

1 Basics of Palpation	1
1.1 Introduction	1
1.2 Palpation of the Skin	2
1.3 Palpation of the Bones	3
1.4 Palpation of the Joints	4
1.4.1 Palpation of the Joint Space	4
1.4.2 Palpation of the Joint Capsule	4
1.4.3 Palpation of the Bursae	5
1.5 Palpation of the Ligaments	5
1.6 Palpation of the Musculature	6
1.7 Palpation of the Nerves	7
1.8 Palpation of the Vessels	8
References	9
2 Palpation of Bony Reference Points	11
2.1 Basics of Bony Palpation	12
2.2 Palpation of Bony Reference Points on the Pelvis	12
2.3 Palpation of Bony Reference Points on the Femur	14
2.4 Palpation of Bony Reference Points on the Lower Leg	15
2.4.1 Palpation of the Tibia	15
2.4.2 Palpation of the Fibula	16
2.5 Palpation of Bony Reference Points on the Pes	17
2.5.1 Palpation of the Talus	17
2.5.2 Palpation of the Os Naviculare	18
2.5.3 Palpation of the Os Cuboideum	18
2.5.4 Palpation of the Cuneiform Ossa	18
2.5.5 Palpation of the Ossa Metatarsalia	20
2.5.6 Palpation of the Ossa Phalangeales Pedis	20
2.5.7 Palpation of the Os Calcaneus	22
2.5.8 Palpation of the Sesamoid Pedis Ossa	22
2.6 Palpation of Bony Reference Points on the Columna Vertebralis	23
2.7 Palpation of Bony Reference Points on the Thorax	25
2.8 Palpation of Bony Reference Points on the Shoulder Girdle	26
2.8.1 Palpation of the Clavicle	26
2.8.2 Palpation of the Scapula	27
2.9 Palpation of the Humerus	29
2.10 Palpation of Bony Reference Points on the Antebrachium	31
2.10.1 Palpation of the Ulna	31
2.10.2 Palpation of Bony Reference Points on the Radius	31
2.11 Bony Reference Points on the Manus	33
2.11.1 Palpation of the Ossa Metacarpalia	34
2.11.2 Palpation of the Os Capitatum	34

2.11.3	Palpation of the Os Trapezoideum	35
2.11.4	Palpation of the Os Trapezium	35
2.11.5	Palpation of the Os Scaphoideum	35
2.11.6	Palpation of the Os Lunatum	35
2.11.7	Palpation of the Os Pisiforme	35
2.11.8	Palpation of the Os Triquetrum	36
2.11.9	Palpation of the Os Hamatum	36
2.11.10	Palpation of the Ossa Phalangeales Manus	39
2.11.11	Palpation of the Sesamoid Manus Ossa	39
2.12	The Skull	41
2.12.1	Neurocranium	41
2.12.2	Viscerocranium	44
2.13	Palpation of the Os Hyoidium	49
	References	50
3	Palpation of the Joints	53
3.1	Basics of Palpation of Joints	54
3.2	Joints in the Area of the Knee	54
3.2.1	Palpation of the Femorotibial Joint	54
3.2.2	Palpation of the Femoropatellar Joint	54
3.3	Joints in the Area of the Foot	55
3.3.1	Palpation of the Intertarsal and Tarsometatarsal Joints	55
3.3.2	Palpation of the Intermetatarsal and Metatarsophalangeal Joints	56
3.3.3	Palpation of the Interphalangeal Pedis Joints	56
3.4	Palpation of the Zygapophysial Joints	58
3.5	Palpation of the Sternocostal Joints	59
3.6	Joints in the Shoulder Area	60
3.6.1	Palpation of the Sternoclavicular Joint	60
3.6.2	Palpation of the Acromioclavicular Joint	60
3.6.3	Palpation of the Subacromial Joint	61
3.6.4	Palpation of the Humeroscapular Joint	61
3.6.5	Palpation of the Scapulothoracic Joint	63
3.7	Joints in the Area of the Elbow	63
3.7.1	Palpation of the Humeroradial Joint	64
3.7.2	Palpation of the Distal Radioulnar Joint	64
3.8	Joints in the Area of the Hand	65
3.8.1	Palpation of the Radiocarpal Joint	65
3.8.2	Palpation of the Intercarpal Joints	65
3.8.3	Palpation of the Carpometacarpal Joints	67
3.8.4	Palpation of the Intermetacarpal Joints	67
3.8.5	Palpation of the Metacarpophalangeal Joints	68
3.8.6	Palpation of the Interphalangeal Joints	68
3.9	Palpation of the Temporomandibular Joint	70
	References	71
4	Palpation of the Ligaments	73
4.1	Basics of Palpation of Ligaments	73
4.2	Palpation of the Lower Limb Ligaments	74
4.2.1	Palpation of the Pelvic Ligaments	74
4.2.2	Palpation of the Ligaments at the Hip Joint	76
4.2.3	Palpation of the Ligaments of the Knee Joint	76
4.2.4	Palpation of the Ligaments of the Foot	80
4.3	Palpation of the Ligaments of the Spine	84
4.3.1	Palpation of the Supraspinal Ligaments	84

