How Winter Gardens Work	4
-------------------------------	---

1. On Climate, Comfort, and the Pleasure of Inhabiting

– Projects with Winter Gardens	10
– Climate, Comfort, and Use A Conversation between Anne Lacaton, Jean-Philippe Vassal, Ilka Ruby, and Andreas Ruby	13
– A Bioclimatic Approach A Conversation between Anne Lacaton, Jean-Philippe Vassal, and Christian Cardonnel	39

2. The Case Studies

– Introduction	54
– How to Read the Case Studies	55
– Case Study 1: Cité Manifeste, Mulhouse, France	65
– Case Study 2: Student and Social Housing, Ourcq-Jaurès, Paris, France	105
– Case Study 3: Cité du Grand Parc, Bordeaux, France	140
– Case Study 4: Residential and Office Tower, Geneva, Switzerland	185
– Summary of the Case Studies	219

Conclusion

From Intuition to Project: For a Paradigm Shift	222
---	-----

Annex: Research Methodology

– For a Precise Understanding of Micro-climatic Conditions and Resulting Thermal and Visual Comfort	240
