VII Preface

Federica Guaraldi, Diego Mazzatenta

1 What Is Hidden Behind Growth Hormone Deficiency? The Neuroradiologist's Perspective

Almeida, A.I. (Porto); Ramaglia, A. (Genoa); Severino, M. (Genoa); Tortora, D. (Genoa); Di Iorgi, N. (Genoa); Rossi, A. (Genoa)

18 Recombinant GH Therapy: Expected Results, Modalities and Monitoring in Children

Amodeo, M.E. (Rome); Morgante, C. (Rome); Pampanini, V. (Rome); Deodati, A. (Rome); Cianfarani, S. (Rome/Stockholm)

29 Growth Hormone Deficiency in the Transitional Age

Caputo, M. (Novara); Costelli, S. (Novara); Romanisio, M. (Novara); Pizzolitto, F. (Novara); Antoniotti, V. (Novara); Pitino, R. (Novara); Aimaretti, G. (Novara); Prodham, F. (Novara)

49 GH Replacement in Children and Adolescent following Surgery for Hypothalamic-Pituitary Neoplasia

Cappa, M. (Rome)

56 Bone, Metabolic and Mental Detrimental Effects of GHD: Reasons Underlying Replacement Therapy in Adults

Cotta, O.R. (Messina); Bonsangue, M. (Messina); Cannavò, S. (Messina)

68 Replacement Therapy in Adults with GHD: How to Treat and Monitor

Cuboni, D. (Turin); Varaldo, E. (Turin); Sibilla, M. (Turin); Capra, S. (Turin); Aversa, L.S. (Turin); Ghigo, E. (Turin); Grottoli, S. (Turin); Gasco, V. (Turin)

82 Pituitary Acrogigantism: From the Past to the Future

Daly, A.F. (Liège); Pétroussians, P. (Liège); Beckers, A. (Liège)

- 98 Fugitive Acromegaly: A Historical, Clinical, and Translational Perspective**
Toni, R. (Boston, MA/Faenza/Bologna/San Venanzio di Galliera); Barbaro, F. (Parma); Di Conza, G. (Parma); Elviri, L. (Parma); Mosca, S. (Milan); Caravelli, S. (Bologna); Mosca, M. (Bologna); Arkun, K. (Boston, MA); Asa, S.L. (Cleveland, OH); Lechan, R.M. (Boston, MA)
- 119 GH-Secreting Adenoma or Tumor? Issues in Pituitary Neoplasms Nomenclature, Classification, and Characterization**
Guaraldi, F. (Bologna); Di Sciascio, L. (Bologna); Shwaish, T.Z.T. (Bologna); Zoli, M. (Bologna); Mazzatenta, D. (Bologna); Asioli, S. (Bologna)
- 133 Risks Associated to Therapeutic Inertia in the Management of Acromegaly**
Logoluso, F.A. (Bisceglie)
- 143 Endoscopic Transsphenoidal Surgery in Growth-Hormone Pituitary Adenomas (GH PitNETs): Current Indications, Limitations, and the Importance of a Multidisciplinary Approach**
D'Onofrio, G.F. (Rome); Chiloiro, S. (Rome); Mattogno, P. (Rome); Lauretti, L. (Rome); Bianchi, A. (Rome); Olivi, A. (Rome); Cannavò, S. (Messina); Angileri, F.F. (Messina); Doglietto, F. (Rome)
- 159 Role of Endoscopic Endonasal Approach for GH-Secreting Tumors**
Zoli, M. (Bologna); Carretta, A. (Bologna); Magnani, M. (Bologna); Guaraldi, F. (Bologna); Rustici, A. (Bologna); Sollini, G. (Bologna); Asioli, S. (Bologna); Pasquini, E. (Bologna); Mazzatenta, D. (Bologna)
- 182 Treatment with Long-Acting Somatostatin Analogues in Patients with Acromegaly: When and How**
Aversa, L.S. (Turin); Sibilla, M. (Turin); Prencipe, N. (Turin); Gasco, V. (Turin); Ghigo, E. (Turin); Grottoli, S. (Turin)
- 201 Medical Treatment of Acromegaly: What's New?**
Maffei, P. (Padua); Dassie, F. (Padua)
- 215 Perioperative Mobility Assessment of Acromegalic Patients Undergoing Endoscopic Endonasal Resection of Pituitary Adenomas Using Digital Phenotyping**
Hong, C.S. (Boston, MA); Gerstl, J.V.E. (Boston, MA); Maniar, K. (Boston, MA); Kilgallon, J.L. (Boston, MA); Min, L. (Boston, MA); Onnela, J.-P. (Boston, MA); Corrales, C.E. (Boston, MA); Smith, T.R. (Boston, MA)
- 226 Impact of GH Deficiency and Excess on Men Sexual Health and Fertility**
Corona, G. (Bologna); Sparano, C. (Florence); Bianchi, N. (Bologna); Prontera, O. (Bologna); Sforza, A. (Bologna); Maggi, M. (Florence)
- 238 Author Index**