4.3.2	Palpation of the Nuchae Ligament.	84
4.3.3	Palpation of the Sternocostal Ligament	85
4.4	Ligaments of the Upper Extremity	85
4.4.1	Palpation of the Ligaments of the Shoulder Girdle and Shoulder Joint	85
4.4.2	Palpation of the Ligamenta at the Elbow Joint	90
4.4.3	Palpation of the Ligaments on the Hand	93
4.5	Palpation of the Lateral Temporomandibular Ligament	99
	References.	100
5	Palpation of the Musculature.	101
5.1	Basics of Muscle Palpation	103
5.2	Musculature in the Pelvic/Hip Joint Region	103
5.2.1	Palpation of the Iliac Muscle	103
5.2.2	Palpation of the Psoas Major and Minor Muscles	104
5.2.3	Palpation of the Sartorius Muscle	105
5.2.4	Palpation of the Gluteus Maximus Muscle	106
5.2.5	Palpation of the Gluteus Medius and Gluteus Minimus Muscles	106
5.2.6	Palpation of the Piriformis Muscle	107
5.2.7	Palpation of the Pectineus Muscle.	108
5.2.8	Palpation of the Adductor Longus Muscle.	108
5.2.9	Palpation of the Gracilis Muscle	110
5.2.10	Palpation of the Adductor Brevis Muscle	111
5.2.11	Palpation of the Adductor Magnus and Minimus Muscle	111
5.2.12	Palpation of the Mm. Gemelli, M. Obturatorius Internus and M. Quadratus Femoris.	112
5.2.13	Palpation of the External Obturator Muscle	113
5.2.14	Palpation of the Tensor Fasciae Latae Muscle.	114
5.2.15	Palpation of the Pelvic Floor Muscles	114
5.3	Musculature in the Area of the Knee Joint.	117
5.3.1	Palpation of the Vastus Medialis Muscle	117
5.3.2	Palpation of the Vastus Intermedius Muscle	117
5.3.3	Palpation of the Vastus Lateralis Muscle	118
5.3.4	Palpation of the Rectus Femoris Muscle	118
5.3.5	Palpation of the Semimembranosus Muscle	119
5.3.6	Palpation of the Semitendinosus Muscle.	119
5.3.7	Palpation of the Biceps Femoris Muscle	120
5.3.8	Palpation of the Popliteal Muscle	121
5.3.9	Palpation of the Tractus Iliotibialis	121
5.4	Musculature in the Area of the Lower Leg/Foot	123
5.4.1	Palpation of the Anterior Tibialis Muscle	123
5.4.2	Palpation of the Extensor Hallucis Longus Muscle.	123
5.4.3	Palpation of the Extensor Digitorum Longus Muscle	124
5.4.4	Palpation of the Fibularis Longus and Brevis Muscle	124
5.4.5	Palpation of the Posterior Tibialis Muscle.	125
5.4.6	Palpation of the Flexor Hallucis Longus Muscle.	126
5.4.7	Palpation of the Flexor Digitorum Longus Muscle	126
5.4.8	Palpation of the Soleus Muscle	127
5.4.9	Palpation of the Gastrocnemius Muscle	128
5.4.10	Palpation of the Plantar Muscle.	129
5.5	Foot Musculature	130
5.5.1	Palpation of the Plantar Foot Musculature.	130
5.5.2	Palpation of the Short Hallux Foot Muscles	131

5.5.3	Palpation of the Short Foot Muscles of the Digitus Minimus	
	Pedis	132
5.5.4	Palpation of the Dorsal Short Foot Muscles	133
5.6	Musculature in the Trunk Area	135
5.6.1	Palpation of the Autochthonous Back Muscles	135
5.6.2	Palpation of the Short Neck Muscles	138
5.6.3	Palpation of the Scalenus Muscles	138
5.6.4	Palpation of the Intercostal Muscles	139
5.6.5	Palpation of the Rectus Abdominis and Pyramidalis Muscles	141
5.6.6	Palpation of the Transversus Abdominis Muscle	142
5.6.7	Palpation of the Obliquus Externus and Internus Abdominis Muscles	142
5.6.8	Palpation of the Quadratus Lumborum Muscle	144
5.6.9	Palpation of the Respiratory Diaphragm	145
5.6.10	Palpation of the Posterior Superior and Inferior Serratus Muscle	146
5.7	Musculature in the Area of the Shoulder Girdle/Shoulder Joint	148
5.7.1	Palpation of the Scapular Levator Muscle	148
5.7.2	Palpation of the Trapezius Muscle	149
5.7.3	Palpation of the Sternocleidomastoid Muscle	150
5.7.4	Palpation of the Major and Minor Rhomboid Muscles	151
5.7.5	Palpation of the Subclavian Muscle	152
5.7.6	Palpation of the Pectoralis Minor Muscle	153
5.7.7	Palpation of the Serratus Anterior Muscle	153
5.7.8	Palpation of the Supraspinatus Muscle	155
5.7.9	Palpation of the Infraspinatus Muscle	156
5.7.10	Palpation of the Minor Teres Muscle	156
5.7.11	Palpation of the Subscapularis Muscle	157
5.7.12	Palpation of the Deltoid Muscle	158
5.7.13	Palpation of the Latissimus Dorsi Muscle	159
5.7.14	Palpation of the Teres Major Muscle	160
5.7.15	Palpation of the Pectoralis Major Muscle	161
5.7.16	Palpation of the Coracobrachialis Muscle	162
5.8	Musculature in the Area of the Elbow Joint	164
5.8.1	Palpation of the Triceps Brachii Muscle	164
5.8.2	Palpation of the Anconeus Muscle	164
5.8.3	Palpation of the Brachialis Muscle	165
5.8.4	Palpation of the Biceps Brachii Muscle	166
5.9	Forearm Muscles	167
5.9.1	Palpation of the Dorsal Superficial Group	167
5.9.2	Palpation of the Dorsal Deep Group	168
5.9.3	Palpation of the Ventral Superficial Group	169
5.9.4	Palpation of the Ventral Deep Group	171
5.9.5	Palpation of the Radial Group	173
5.10	Hand Musculature	173
5.10.1	Palpation of the Metacarpal Musculature	174
5.10.2	Palpation of the Thenar Muscle Group	174
5.10.3	Palpation of the Hypothenar Muscle Group	176
5.11	Musculature of the Skull	178
5.11.1	Palpation of the Musculature at the Temporomandibular Joint	178
5.11.2	Palpation of the Infrahyoid Muscles	179
5.11.3	Palpation of the Suprahyoid Muscles	180
5.11.4	Palpation of the Facial Mimic Muscles: Forehead	182
5.11.5	Palpation of the Facial Mimic Muscles: Eye	183

