1 Learning	1
2 Machine Learning.....	9
3 Learning – Machine Learning – Knowledge Implementation	17
4 Understanding and Learning.....	27
5 Shape Understanding Method	33
6 Category of the Visual Objects	45
7 Understanding and Learning of the Knowledge of the Different Categories of Objects.....	61
7.1 Understanding and Learning of the Knowledge of the Visual Objects	62
7.1.1 Understanding and Learning of the Knowledge of the Visual Objects – Generalization.....	64
7.1.2 Understanding and Learning of the Knowledge of the Visual Objects – Specialization.....	68
7.1.3 Understanding and Learning of the Knowledge of the Visual Objects – Categorical Learning	69
7.1.3.1 Learning by the Small Alternation of the Visual Object (LSA).....	70
7.1.3.2 Learning from the Simple to Complex (LSC).....	71
7.1.3.3 Learning by Simplification of a Complex Object (LSCO).....	72
7.1.3.4 Learning from Parts	75
7.1.3.5 Learning Parts Decomposition (PD)	78
7.2 Understanding and Learning of the Knowledge of the Sensory Object....	80
7.3 Understanding and Learning of the Knowledge of the Text Object	83
7.3.1 Understanding and Learning of the Knowledge of the Text Object – The Text-Query	86
7.3.2 Understanding and Learning of the Knowledge of the Text Object – The Text-Task	91
7.3.2.1 Understanding and Learning of the Knowledge of the Text-Task - Difficulty Levels	95

7.3.2.2	Understanding and Learning of the knowledge of the Text-Task – The Explanatory Text-Task	96
7.3.2.3	Understanding and Learning of the Knowledge of the Text-Task – The Action-Text-Task	98
7.3.2.4	Understanding and Learning of the Knowledge of the Text-Task – The Visual-Text-Task	99
7.3.2.5	Understanding and Learning of the knowledge of the Text-Task – The Coding Category	102
7.3.2.6	Understanding and Learning of the Knowledge of the Text-Task – The Query-Form	104
7.3.2.7	Understanding and Learning of the Knowledge of the Text-Task – The Basic-Form	106
7.3.2.8	Understanding and Learning of the Knowledge of the Text-Task – The Procedural-Form	108
7.3.2.9	Understanding and Learning of the Knowledge of the Text-Task – The Explanatory Script	110
7.3.3	Understanding and Learning of the Knowledge of the Text Object – The Dictionary-Text	111
8	Knowledge Implementation	123
8.1	Knowledge Implementation - Implementation of the New Skills	125
8.1.1	Implementation of the New Skills - Shape Understanding System	125
8.1.2	Implementation of the New Skills –The Category of Visual Objects	138
8.1.2.1	Implementation of the New Skills – The Sign Category	143
8.1.2.2	Implementation of the New Skills – The Letter Category	146
8.1.2.3	Implementation of the New Skills – The Arrow Category	148
8.1.2.4	Implementation of the New Skills – The Road Signs Category	150
8.1.2.5	Implementation of the New Skills – The Real World Objects Category	153
8.1.3	Implementation of the New Skills – The Category of the Sensory Objects	160
8.1.4	Implementation of the New Skills – The Procedural-Form	167
8.2	Knowledge Implementation - Implementation of the New Knowledge	171
8.2.1	Implementation of the New Knowledge – Categories	172
8.2.1.1	The Category of the Visual Objects	172
8.2.1.2	The Knowledge Category	178
8.2.1.3	The Coding Category	179
8.2.2	Implementation of the New Knowledge - The Knowledge Schema	182

8.2.3 Implementation of the New Knowledge - The Text-Query
Category.....183

8.2.4 Implementation of the New Knowledge - The Text-Task
Category.....187

8.2.4.1 The Text-Task Category – The Query-Form189

8.2.4.2 The Text-Task Category – The Basic-Form192

8.2.4.3 The Text-Task Category – The Explanatory Script193

8.2.4.4 The Text-Task Category – The Mathematical-Text-
Task.....194

8.2.4.5 The Text-Task Category – The Physical-Text-Task198

8.2.4.6 The Text-Task Category – The Geographical-Text-
Task.....204

8.2.4.7 The Text-Task Category – The Tools-Text-Task210

8.2.5 Implementation of the New Knowledge – The Dictionary-
Text.....212
