SECTION V

Structure of the Soft Tissues

Chapter 18. Histology of the Oral Mucosa and Tonsils	298
Donald S. Strachan	
Chapter 19. Histology of Gingiva and Epithelial Attachment	322
James K. Avery	
Chapter 20. Innervation of Oral Tissues	334
Donald S. Strachan, Daniel J. Chiego, Jr., and Dennis F. Turner	
Chapter 21. Development, Structure, and Function of Salivary Glands	352
Robert M. Klein	
Chapter 22. Histology of Saliva, Pellicle, Plaque, and Calculus	382
James K. Avery	
Chapter 23. Histology of Nasal Mucosa, Paranasal Sinuses, and Olfaction	394
Donald S. Strachan	
Glossary	405
