Introduction 7

 The Cave and its History 7

 The Discovery of Level 11 and its Investigation 7

The Faunal Remains from Level 11 11

 Excavation and Collection of the Faunal Remains 11

 The First Faunal Analyses 11

 The Recent Zooarchaeological Analyses 12

Part 1: The Main Bone Assemblage 13

 Bone Recording Procedure 13

 The Distribution of Faunal Remains in Groups 1, 2 and 3 15

 Taxonomically Identified Faunal Remains 17

 Horse (*Equus* sp.) 17

 Large Bovine (*Bos* sp. or *Bison* sp.) 34

 Red Deer (*Cervus elaphus*) 46

 Giant Deer (*Megaloceros giganteus*) and Large Cervids 53

 Mammoth (*Mammuthus* sp.) and *Elephantidae* 61

 Woolly Rhinoceros (*Coelodonta antiquitatis*) and *Rhinocerotidae* 63

 Cave Bear (*Ursus spelaeus*) 65

 Ibex or Chamois (*Capra ibex*/*Rupicapra rupicapra*) 65

 Cave Lion (*Panthera spelaea*) 66

 Wolf (*Canis lupus*) 66

 Reindeer (*Rangifer tarandus*) 66

 Beaver (*Castor fiber*) 66

 Roe Deer (*Capreolus capreolus*) 67

 Hyaena (*Crocuta spelaea*) 67

 Small Equid (*Equus hydruntinus*?) 67

 Taxonomically Unidentified Faunal Remains 68

 Animal Size Group »large« 68

 Animal Size Group »medium-large« 71

 Animal Size Group »medium« 74

 Animal Size Group »small« 77

 Animal Size Group »very large« 79

Part 2: The Selected Bone Assemblage 81

 Traces of Butchery 81

 Taxonomically Identified Faunal Remains 82

 Horse (*Equus* sp.) 82

 Large Bovine (*Bos* sp. or *Bison* sp.) 85

 Red Deer (*Cervus elaphus*) 86

 Large Cervids 86

 Rhinoceros 88

 Beaver (*Castor fiber*) 89

 Taxonomically Unidentified Faunal Remains 89

 Animal Size Group »medium-large« 89

 Animal Size Group »large« 89

 Animal Size Group »medium« 90

 Animal Size Group »small« 91

 Animal Size Group »very large« 92

Faunal Remains from Level 11a	93
Faunal Remains from Level 11c	95
Faunal Remains from Level 11d	96
Part 3: The Bone Retouchers and Bone Tools from Level 11	99
Bone Retouchers	99
Selecting the Blanks	101
Preparing the Blanks	106
Using the Retouchers	106
Pitting and Scoring	107
Intensity of Use	109
Lateralization	111
Secondary Modification	111
Cave Bear Canine	112
Bone Tools	113
Edge Modification	113
Bone Hammers	114
Part 4: Spatial Distribution	115
The Spatial Distribution of the Faunal Remains	118
The Spatial Distribution of Bones showing traces of Butchery	118
The Spatial Distribution of the Bone Retouchers and other Bone Tools	129
Part 5: From the Hunt to the Cave	131
Appendix	139
Acknowledgements	143
Bibliography	145
