

TABLE OF CONTENTS

Summary	I
Kurzfassung.....	II
Table of contents	III
Figures	IV
Tables	VI
Abbreviations	VIII
Chapter 1	
General introduction.....	1
Chapter 2	
Scope of the thesis	9
Chapter 3	
Differences in phosphorus digestibility and metabolizable energy concentrations of rye- or wheat-based compound feeds in pigs.....	11
Chapter 4	
Enzyme-based characterisation of carbohydrate fractions in rye grain diets and digesta of pigs	35
Chapter 5	
General discussion and conclusion.....	93
Appendix	119
Danksagung.....	135
