

Contents

Declaration.....	3
Contents.....	4
Abbreviations.....	5
1. Introduction and research question	7
2. Literature overview.....	9
2.1 Acute Phase Reaction	9
2.1.1 Pathogenesis of acute phase response, with focus on cats.....	9
2.1.2 Acute phase proteins in cats.....	12
2.2 Feline Infectious Peritonitis	18
2.2.1 Aetiology and pathogenesis.....	18
2.2.2 Diagnosis	21
2.3 Body cavity effusions	24
2.4 Aims and hypotheses	29
3. Publications.....	30
3.1 Publication 1	31
3.2 Publication 2	40
4. Discussion.....	58
4.1 Discussion of the research question	58
4.2 Discussion of the research method	60
4.3 Discussion of the results	63
5. Future perspectives	68
6. Summary	69
7. Zusammenfassung	71
References	73
Acknowledgements.....	84