5.11.6	Palpation of the Facial Mimic Muscles: Nose	184
5.11.7	Palpation of the Facial Mimic Muscles: Mouth.	186
5.11.8	Palpation of the Platysma.	189
5.11.9	Palpation of the Mimic Muscles: Ear.	189
5.11.10	Palpation of the External Eye Muscles	191
	References.	193
6	Palpation of the Nerves.	195
6.1	Basics of Palpation of Nerves	196
6.2	Pelvis/Lower Extremity	196
6.2.1	Palpation of the Femoral Nerve	196
6.2.2	Palpation of the Genitofemoral Nerve	196
6.2.3	Palpation of the Obturator Nerve.	197
6.2.4	Palpation of the Ilioinguinal Nerve	198
6.2.5	Palpation of the Lateral Cutaneous Femoris Nerve.	199
6.2.6	Palpation of the Superior and Inferior Gluteal Nerve	200
6.2.7	Palpation of the Pudendal Nerve	200
6.2.8	Palpation of the Saphenous Nerve	201
6.2.9	Palpation of the Sciatic Nerve	202
6.2.10	Palpation of the Common Fibular Nerve.	203
6.2.11	Palpation of the Superficial Fibular Nerve.	204
6.2.12	Palpation of the Profundal Fibular Nerve	205
6.2.13	Palpation of the Sural Nerve	205
6.2.14	Palpation of the Tibial Nerve	205
6.2.15	Palpation of the Lateral and Medial Plantar Nerves	206
6.2.16	Palpation of the Cutaneous Dorsal Pedal Nerve	207
6.3	Nerves in the Area of the Abdomen and Trunk	209
6.3.1	Palpation of the Intercostal Nerves	209
6.3.2	Palpation of the Iliohypogastric Nerve	210
6.4	Nerves in the Upper Limb	210
6.4.1	Palpation of the Thoracic Longus Nerve	211
6.4.2	Palpation of the Suprascapular Nerve	211
6.4.3	Palpation of the Supraclavicular Nerves	212
6.4.4	Palpation of the Thoracodorsal Nerve	213
6.4.5	Palpation of the Dorsal Scapular Nerve.	213
6.4.6	Palpation of the Pectoral Nerves	214
6.4.7	Palpation of the Axillary Nerve	216
6.4.8	Palpation of the Musculocutaneous Nerve.	216
6.4.9	Palpation of the Median Nerve	217
6.4.10	Palpation of the Radial Nerve	218
6.4.11	Palpation of the Ulnar Nerve	219
6.5	Palpation of the Nerves in the Area of the Head/Neck	220
6.5.1	Palpation of the Facial Nerve.	220
6.5.2	Palpation of the Trigeminal Nerve.	221
6.5.3	Palpation of the Greater and Lesser Occipital Nerves	222
6.5.4	Palpation of the Phrenic Nerve	223
	References.	224
7	Palpation of the Vessels.	225
7.1	Palpation of the Arteries.	225
7.1.1	Arteries in the Area of the Pelvis and Lower Extremity	225
7.1.2	Arteries in the Trunk and Abdomen Area	230
7.1.3	Arteries in the Area of the Upper Extremity	233
7.1.4	Arteries in the Area of the Head	238

7.2	Palpation of the Veins.	247
7.2.1	Veins in the Area of the Pelvis and Lower Extremity	247
7.2.2	Veins in the Trunk and Abdomen Area	252
7.2.3	Veins in the Area of the Upper Extremity	253
7.2.4	Veins in the Area of the Head	258
	References.	263
